SOUTHERN CALIFORNIA IBEW-NECA HEALTH TRUST FUND

FINANCIAL STATEMENTS

JUNE 30, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Southern California IBEW-NECA
Health Trust Fund
100 Corson Street, Suite 200
Pasadena, California 91103

Members of the Board:

Opinion

We have audited the accompanying financial statements of Southern California IBEW-NECA Health Trust Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SOUTHERN CALIFORNIA IBEW-NECA HEALTH TRUST FUND

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The Southern California IBEW-NECA Health Trust Fund (the "Trust Fund" or "Plan") is a multi-employer health benefit plan created in 1965 for the purpose of providing life insurance, hospital, medical, dental, vision, prescription drug and death benefits to eligible employees (and their dependents) employed by participating employers who are signatory to a collective bargaining agreement between Local 11 of the International Brotherhood of Electrical Workers (IBEW) and the Los Angeles County Chapter of National Electrical Contractors Association (NECA). The Trust Fund provides certain retiree medical benefit coverage for certain eligible retirees.

The Trust Fund provides eligible employees and their dependents with hospital, medical and surgical benefits under PPO and full service health plans. Full service plan benefits are provided through Kaiser Foundation Health Plan, Inc., United HealthCare and PPO benefits are provided through Anthem Blue Cross. Effective January 1, 2024, Blue Cross was replaced by Blue Shield. Life Insurance coverage is provided through a contract with Anthem Life/The Standard. Anthem BlueCross. Mental Assistance Program (MAP) benefits are provided through Optum.

Prescription drug benefits were provided through medical premium providers, effective January 2022, under the contract pharmacy plan base. Vision benefits are provided through Vision Service Plan for eligible employees and dependents covered through Anthem BlueCross and United HealthCare. Vision care is included in the benefits provided through Kaiser Foundation Health Plan, Inc. DHMO dental benefits are available through Delta Dental and United Concordia on a prepaid plan basis; PPO dental benefits are also available through United Concordia. There is also a self-funded death benefit for eligible retirees.

The Agreement and Declaration of Trust creating the Trust Fund provides that it will be administered by four representatives from NECA, four representatives from IBEW and one additional employer and union representative from each additional labor jurisdiction that becomes signatory to the Trust.

The Board of Trustees is the plan administrator, plan sponsor and the named fiduciary. The Trustees establish (and amend from time to time) the Trust and plan operating and eligibility rules and plan benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

PARTICIPANTS SHOULD REFER TO THE SUMMARY PLAN DESCRIPTION (SPD) AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Trust Fund are recorded on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

SOUTHERN CALIFORNIA IBEW-NECA HEALTH TRUST FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for months worked during the year. Employer contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

An active participant who loses coverage because of certain events may elect to continue health care coverage for a temporary period under the Consolidated Omnibus Budget Reconciliation Act (COBRA). A participant must make self-payments to continue his or her coverage under COBRA.

Retired participants covered under the Plan must make monthly self-payments or through deductions from their pension benefits. The amount of the self-payment is determined by the Board of Trustees.

Employer contributions are made by employers in accordance with the collective bargaining and participation agreements at a fixed rate per hour or per month.

The Plan allows for continuation of coverage for eligible active and retired participants as required under COBRA. Rates for COBRA continuation coverage include the benefit cost plus two percent (2%) for administration costs.

Effective September 1, 2023, SUB Plan contributions are diverted to the Trust Fund.

D. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' payroll records by the Trust Fund's internal payroll compliance department.

E. Investment Valuation and Income Recognition

1. Investment Income and Expenses

Investment income (loss), realized gains and losses on sales of investments, and other investment income and expenses are reported on the accrual basis.

2. Realized and Unrealized Gains and Losses

Realized and unrealized gains and losses reported in the financial statements are computed using investments' cost. Realized and unrealized gains and losses reported on Form 5500 are computed using investments' market values as of the last day of the preceding fiscal year. Realized and unrealized gains and losses for investments purchased during the year are the same using both methods.

3. Investment Valuation

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

3. Investment Valuation (Continued)

Level 1 – Inputs are quoted prices for identical instruments in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	As of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 61,285,681	\$ -	\$ -	\$ 61,285,681

				<u>\$ 112,909,930</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

				<u>\$ 105,201,959</u>

Level 1 investments consist of mutual funds that are actively traded on a national exchange. Level 2 investments consist of a short term investment fund that is recorded at amortized cost, which approximates fair value.

3. Investment Valuation (Continued)

The unfunded commitments and significant terms of redemption for the Plan's investment valued at net asset value is as follows:

	<u>\$ 48,981,916</u>	<u>\$ 45,946,308</u>			

F. Eligibility

Active participants will be eligible for benefits under the Plan the first day of the third month following receipt of 115 hours of contributions through December 31, 2023 and 120 hours effective January 1, 2024 at the rate established by the IBEW Local 11 and LA NECA Inside Wiremen's ("IW") Agreement within four consecutive months. The only exception is Sound 45%-50% and those now participating under the Alternate KP Plan (Maintenance, MH and Res) who achieve eligibility to the exclusive KP Alternate Plan prorating against the Sound 45%-50% rather than IW.

G. Benefits

Benefits are reported on the cash basis. The obligation for "Amounts Currently Payable to or on Behalf of Participants, Beneficiaries and Dependents" on the statements of benefit obligations represents an estimate, as of the end of the year, of the future benefit costs to be incurred based on participants' accumulated eligibility credits. The insurance premiums portion is estimated based on the total premiums paid to each provider during the year, adjusted for premium changes. The indemnity claims obligation estimate is based upon the claims paid during the year on behalf of active participants.

H. Tax-Exempt Status

No provision for federal or state income tax is made. The Trust Fund has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9) and the state of California under Revenue and Taxation Code Section 23701i.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

I. Administrative Expenses

The Southern California IBEW-NECA Administrative Corporation ("Admin Corp.") was created by the Southern California IBEW-NECA Trust Funds on June 30, 2003 to provide general administrative services. The primary purpose of the Admin Corp. is to pay the common administrative expenses of the IBEW-NECA Trust Funds. The IBEW-NECA Trust Funds reimburse the Admin Corp. using expense allocations approved by the Board of Trustees. The allocation methods used are specific identification, Admin Corp. employees' time worked per fund analysis, management estimates, and contribution rates. Total common administrative expenses allocated to the Plan were \$3,745,057 and \$3,642,400 for the years ended June 30, 2024 and 2023, respectively. The Admin Corp. owed the Plan \$236,265 for the year ended June 30, 2024. The Plan owed Admin Corp. \$1,794,942 for the year ended June 30, 2023.

The Plan allocates administrative expenses, net investment income (loss) and other income between actives and retirees based upon total contributions earned during the year.

J. Postretirement Benefits

In accordance with the Summary Plan Description, retired participants of the Plan have the option of participating in the Retiree Health Plan upon meeting certain eligibility requirements. Under the provisions of this option, continuing eligibility for benefits after retirement is provided by the Plan subject to certain retiree self-pay contributions.

This early retirement option results in an obligation of the Plan to provide benefits on behalf of participants who have exercised this option. Resources to fund these benefits are available to the extent that contribution receipts specifically paid for the purpose of providing retiree benefits (currently \$1.28 per covered hour) are available from Plan assets at the time the benefit is claimed. There is no vested right to receive plan benefits. The Trustees reserve the right to change, modify or terminate retiree benefits, in whole or in part, at any time.

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered through June 30, 2024 and 2023. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers. Before an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the plan rendered to valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money through discounts for interest and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions and methods used for the year ended June 30, 2024 (2023, if changed are in [brackets]) were: (a) Discount Rate: 5.25% [5.00%] per annum, (b) Mortality: Scale MP-2021 generational projection of the Pri-2012 Blue Collar table, while

J. Postretirement Benefits (Continued)

disabled mortality is from the static Pri-2012 Disabled table, (c) 70% of participants assumed to be married with spouses 3 years younger, and (e) other assumptions and methods of retirement rates, mix of type of retiree coverage, trend rates and per capita cost assumptions.

The health care cost-trend rate assumption has a significant effect on the postretirement benefit obligation. A 1% increase in the health care cost trend would increase the net postretirement benefit obligation as of June 30, 2024 and 2023 by \$61,385,300 and \$61,939,600, respectively.

The actuarial assumption changes noted below resulted in changes in valuation amounts:

The \$11.4 million liability decrease for the Plan was due to raising the discount rate from 5.00% to 5.25%, with a small component from updating the medical provider selection rates of future retirees.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

Benefits under the Southern California IBEW-NECA Retiree Health Plan are partially financed through employer contributions that are specifically designated to provide health benefits to retired employees. There is no vested right to receive plan benefits. The Trustees may change, modify, reduce or terminate the Plan of benefits at any time as a result of conditions or events requiring such action.

K. Risks and Uncertainties

The actuarial present value of postretirement benefit obligations is calculated based on certain assumptions pertaining to interest rates, participant demographics and other assumptions which are subject to change. Due to the uncertainty of the assumption process it is at least reasonably possible that changes in these assumptions in the near term would be material to the financial statements.

The Plan invests in investments which are exposed to various risks such as interest rate, market fluctuations and credit risk. Due to the level of risk associated with investments and the level of uncertainty with respect to changes in value of investments, it is at least reasonably possible that changes in risk in the near term would materially affect the amounts reported in the financial statements.

NOTE 3 - CONTINUATION OF BENEFITS (BANK HOURS PROVISION)

The plan of benefits requires 115 hours through December 31, 2023 and 120 hours effective January 1, 2024, of covered employment for regular benefit eligibility. Any hours worked in excess of the required hours per month are accumulated in an Hours Bank Reserve subject to a maximum accumulation of 690 hours through December 31, 2023 and 720 hours effective January 1, 2024. Based upon a 120 hours per month eligibility requirement, a maximum accumulation of 720 bank hours would provide six months of continuous benefit eligibility.

NOTE 3 - CONTINUATION OF BENEFITS (BANK HOURS PROVISION) (Continued)

There are additional agreements requiring contributions to the Plan. All hours worked and reported after January 1, 2011 are prorated based on the difference in their health contribution rate to the base Inside Wireman Agreement contribution rate without Retiree Health Plan participation. The maximum bank hour accumulation is 720 bank hours.

The continuation of benefits under the bank hours provision is available to participants where current employment is less than the 120 hours per month required for regular benefit eligibility. The actual liability for continuation of benefits under this provision is for any month in which current employment is not sufficient to provide regular benefit eligibility.

Bank hours shall terminate for working participants including owners or corporate officers who, forty-five days from the receipt of a Notice of Delinquency from the Plan, remain delinquent in their contributions to the Plan. In the event that a participant continues to be employed by a non-contributing employer, his or her bank hours and future coverage shall be eliminated.

The maximum liability for benefit continuation based on bank hours accumulated to June 30, 2024 and 2023 amounted to \$42,507,821 and \$44,782,967, respectively. The bank hour provision is calculated from the participants' banked eligibility using estimated claim rates and current premium rates.
