Independent Auditor's Report

To the Trustees of
CODAC, Inc. Retirement Plan

Opinion

We have audited the accompanying financial statements of CODAC, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of CODAC, Inc. Retirement Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CODAC, Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about CODAC, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Mullen Scorpio Cerilli

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CODAC, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about CODAC, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

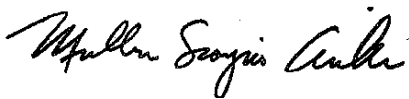

Mullen Scorpio Cerilli

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2024 and 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CODAC, INC. RETIREMENT PLAN

Notes to Financial Statements

June 30, 2024 and 2023

Note 1 - Description of the Plan

The following brief description of the CODAC, Inc. Retirement Plan (the Plan) is provided for information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution retirement plan covering substantially all employees of CODAC, Inc. (the Company). Employees become eligible for participation in the Plan after the completion of one year, which must include a minimum of 1,000 hours of eligible service. They must also be at least 21 years of age and employed on the last day of the Plan year in order to be eligible to receive the employer contribution. In subsequent years employees must complete annually a minimum of 1,000 hours of eligible service and be employed on the last day of the Plan year in order to be eligible for the employer contribution. The employer has the right to terminate the Plan at any time. Upon termination, all amounts credited to participant accounts will become or continue to be 100% vested.

Plan Contributions

Plan contributions consist of a discretionary contribution by the employer, in accordance with the provisions of the Plan document and within limits prescribed by law.

Participant Accounts

Each participant's account is credited with a) the individual participant's proportionate share of the employer contribution and b) an allocation of the Plan's earnings and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Retirement Benefits

Under the terms of the Plan, participants are entitled to withdraw funds from their accounts upon retirement age, death, or upon termination from employment.

Note 1 continued on the next page.

Note 1 - Description of the Plan (continued)

Forfeitures

Forfeitures are returned to the Plan's sponsor and may be used to offset or increase the employer contribution or Plan expenses.

Vesting

Under the terms of the Plan, the Company's discretionary contributions shall be 100% nonforfeitable according to the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
▪ Less than two years	0%
▪ Two years but less than three years	20%
▪ Three years but less than four years	40%
▪ Four years but less than five years	60%
▪ Five years but less than six years	80%
▪ Six years or more	100%

Note 2 - Summary of Significant Accounting Policies

Method of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Funding Policy

The Company's discretionary contribution to the Plan is made on an annual basis. Forfeitures of non-vested accounts are used to reduce the employer contribution or Plan expenses.

Investment Valuation and Income Recognition

Investments are valued at the quoted market prices for mutual funds, and at contract values for insurance contracts. Investments are managed by The Capital Group Fiduciary Advisors, LLC, which has been given discretion regarding investing activity. Investments are held by Charles Schwab & Co., Inc., and include interest-bearing cash, exchange-traded funds, and mutual funds.

Note 2 continued on the next page.

Note 2 - Summary of Significant Accounting Policies (continued)

Operating Expenses

Administrative and audit expenses of the Plan are paid by the sponsor. Investment advisory fees are incurred at 1% of asset value, calculated as of the beginning of each quarter at .25% and paid from Plan funds.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Note 3 – Tax Status

The Plan has been designed in accordance with the Volume Submitter Profit Sharing Plan (VSPSP). In a letter dated September 30, 2014, the IRS stated that the form of the VSPSP is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan evaluates its uncertain tax positions using the guidance for contingencies as contained in generally accepted accounting principles. The Plan was not aware of any uncertain tax positions that were not provided for in the accompanying financial statements.

The Plan annually files with the Internal Revenue Service, Form 5500 – *Annual Return/Report of Employee Benefit Plan* reporting various information that the Internal Revenue Service and Department of Labor use to monitor the activities of the Plan. These reports are subject to review by the oversight authorities and are also subject to examination, generally, for three years after filing. The Plan currently has no examinations in progress.

Note 4 – Employer Contribution

CODAC, Inc., the employer, made contributions of \$0 and \$75,000 to the Plan for the years ended June 30, 2024 and June 30, 2023, respectively.

Note 5 – Investments

The Plan’s investments as of June 30, 2024 and 2023 consist of the following:

Note 6 - Forfeitures

Non-vested balances forfeited for the years ended June 30, 2024 and 2023 were \$6,762 and \$3,651, respectively. The forfeitures have been designated as such within the investments and are available for offset of a future employer contribution or as an additional contribution for allocation to participant accounts, or to pay Plan expenses.

Note 7 - Fair Value Measurements

Generally accepted accounting principles have established a framework for measuring fair value and expand disclosures about fair value measurements for assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 inputs) and the lowest priority to unobservable inputs (level 3 inputs). The three levels of the fair value hierarchy according to generally accepted accounting principles are as follows:

- Level 1 – valuations based on quoted prices in active markets for identical investments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.
- Level 2 – valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly, and determined through the use of models or other valuation methodologies.
- Level 3 – valuations based on inputs that are unobservable and significant to the overall fair value measurement, and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation.

The following table presents the Plan's assets that are included in fair value measurements at June 30, 2024 and 2023 within the fair value hierarchy.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 9 - Parties-In-Interest

Two of the trustees of the Plan are also participants in the Plan, and as such are considered to be parties-in-interest. In addition, certain plan expenses are paid by the Plan sponsor. These are also considered to be party-in-interest transactions.

Note 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Subsequent Events

Management has evaluated all subsequent events through April 11, 2025, the date the financial statements were available to be issued.
