INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Audit Committee of
Sunbeam Family Services, Inc. 403(b) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sunbeam Family Services, Inc. 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sunbeam Family Services, Inc. 403(b) Thrift Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2024 and June 30, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunbeam Family Services, Inc. 403(b) Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunbeam Family Services, Inc. 403(b) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunbeam Family Services, Inc. 403(b) Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunbeam Family Services, Inc. 403(b) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

SUNBEAM FAMILY SERVICES, INC.
403(b) THRIFT PLAN

June 30, 2024

NOTE A--DESCRIPTION OF PLAN

The following description of the Sunbeam Family Services 403(b) Thrift Plan (the "Plan") is provided for general information. Participants should refer to the Plan Agreement for more complete information.

General: The Plan was established and effective April 1, 1990 and restated effective July 1, 2013 with effective amendments July 1, 2018, January 1, 2019, August 1, 2022 and January 1, 2024. The Plan is a defined contribution plan designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participation under Section 403(b). The Plan covers all employees of Sunbeam Family Services, Inc. and related companies adopting the Plan, including SFS, LLC, that are age 21 or older, except non-resident aliens. Employees are eligible for the employee match after completion of one year of service. Student employees are excluded from participating in the employer match and non-elective contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Eligible employees may contribute up to the maximum percent of their annual compensation, as defined in the Plan, subject to limitations imposed by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Organization contributes a matching contribution based on all employees deferrals as established by the Organization's management, and may make a non-elective contribution allocated uniformly based on eligible compensation. Contributions are subject to certain limitations.

For the year ended June 30, 2024 and 2023, the Plan Sponsor contributed to the Plan a matching amount equal to 100% of the employee's contribution to the Plan up to 7% of the participant's eligible compensation.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Organization's contribution and (b) Plan earnings, and charged with an allocation of net administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce matching contribution requirements and administrative expenses. The benefit to which each participant is entitled is the benefit that can be provided from the participants' vested account.

Distributions: Upon retirement, disability, or death, a participant or beneficiary may receive the entire amount credited to the participant's account under various distribution options as defined by the plan. Required minimum distributions must begin within a prescribed period after the participant attains the age designated by the current U.S. Internal Revenue Code.

On termination of service, the participant's vested balance will be paid to the participant in any manner permitted by the plan and agreed-upon by the participant and Plan administrator. If the participant's account balance is less than the designated amount defined in the plan that is subject to the IRC limitations, the account may be distributed on behalf of the participant without participant agreement.

In-service distributions are allowed for participants that are 59½ years old or older, or for hardship purposes.

SUNBEAM FAMILY SERVICES, INC.
403(b) THRIFT PLAN

June 30, 2024

Excess Contribution Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the June 30, 2023 excess contributions to the applicable participants after September 15, 2023, as such, 10% penalty will be applicable.

Forfeitures: Forfeitures shall be used to reduce plan expenses or employer contributions. The balance of the forfeiture account was \$106 and \$103 for 2024 and 2023, respectively. For the years ended June 30, 2024 and 2023, \$9,868 and \$36,376 of forfeitures were used to pay employer contributions.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization's matching or nonelective contributions portion of their accounts, plus actual earnings thereon, occurs when the employee completes three years of continuous service, at which point the employee is 100% vested.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions to a selection of investments with the custodian of the Plan. Participants may change the allocation of their account in the different funds and other investments at any time.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for insurance contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's realized gains and losses on investments bought and sold, unrealized gains and losses on investments held during the year as well as indirect compensation paid to financial advisor.

Payments of Benefits: Benefits are recorded when paid.

NOTE C--INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance and Reliance Trust Company (the custodian of the Plan).

NOTE D--FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying Statements of Net Assets Available For Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. Next, Level 2 inputs are used when identical assets cannot be identified, but quoted prices for similar assets in active markets are available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2024 and 2023.

NOTE E--CONTRACT WITH INSURANCE COMPANY

The Plan holds an insurance contract with the Standard Insurance Company. Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The insurance contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value, considered fair value, of the insurance contract at June 30, 2024 and 2023 was \$570,227 and \$502,490, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1.0%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Standard. Such events include the following: (a) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The insurance contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

	<u>2024</u>	<u>2023</u>
Average yields:		
Based on actual earnings	2.84%	2.49%
Based on interest rate credited to participants	2.94%	2.51%

NOTE F--PLAN STATUS

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. At the time of Plan termination, participants will become 100% vested in their accounts.

NOTE G--TAX STATUS

The Plan is qualified under the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the Plan's net investment income is exempt from income taxes. The Plan operates under the Prototype Plan of its custodian. A determination letter has been obtained for the Prototype Plan. The Plan sponsor believes that the Plan as designed and currently being operated is in compliance with the applicable requirements of the IRC and continues to be tax exempt.

SUNBEAM FAMILY SERVICES, INC.
403(b) THRIFT PLAN

June 30, 2024

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan has concluded that, as of June 30, 2024, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently, no audits for any tax periods are in progress. The Plan is subject to income tax examinations for plan years ended June 30, 2022 through 2024.

NOTE H--TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan invests in mutual funds and an insurance contract sponsored by the Plan's custodian. These transactions qualify as party-in-interest transactions. Administrative fees related to the administration of the Plan are paid by the Plan.

Forfeitures of \$9,868 and \$36,376 were used to pay employer contributions related to the Plan in 2024 and 2023, respectively. Other administrative expenses, including the audit fee, were paid by the Organization. The Organization has the option, but not the obligation, to pay any of the Plan's administrative expenses. In addition, certain administrative functions are performed by officers or employees of the Organization for which the officer or employee receives no compensation from the Plan nor is the Plan charged by the Organization for these services.

NOTE J--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE K--SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 9, 2025, the date which the financial statements were available to be issued.
