Board of Directors

United Community Independence Programs, Inc. Group Medical Plan

Opinion

We have audited the accompanying financial statements of United Community Independence Programs, Inc. Group Medical Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of June 30, 2024 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), the statement of net assets available for benefits as of June 30, 2023 (ongoing), and the related statement of changes in net assets available for benefits for the year then ended (ongoing), and the statements of benefit obligations, and changes therein (in liquidation, as of, and for the year ending June 30, 2024; ongoing as of, and for the year ending, June 30, 2023), and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2024 (in liquidation) and 2023 (ongoing), the changes in its net assets available for benefits for the year then ended June 30, 2024 (in liquidation) and 2023 (ongoing), and the statements of benefit obligations, and changes therein (in liquidation as of, and for the year ending June 30, 2024; ongoing as of, and for the year ending, June 30, 2023), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis-of-Matter

As discussed in Note 9 to the financial statements, the governing body of United Community Independence Programs, Inc. approved a plan to terminate the plan effective June 30, 2024 in February 2024, and management determined liquidation is imminent as of February 2024. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing

an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2024 (IN LIQUIDATION) AND 2023 (ONGOING)

1. Description of Plan

The following description of the United Community Independence Programs, Inc. (UCIP) Group Medical Plan (Plan) provides only general information. UCIP is the Plan sponsor. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions. As discussed further in Note 9, the governing body of the plan approved plan termination effective June 30, 2024 in February 2024. Final settlement of all plan obligations occurred subsequent to the plan year end in February 28, 2025.

As of July 1, 2024, all benefits previously offered under this Plan will be offered under the UCIP Individual Coverage Health Reimbursement Arrangement (ICHRA) Plan.

General

The Plan provided health benefits for the exclusive benefit of its full-time employees and eligible dependents. Plan assets are held in a health benefit trust. The Plan and related trust were established June 1, 2021. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended.

Consortium

The Plan was a member of Veris Benefits Consortium, LLC (Consortium). The Consortium is designed to provide cost effective employee benefit programs for members, and is a self-funded group-purchasing consortium that offers health coverage for its members. Coverage programs are developed specific to each member's healthcare needs and the related premiums for coverage are determined through the application of uniform underwriting criteria. Variable plan options are available to members. These plans vary primarily by deductibles, coinsurance levels, office visit co-pays, and out-of-pocket maximums.

The Consortium is a self-insured program with stop loss and aggregate reimbursement arrangements in place to limit the liability of its members. The premium charged and collected from each of the members is fully funded.

The members pay fees that are based on the number of employees enrolled monthly. These fees are charged to cover professional fees and other administrative expenses.

Members sign an agreement, which provides that each member agrees to pay all funding rates associated with the coverage it selects; as such, funding rates are set and billed to the members by various carriers, and premiums are billed and paid on a monthly basis. The assigned funding rates consist of administrative fees, stop loss and aggregate premium expense, expected claim costs, and reserves.

The Consortium has an agreement with Benecon Group, Inc. to provide actuarial, financial, compliance, patient advocacy, and claims management services.

Consortium members have an obligation to reimburse for all paid claims (less than the specific stop loss) up to a cumulative maximum liability limit (aggregate). The obligation to reimburse for any excess over the cumulative maximum liability limit is only to the extent that in any month there is a positive difference (monthly surplus) between cumulative paid claims and the cumulative maximum liability limit (aggregate). There is no obligation to pay any excess to the aggregate (cumulative monthly liability limit) other than through this funding arrangement. Monthly timing of paid claims may be such that a Consortium member may need to advance a payment that exceeds cumulative claims funds deposited to date until an aggregate claim reimbursement is received.

Benefits

The Plan provided health benefits (medical, dental, and vision benefits) to full-time participants (with at least 30 hours per week and only after they have been employed by UCIP for 60 days) and to their beneficiaries and covered dependents.

Contributions

The Plan was funded by contributions by UCIP from its own Plan sponsor contributions as needed to fund the Plan, as determined monthly by the Consortium based upon the number of employees, the applicable tier (i.e. single or family), and contract rate. The Plan Sponsor pays the full cost of the stop loss insurance. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsor, as required by the Consortium.

Self-Insured Benefits

The medical, dental, and vision benefits were self-insured by UCIP via its participation in the Consortium. The claims for these self-insured benefits are processed by the Plan's third-

party administrators under administrative services only (ASO) arrangements. The third-party administrators pay claims directly to or on behalf of participants. The payment for these claims are paid from the Plan's trust, which is funded by the general assets of UCIP. Despite the Plan's utilization of third-party administrators for claims processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement with Everest Reinsurance Company in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount), as well as its aggregate exposure for all claims. The Plan's stop-loss coverage amount was \$80,000 per individual for plan year ended June 30, 2024 and June 30, 2023, and provided Plan coverage up to a maximum of \$1,000,000.

2. Summary of Significant Accounting Policies

Basis of Accounting

Due to the intention of terminating the Plan effective June 30, 2024, as discussed in Note 9, the Plan adopted the liquidation basis of accounting as liquidation and dissolution of the Plan was imminent. Therefore, the financial statements as of and for the year ended June 30, 2024 have been prepared on the liquidation basis. For the year ended June 30, 2023, the accompanying financial statements have been prepared on the ongoing, accrual basis in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Payments made by the health benefit trust or Plan sponsor to fund the Plan are recorded as employer contributions in the accompanying statement of changes in net assets available

GROUP MEDICAL PLAN

for benefits. Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. There were no amounts due to the claims administrator at June 30, 2024, and instead amounts were due from the claims administrator of \$34,047. Payments due to the claims administrator at June 30, 2023 were \$83,373.

Claims Incurred but Not Reported

Plan obligations at June 30 for claims incurred but not reported (IBNR) are estimated primarily by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Postemployment Benefit Obligations

For both periods presented, no benefit obligations related to retirees, as retirees are not covered by the Plan and any benefit obligations related to COBRA benefits were de minimis.

Stop Loss

Premiums for stop loss insurance are included in the accompanying statement of changes in net assets available for benefits. Stop loss reimbursements of \$49,475 and \$41,572 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the plan periods ended June 30, 2024 and 2023, respectively.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

3. Fair Value Measurement

The Plan has adopted a framework for measuring fair value under current accounting pronouncements that require fair value measurements and enhanced disclosures about fair value measurements.

UNITED COMMUNITY INDEPENDENCE PROGRAMS, INC.

GROUP MEDICAL PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2024 (IN LIQUIDATION) AND 2023 (ONGOING)

This framework defines fair value as the exchange price that would be received for an asset or paid to transfer liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction. Disclosures include a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The inputs or methodologies used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The three levels of inputs that may be used to measure fair value are as follows:

Level 1 - Inputs to the valuation methodology are observable inputs such as quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets and inputs other than quoted prices in active markets, that are observable for the asset or liability, either directly or indirectly, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable in which there is little or no market data for that asset or liability, and which require the reporting entity to develop its own estimates and assumptions relating to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at June 30, 2024 and 2023. Following is a description of the valuation methodology used for assets measured at fair value:

The Health Benefit Trust is held in a commercial performance checking account and is not eligible to be measured in the fair value hierarchy.

UNITED COMMUNITY INDEPENDENCE PROGRAMS, INC.

GROUP MEDICAL PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2024 (IN LIQUIDATION) AND 2023 (ONGOING)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party administrator, Benecon Group, Inc., for Plan services. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Certain administrative expenses are paid by the Plan sponsor and are excluded from these financial statements (see Note 6).

5. Tax Status

The health benefit trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. In addition, the Plan and the trust are required to operate in conformity with the Internal Revenue Code to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

6. Related Party Transactions

Certain administrative functions of the Plan are performed by officers or employees of the Plan sponsor. No officer or employee receives compensation from the Plan and certain other expenses related to the Plan are absorbed by the Plan sponsor and not passed on to the Plan nor reflected in the Plan's financial statements. As described in Note 1, the Plan has arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

7. Risks and Uncertainties

The Plan invests in a money market fund. Money market funds are exposed to various risks such as interest rate, market, and credit risks. Due to the minimal level of risk associated with money market funds, it is unlikely, but remotely possible, that changes in the values of the money market fund could occur in the near-term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The incurred but not reported claims is reported based on actuarial estimates, which are subject to change. Due to uncertainties inherent in the estimations process, it is at least reasonably possible that changes in these estimates in the near-term would be material to the financial statements. See further discussion of claims activity through June 30, 2024 (plan termination) at Note 9.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 for the years ended June 30:

	2024	2023
Net assets available for benefits per the financial statements	\$ 349,111	\$ 18,734
Less:		
Benefit obligations currently payable	-	(555,052)
Accrued interest expected to be earned in liquidation	(4,597)	-
Accrued settlement receivable from liquidation	(96,132)	-
Net assets available for benefits per the Form 5500	\$ 248,382	\$ (536,318)

Claims that have been processed and approved for payment at year-end, but not paid, and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements but are recorded on the Form 5500 as a liability. The liquidation accounting entries were also not considered for Form 5500 reporting; this activity will be addressed in the final Form 5500 to be filed for the period beginning July 1, 2024 through plan final dissolution.

The following is a reconciliation of the claims paid per the financial statements to the Form 5500:

	Year Ended June 30, 2024	Year Ended June 30, 2023
Claims paid per the financial statements	\$ 1,871,619	\$ 1,661,362
Plus:

9. Termination of the Plan

In February 2024, the governing body of the Plan approved plan liquidation effective June 30, 2024, and management determined liquidation was imminent as of the liquidation decision of February 2024. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. As of February 28, 2025, the Plan Sponsor had settled all obligations, net of an immaterial amount of termination related administrative expenses, and had funds of \$349,111 returned to them without any further Plan sponsor payments made into the Plan subsequent to June 30, 2024. The Plan intends on filing a final Form 5500 for the period July 1, 2024 through final liquidation.
