INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
AVANCE, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of AVANCE, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AVANCE, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AVANCE, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AVANCE, Inc. 403(b) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AVANCE, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AVANCE, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year then ended June 30, 2024 and of assets (held at end of year) as of June 30, 2024, (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
June 30, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of AVANCE, Inc. 403(b) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document and related adoption agreement for a complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by AVANCE, Inc. (the "Employer" or "Plan Sponsor"), and qualified under Section 403(b) of the Internal Revenue Code (IRC), was established effective January 1, 1995 and restated effective July 1, 2021. The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code ("IRC"). In addition, the financial statements have been prepared in compliance with accounting principles generally accepted in the United States of America (U.S. GAAP) and with ERISA.

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, related to participant loans and distributions. The Plan Sponsor has until December 31, 2026, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first Plan year beginning on or after January 1, 2026, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Plan Sponsor is responsible for the administration and operation of the Plan. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the "Custodian" or "Principal") serves as the Plan's asset custodian and is responsible for the custody and management of the Plan's assets. An affiliate of the Custodian maintains participant accounts and transactions related to participant initiated activity.

Eligibility

Employees of the Employer are eligible to participate in the Plan immediately for the purpose of making elective salary deferral contributions. Employees become eligible for Employer matching contributions upon attaining age 21 and having worked at least 1,000 hours in a specified 12-month period, as defined by the plan document.

Notes to Financial Statements
June 30, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Participant contributions

Eligible participants are automatically enrolled in the Plan at a contribution rate of 3% of pre-tax compensation, as defined, each payroll period. The automatic deferral amount is increased by 1% per year as of each October 1st up to a maximum of 5% of a participant's compensation, as defined. Participants are allowed to contribute up to 100% of their eligible pre-tax or after-tax (as Roth contributions) compensation, as defined in the plan documents, up to the annual contribution limit as defined in the IRC. Plan participants who have attained age 50 or older before the end of a calendar year are allowed to make additional contributions called "catch-up contributions" to the Plan, up to the annual contribution limit as defined in the IRC.

Participants are also allowed to make rollover contributions of amounts received from other tax qualified employer-sponsored retirement plans and individual retirement accounts. All contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer contributions

The Employer may make discretionary matching contributions equal to a percentage of the participant's elective salary deferral contributions to the Plan. In the year ending June 30, 2024, the Employer matched 40% up to 5% of each participant's eligible compensation as defined.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, contributions from the Employer, if any, and Plan earnings, and charged with Plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contributions allocated to their accounts, plus actual earnings thereon.

The vesting schedule for Employer contributions is as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0 %
1	25 %
2	50 %
3	75 %
4	100 %

AVANCE, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants (or "participant loans") terms are generally five years or less but may exceed five years if the purpose of the loan is to purchase a principal residence where the period can be extended up to twenty five years. Participant loans are secured by the balance in the participant's account and accrue interest at a rate commensurate with local prevailing lending rates upon origination. Principal and interest is generally paid ratably through payroll deductions. Participant loans outstanding at June 30, 2024, bear interest at rates ranging from 4.25% to 9.50% and mature at various dates through July 2047.

Payment of benefits

Distributions and withdrawals are payable to participants upon termination, attainment of age 59 1/2, financial hardship, disability, death, or retirement, a participant may elect to receive a lump-sum distribution or installment payments under various options equal to the value of the participant's vested interest of his or her account. If a terminated participant's total vested interest is \$5,000 or less, but greater than \$1,000, the Plan Sponsor may distribute the account by rolling the amount into an Individual Retirement Account for the benefit of the participant. If a terminated participant's total vested interest is \$1,000 or less, the Plan Sponsor may distribute the account to the participant in a lump sum payment. If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, installment payments, a direct rollover into another qualified plan or to postpone payment to a later date and remain in the Plan as described in the plan document.

In addition to the foregoing, hardship distributions may be made from the Participant's elective deferrals to satisfy immediate and heavy financial need that a participant may have related to medical, tuition or funeral expenses of a primary beneficiary.

Forfeitures

Forfeitures of terminated participants' non-vested account balances may be used to reduce Employer contributions, to pay Plan expenses, or may be allocated to the participants' accounts. During 2024, \$9,980 of forfeitures were used to reduce Employer contributions, and \$577 of forfeitures were used to reduce administrative expenses. Unallocated forfeitures totaled \$0 and \$10,014 as of June 30, 2024 and 2023, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

AVANCE, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and disclosures. Actual results may differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 4). Contract value represents contributions made under a contract, plus interest, less participant withdrawals, and administrative expenses (Notes 3 and 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on sale on investments bought and sold as well as held during the year.

Notes receivable from participants

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. If a participant ceases to make loan repayments and the participant loan is determined to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of June 30, 2024 and 2023.

AVANCE, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Employer, which is the pay date. Employer contributions are recorded in the year earned to coincide with the year in which the Employer records the contributions in its general ledger. The Plan records receivables for contributions based upon contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Rollover contributions from participants are recorded based on the date the rollover contribution is received by the Custodian.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain administrative expenses of the Plan, including record-keeping and audit fees, were paid directly by the Employer for the year ended June 30, 2024. The Plan is not required to reimburse the Employer for such expenses paid by the Employer on its behalf. Investment fees, which may vary according to the individual investment options selected, are paid out of the assets of the Plan. Investment fees are deducted directly from investment fund balances and do not impact administrative expenses (Note 6).

Subsequent events

The Plan has evaluated subsequent events through April 8, 2025, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.

3. GUARANTEED INTEREST ACCOUNT

The Plan maintains a guaranteed interest account, ("account" or "contract") issued by Principal Life Insurance Company (the "account issuer" or "issuer"). The account is credited with contributions and with interest and charged for participant withdrawals and administrative expenses. The account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan and participants. The account does not permit the issuer to terminate the agreement prior to the scheduled maturity date.

AVANCE, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023

3. GUARANTEED INTEREST ACCOUNT (continued)

This account meets the fully benefit-responsive investment contract criteria and therefore is reported in the Plan's financial statements at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the account at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, early withdrawal from the account, and premature termination of the account. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the issuer and that also would limit the ability of the Plan to transact at contract value with the participants. As of June 30, 2024, the crediting rate was 5.15%.

Investments valued at contract value are not classified within the fair value hierarchy under U.S. GAAP (Note 4).

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are as follows:

- *Level 1* - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access at the measurement date.
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- *Level 3* - inputs are unobservable inputs for the assets or liabilities and significant to the fair value measurement.

AVANCE, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023

4. FAIR VALUE MEASUREMENTS (continued)

Transfers between levels within the fair value hierarchy are recognized when there is a change in the investments within a level or a change in inputs used to value those investments. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported on the open market. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to have a readily-determinable fair value and are classified within level 1 of the fair value hierarchy.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	\$ 12,765,989	\$ -	\$ -	\$ 12,765,989

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	\$ 10,539,548	\$ -	\$ -	\$ 10,539,548

5. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodian, determined to be a qualified institution by the Plan administrator, has certified to the completeness and accuracy of:

AVANCE, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023

5. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)
(continued)

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits and schedule of assets as of June 30, 2024 and 2023.
- Investment income, and interest on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2024.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of June 30, 2024, ("supplemental schedule").

Accordingly, as requested by the Plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the Plan's financial statements and supplemental schedule.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to a related party as defined under U.S. GAAP except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

The Employer pays certain fees and expenses on behalf of the Plan. These transactions qualify as party-in-interest transactions. The Plan is not required to repay expenses paid by the Employer on its behalf.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management and shareholder services are paid through fund level revenue sharing arrangements. These fees reduce fund earnings, thereby impacting Plan revenue applied to participants' accounts.

The Custodian retains as compensation for services provided to the Plan, any interest on amounts earned while certain Plan transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

The Plan Sponsor uses Pensionmark Financial as its investment advisor on behalf of the Plan. The fees for these services are paid directly from the Plan. These transactions qualify as exempt party-in-interest transactions. Certain Plan investments are owned and managed by the Custodian; therefore, these investment transactions qualify as exempt party-in-interest transactions.

AVANCE, Inc. 403(b) Plan
Notes to Financial Statements
June 30, 2024 and 2023

7. TAX STATUS

The Plan adopted a prototype non-standardized basic 403(b) plan by Principal Financial Group, an affiliate of the Custodian, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017, in which the IRS states that the prototype Plan is appropriate for use by employers for the benefit of their employees. The Plan Sponsor believes that the Plan, as amended, and related trust are currently designed and operating in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the full value of each participant's account shall become fully vested and non-forfeitable.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at June 30:

	2024	2023
Net assets available for benefits per the financial statements	\$ 13,889,527	\$ 11,493,222
Add: adjustments to investments at fair value	65	42
