Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Kellogg Brown & Root, Inc. Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2025 (in liquidation), September 30, 2024 and 2023 (ongoing), and the related statements of changes in net assets available for the period ended March 31, 2025 (in liquidation) and the year ended September 30, 2024 (ongoing), and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Kellogg Brown & Root, Inc. Health and Welfare Plan as of as of March 31, 2025 (in liquidation), September 30, 2024 and 2023 (ongoing), and the changes in its net assets available for benefits for the period ended March 31, 2025 (in liquidation) and the year ended September 30, 2024 (ongoing), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kellogg Brown & Root, Inc. Health and Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Kellogg Brown & Root, Inc., the Plan's Sponsor, approved a plan of liquidation effective December 31, 2024, and management determined liquidation was imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the September 30, 2023 and 2024 financial statements to the liquidation basis used in presenting the March 31, 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kellogg Brown & Root, Inc. Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2025 (IN LIQUIDATION) AND SEPTEMBER 30, 2024 AND 2023 (ONGOING)

NOTE 1 DESCRIPTION OF PLAN

The following description of Kellogg Brown and Root, Inc (the Company) Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan and Trust were established October 1, 2004 to provide health and other benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company elected to terminate the Plan effective December 31, 2024.

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company was not required to pay contributions to the Plan for the period ended March 31, 2025 and the year ended September 30, 2024. Contributions received from the Plan sponsor during the period ended March 31, 2025 were made to pay final expenses resulting from termination.

Participant Accounts

Each participant's account is credited \$150 annually and charged with an allocation of expenses paid by the Plan. The benefit to which each a participant is entitled is the benefit that can be provided by the participant's account balance.

Health Reimbursement Arrangement (HRA)

The Plan has a HRA that is funded solely through plan assets. The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a certain ceiling. Amounts remaining as of December 31st each year are forfeited. The employer is not allowed to refund any part of the balance to the participant; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the employer. Including in the accompanying Statement of Net Assets are amounts available to reimburse participants for qualifying medical expenses as of March 31, 2025, September 30, 2024 and 2023, totaling \$0, \$242,420 and \$211,017, respectively, net of forfeitures. As of December 31, 2024, \$218,259 of benefits available for reimbursement were forfeited as a result of termination of the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting

As a result of Plan termination on December 31, 2024, as discussed in Note 1 in accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting from the ongoing basis used in presenting the September 30, 2024 and 2023 financial statements to the liquidation basis of accounting using in presenting the March 31, 2025 financial statements.

Under the liquidation basis of accounting, assets are stated at their estimated cash value expected to be collected in settling or disposing of assets during the liquidation process and liabilities are stated at their anticipated settlement amounts and also includes any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Payment of Benefits

HRA claims paid by the Plan are recorded when paid in the accompanying Statement of Changes in Net Assets Available for Benefits.

Concentration of Credit Risk

The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan management does not believe the Plan was exposed to any significant credit risk on cash.

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the period ended March 31, 2025 and the year ended September 30, 2024, the Plan paid for substantially all administrative expenses, which consisted of administration fees, accounting fees, and other miscellaneous expenses.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2025 (IN LIQUIDATION) AND SEPTEMBER 30, 2024 AND 2023 (ONGOING)

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan was required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for the period ended March 31, 2025, and the years ended September 30, 2024 and 2023; therefore, no tax liability was reflected in these financial statements.

Subsequent Events

The Plan has evaluated subsequent events through April 7, 2025, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2025, September 30, 2024 and 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there were currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan management or Plan administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

The Company elected to terminate the Plan effective December 31, 2024. As a result of termination of the Plan, remaining assets were applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan were reverted to the Company or used for purposes other than for the exclusive benefit of the Plan's participants. The Plan was liquidated in full by March 31, 2025.
