Report of Independent Auditors

The International Benefits Committee
Baker & McKenzie (Illinois) Profit Sharing Plan II

Opinion

We have audited the financial statements of Baker & McKenzie (Illinois) Profit Sharing Plan II (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at June 30, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

**Shape the future
with confidence**

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**Shape the future
with confidence**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2024 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements

June 30, 2024

1. Description of the Plan

The following description of Baker & McKenzie (Illinois) Profit Sharing Plan II (the Plan) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering the following employees of Baker & McKenzie LLP (the Firm) and affiliated employers electing to participate in the Plan: all principals, qualified non-principals (any non-principal attorney who has been admitted to practice law in any jurisdiction for 12 or more years), senior staff (staff who earned more than \$330,000 and \$305,000 in plan years 2024 and 2023, respectively), staff with annual compensation less than \$330,000 and \$305,000 in plan years 2024 and 2023, respectively, and those whose last names begin with the letters A through L, and, in each case, not employed in the Firm's New York office. Employees must have completed one year of service and must also be U.S. citizens or permanent residents or have an H1-B, E-2 or E-3 visa or an Employment Authorization Document obtained in connection with an application to adjust to permanent resident status. Employees with a TN or NAFTA visa are eligible to participate in the Plan. Generally, employees (other than principals) must be employed by a U.S. office, other than the New York office, to be eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Effective June 29, 2023, the Plan was amended to allow employees who are Deferred Action for Childhood Arrivals (DACA) program recipients, with a valid Employment Authorization Document, to participate in the Plan.

Contributions

Profit-sharing contributions under the Plan are mandatory for principals who are U.S. citizens or principals who have permanent resident status in the U.S. For principals, senior staff and qualified non-principals, profit-sharing contributions are based on annual compensation in excess of \$330,000 and \$305,000 in plan years 2024 and 2023, respectively. For all other participants in the Plan, the profit-sharing contribution is based on annual compensation. Unless otherwise determined by the Firm, such profit-sharing contributions shall equal 5% of each participant's applicable participation or compensation, up to a maximum of \$16,500 and \$15,250 in plan years 2024 and 2023, respectively.

Upon enrollment, participants may direct the Firm's contributions to various fund options, including a self-directed brokerage account.

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with allocations of (a) the Firm's profit-sharing contribution and (b) the participant's investment funds' earnings or losses and (c) is charged with an allocation of administrative expenses. Allocations of the Firm's profit-sharing contribution are based on the participant's participation or compensation. Plan earnings or losses are allocated based on the participant's share of net earnings or losses of his or her respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. An investment fund includes a participant's self-directed brokerage account.

Forfeitures

Unallocated forfeitures totaled \$177,742 and \$150,929 at June 30, 2024 and 2023, respectively, which were used to reduce the Firm's 2024 and 2023 profit-sharing contributions, respectively, funded after the Plan's year-end.

Vesting

Vesting in the Firm's profit-sharing contributions is as follows:

Years of Service	Percentage Vested
Less than 2	—%
2	20
3	40
4	60
5	80
6 or more	100

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Loans

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 reduced by the highest aggregate loan balance in the past 12 months or 50% of their vested account balance. Loan terms range from 1 month to 60 months. Participants can have no more than two loans outstanding at any point in time, and the second loan cannot be received within one year of when the first loan was received. The loans are secured by the balance of the respective participants' accounts and bear interest at a rate commensurate with local prevailing rates. If a participant ceases to make loan repayments and the Plan's administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

On termination of service, participants may receive a lump-sum amount equal to the vested value of their account or, if fully vested, may receive annual installments over a period no more than the lesser of ten years or the maximum period that will satisfy the minimum distribution benefit requirements, as applicable.

Plan Transfers

In addition to the Plan, the Firm also sponsors defined contribution plans for its New York office employees. If employees transfer to or from the New York office, their account balances are transferred into the applicable plan.

Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

Administrative Expenses

All administrative expenses are paid by the Plan. The total expense ratio for each fund includes a charge of 7 basis points used for payment of eligible plan expenses.

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements (continued)

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2024 or 2023.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements (continued)

3. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable, either directly or indirectly, for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management’s own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measurement in its entirety.

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements (continued)

3. Fair Value Measurements (continued)

The following is a description of the valuation techniques and inputs used for each general type of asset measured at fair value by the Plan:

Mutual funds: Shares of mutual funds are valued based on quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.

Self-directed brokerage accounts: Accounts primarily consist of equities and mutual funds. Equities are valued at the closing price reported in the active market in which the individual securities are traded. Mutual funds are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end.

Common collective trust funds: Valued at the NAV provided by the administrator of the fund.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value:

Assets at Fair Value as of June 30, 2024				
	Level 1	Level 2	Level 3	Total
Common collective trust funds	\$ 68,914,933	\$ –	\$ –	\$ 68,914,933

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements (continued)

4. Tax Status

The Plan has received a determination letter from the Internal Revenue Service (the IRS) dated March 12, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended and restated, is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

6. Related-Party and Party-in-Interest Transactions

The Plan holds units of common collective trust funds and shares of mutual funds managed by Frank Russell Trust Company, the trustee for the Plan, and held by Charles Schwab and State Street Bank and Trust Company, the custodians for the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Baker & McKenzie (Illinois) Profit Sharing Plan II

Notes to Financial Statements (continued)

7. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2024 and 2023, to the Form 5500:

	June 30	
	2024	2023
Net assets available for benefits per the financial statements	\$ 105,594,801	\$ 94,012,206
Less: Amounts allocated to withdrawing participants	(617,831)	—
Net assets available for benefits per the Form 5500	<u>\$ 104,976,970</u>	<u>\$ 94,012,206</u>

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended June 30, 2024, to the Form 5500:

Benefits paid to participants per the financial statements	\$ 7,948,508
Add: Amounts allocated to withdrawing participants at June 30, 2024	<u>617,831</u>
Benefits paid to participants per the Form 5500	<u>\$ 8,566,339</u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit payments that have been processed and approved for payment prior to year-end but not paid as of that date.

8. Subsequent Events

Management evaluated subsequent events for the Plan through April 10, 2025, the date the accompanying financial statements were available to be issued.

Effective January 1, 2025, Charles Schwab Trust Company replaced Frank Russell Trust Company as the trustee for the Plan.

The Baker & McKenzie (New York) Profit Sharing Plan II (the New York Plan II) will be merged with the Plan at the end of the 2024 plan year. All participant accounts will transfer from the New York Plan II to the Plan, so that effective as of July 1, 2025, all former participants of the New York Plan II will be covered under the Plan.
