<b>Part I</b>	<b>Asset and Liability Statement</b>
---------------	--------------------------------------

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator of  
Lippolis Electric, Inc. 401(k) Plan**

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Lippolis Electric, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 1, 2024, May 31, 2024 and May 31, 2023, and the related statements of changes in net assets available for benefits for the period June 1, 2024 and for the year ended May 31, 2024, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of May 31, 2024 and 2023, and for the year ended May 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter – Plan Merger***

As described in Note 1 to the financial statements, management of the Plan sponsor adopted a pooled employer plan (“PEP”) and merged this Plan into the PEP effective June 1, 2024. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedules of Delinquent Participant Contributions for the period June 1, 2024 and for the year ended May 31, 2024 and Schedule of Assets (Held at End of Year) as of May 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## *NOTES TO FINANCIAL STATEMENTS*

*JUNE 1, 2024, MAY 31, 2024 AND MAY 31, 2023*

---

### 1. DESCRIPTION OF PLAN

The following description of the Lippolis Electric, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan was established effective June 1, 1999 and was most recently amended and restated effective June 1, 2022 ("Restatement Date"). The Plan is a 401(k) and Profit Sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers all eligible employees of Lippolis Electric, Inc. and, as of the Restatement Date, Veith Electric, LLC ("Veith") (collectively, the "Company" and "Plan Sponsor") who have attained the age of 21 and completed one year of service, as defined. Eligible employees include all employees except nonresident aliens. As of the Restatement Date, the effective date of participation is the first day of the plan year quarter coincident with or next following satisfaction of the eligibility requirements. Prior to the Restatement Date, employees could enter the plan on the first day of the plan year or the first day of the seventh month of the plan year coincident with or next following satisfaction of the eligibility requirements.

#### **Plan Merger**

In April 2024, management of the Company resolved to adopt the Principal EASE 401(k) Plan, a pooled employer plan (the "PEP") effective June 1, 2024. In connection with adopting the PEP, management of the Company elected to merge the Plan into the PEP such that legal title to the assets of the Plan were transferred and assigned to the PEP effective June 1, 2024. On June 1, 2024, \$9,864,808 of Plan assets and related participant accounts were legally merged into to the PEP.

As a result of the Plan merger discussed above, there is an additional short plan year reporting period for the period June 1, 2024 included in these financial statements that concludes when all Plan assets were merged into the PEP. Accordingly, these financial statements comprise of the statements of net assets available for benefits as of June 1, 2024, May 31, 2024 and May 31, 2023, and the related statements of changes in net assets available for benefits for the period June 1, 2024 and for the year ended May 31, 2024, and the related notes to the financial statements.

#### **Contributions**

The Plan allows for pre-tax and Roth elective salary deferrals. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are subject to the terms of the Plan and are fully

vested and non-forfeitable. Prior to June 1, 2024, the Company made safe harbor matching contributions equal to the sum of 100% of the participant's elective deferrals that did not exceed 4% of the participant's compensation. The Company made safe harbor matching contributions of \$485,330 to the Plan for the year ended May 31, 2024. Effective June 1, 2024, the Plan was amended and no longer permits safe harbor matching contributions. The Company may elect to make discretionary matching and profit sharing contributions to the Plan. There were no discretionary matching or profit sharing contributions for the the year ended May 31, 2024. Contributions are subject to certain statutory limitations.

In connection with the Plan merger discussed in Note 1, contributions from Plan participants and the Company for periods subsequent to the year ended May 31, 2024 are made to the PEP.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions as well as allocations of the Company's safe harbor matching contributions, discretionary matching contributions, and profit sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct their accounts into various investment options offered by the Plan. If no investment election is made by the participant, then the contributions are automatically invested in the Plan's Qualified Default Investment Alternative ("QDIA"). The Plan has selected the T. Rowe Price Retirement Funds series as its QDIA.

### **Vesting**

Participants are vested immediately in their contributions and safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching contributions and profit sharing contributions portions of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

## *NOTES TO FINANCIAL STATEMENTS*

*JUNE 1, 2024, MAY 31, 2024 AND MAY 31, 2023*

---

### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Notes receivable from participants are secured by the balance in the participant's account. The loan interest rate is set at one percentage point over the prime interest rate, as defined. Principal and interest are paid ratably through payroll deductions.

### **Payment of Benefits**

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants shall be entitled to receive in-service withdrawals upon attainment of age 59 ½. Participants are also entitled to make hardship withdrawals, as defined by the Plan.

### **Forfeitures**

At June 1, 2024, May 31, 2024 and May 31, 2023, there were no forfeited non-vested accounts. The Company may use forfeited accounts to reduce employer contributions. For the period June 1, 2024 and year ended May 31, 2024, the Plan did not use any forfeited non-vested accounts to reduce employer contributions.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is

recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Contributions**

Contributions from Plan participants and employer contributions from the Company are recorded in the year in which the participant contributions are withheld from compensation.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. At June 1, 2024, there were no notes receivable from participants to measure. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of May 31, 2024 and 2023. Delinquent participant loans are recorded as distributions based on the terms of the Plan agreement.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

### **3. CERTIFIED INFORMATION**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at fair value, non-interest bearing cash, and notes receivable from participants held at May 31, 2024 and 2023, and net change in fair value of investments and interest income from notes receivable from participants for the year ended May 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company of New York (the insurance company of the Plan).

### 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2024 and 2023.

#### ***Pooled Separate Accounts***

Pooled Separate Accounts are not publicly quoted and are priced at net asset value ("NAV"). ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. The Plan held no investments as of June 1, 2024.

<sup>(a)</sup> In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended May 31, 2024, are reported in net change in fair value of investments.

For the year ended May 31, 2024, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

### Investments Measured Using the Net Asset Value per Share Practical Expedient

(a) Target Risk Funds: Target risk funds seek current income and growth of capital, while seeking to both manage the volatility of return and limit the magnitude of portfolio losses. These funds have various levels of risk exposure.

(b) Equity Funds: Equity funds invest in stocks. The objective of an equity fund is growth through capital gains and dividends. Stock funds may have a specific style, for example, value or growth, and include investments in different sized companies and geographic regions.

(c) Fixed Income Funds: Fixed income funds invest in fixed income securities. The objective of fixed income funds is generally to receive interest payments or capital growth. Fixed income funds generally invest in sovereign, corporate, or municipal debt. In addition, the fixed income funds may invest in fixed income securities of different durations. Debt rates of return are based upon economic conditions and the credit worthiness of the debtor, amongst other factors.

(d) Money Market Funds: An investment whose objective is to earn interest for shareholders while maintaining a net asset value of \$1 per share. A money market fund's portfolio is generally comprised of short-term (less than one year) securities representing high-quality, liquid debt and monetary instruments.

(e) Asset Allocation Funds: Asset allocation funds invest in a combination of stocks and bonds seeking both growth of principal and current income. Some funds are more aggressive or conservative by allocation between equities and fixed income.

### *NOTES TO FINANCIAL STATEMENTS*

*JUNE 1, 2024, MAY 31, 2024 AND MAY 31, 2023*

---

#### **5. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS**

Equity Services Inc. was the Plan's investment advisor and therefore certain transactions qualify as exempt party-in-interest transactions. The Plan paid approximately \$21,500 in brokerage fees to Equity Services Inc. which is included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits for the year ended May 31, 2024.

Retirement Plan Solutions ("RPS") was the third party administrator of the Plan and therefore certain transactions qualify as party-in-interest transactions. The Plan paid approximately \$7,200 to RPS which is included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits for the year ended May 31, 2024.

John Hancock Life Insurance Company of New York ("John Hancock") was the insurance company and recordkeeper of the Plan and therefore certain transactions qualify as party-in-interest transactions. The Plan paid approximately \$30,000 to John Hancock which is included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits for the year ended May 31, 2024.

Participant contributions not transmitted by the Company within the time period set forth in the Department of Labor's regulation CFR 2510.3-102 are considered nonexempt prohibited transactions under ERISA. Participant contributions remitted during the year that constitute nonexempt prohibited transactions are reported by the Plan in the accompanying supplemental schedule as required.

#### **6. PLAN TERMINATION**

Prior to the Plan merger discussed in Note 1, although it had not expressed any intent to do so, the Company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would have become 100% vested in their employer contributions.

#### **7. TAX STATUS**

The Plan had adopted a non-standardized pre-approved profit sharing plan with CODA and was relying on an opinion letter received from Retirement Plan Solutions dated June 30, 2020, stating that the Internal Revenue Service (IRS) has determined that the pre-approved plan adopted by the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan had been amended since receiving the letter, the Plan administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan was qualified, and the related trust was tax-exempt.

### *NOTES TO FINANCIAL STATEMENTS*

*JUNE 1, 2024, MAY 31, 2024 AND MAY 31, 2023*

---

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

#### **8. RISKS AND UNCERTAINTIES**

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As of May 31, 2024 and 2023, approximately 50% and 55% of net assets available for benefits, respectively, were invested in the JH Managed Volatility Conservative Portfolio pooled separate account.

#### **9. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through April 3, 2025, the date the financial statements were available to be issued.
