Independent Auditor's Report

To the Plan Administrator
Northeast Bronx Daycare, Inc. Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of Northeast Bronx Daycare, Inc. Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Northeast Bronx Daycare, Inc. Profit Sharing Plan as of June 30, 2024 and 2023, and the changes in net assets available for benefits for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Plan Administrator
Northeast Bronx Daycare, Inc. Profit Sharing Plan

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by the trustees, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator
Northeast Bronx Daycare, Inc. Profit Sharing Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of June 30, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NORTHEAST BRONX DAYCARE, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 1: DESCRIPTION OF PLAN

The following description of the Northeast Bronx Daycare, Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of Northeast Bronx Daycare, Inc. (Company), which was initially effective July 1, 1992. The Plan was amended and restated effective July 1, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - Employees who have attained the age of 21, after two months of service, and are not an excluded employee are eligible to participate in the Plan. Excluded employees are nonresident aliens and Day Care Center employees who worked for the program funded through the Administration for Children Services (ACS) in a city sponsored pension plan operated by the Cultural Institution Retirement System (CIRS). An eligible employee who has satisfied the eligibility requirements will become a participant in the Plan as of July 1, the first day of the plan year, or January 1, the first day of the seventh month of the plan year, coinciding with or next following the date the eligibility requirements are satisfied.

Contributions - Each year, the Company may make a discretionary profit-sharing contribution to the Plan. For the Plan year ending June 30, 2024, the Company's contribution amounted to \$461,323. In order to share in the profit-sharing contribution for the plan year, eligible employees must complete a year of service (at least 1,000 hours) during the plan year, regardless of employment, on June 30, the last day of the plan year. Participants will share in the profit-sharing contribution regardless of the amount of service completed during the plan year in the year of death, disability, or retirement. The employer contribution is allocated to all participants eligible to share in the contribution for the plan year in the same proportion that each participant's compensation, including any compensation in excess of the Social Security Taxable Wage Base (excess compensation), bears to the total compensation, plus "excess compensation" of all eligible participants. However, the maximum additional amount which can be allocated to a participant for their compensation above the social security wage base is 5.7%. As a result, each participant whose wages exceed the social security wage base receives an additional profit-sharing contribution percentage up to a maximum of 5.7%.

Participant Accounts - Each participant's account is credited with allocations of the Company's contributions, plus an allocation of the Plan's gains or losses. As of each valuation date, before allocation of any Company contributions and forfeitures, any gains or losses of the Plan shall be allocated in the same proportion that each participant's nonsegregated accounts bear to the total of all participants' nonsegregated accounts as of such date. The nonsegregated account will be reduced by any distributions made prior to the valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant directed investments are not permitted.

NORTHEAST BRONX DAYCARE, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2024

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Vesting - Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of service. The vesting percentage increases by 20% each year until the participant becomes fully vested in his or her account after six years. Participants are always 100% vested in their Company contributions if they are employed on or after their normal retirement age or if they terminate employment on account of their death or disability.

Payment of Benefits - Upon termination of service due to death, disability, retirement (age 65), or severance of employment, a participant is entitled to a distribution equal to the value of the participant's vested interest in his or her account. Distribution of a deceased participant's account will be made to the designated beneficiary. If a terminated participant's vested account balance exceeds \$5,000, the participant may elect to receive a distribution in a single lump-sum or partial withdrawals of at least \$1,000. If a terminated participant's vested account balance is \$5,000 or less, his or her vested account will be paid in a single lump-sum. For any distribution exceeding \$200, but not in excess of \$5,000, the participant shall be given the option to elect to have such distribution paid in a single lump-sum or rolled to another eligible retirement plan or an IRA of his or her choice in a direct rollover. If no option is selected, the plan administrator shall make such distribution in a direct rollover to an individual retirement plan designated by the plan administrator and shall provide notice to the participant when an automatic rollover occurs. In-service withdrawals are not permitted.

As required under Section 401(a)(9) of the IRC, a participant must begin receiving required minimum distributions from the Plan by April of the calendar year following the later of (i) the calendar year following the year in which the participant reaches 72, or 73 if the participant is not 72 prior to January 1, 2023, or (ii) the calendar year in which the participant retires.

Forfeited Accounts - Forfeitures will be added to any Company discretionary contribution and allocated to the Plan's participants in the same manner. Forfeitures may also be used to pay any administrative expenses. Forfeitures allocated to participants amounted to \$17,065 for the year ended June 30, 2024. As of June 30, 2024 and 2023, forfeited nonvested accounts totaled \$0.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The Company has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 - Continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2024.

Common Stocks - Common stocks are valued at the closing price reported in the active market in which the individual securities are traded.

Exchange-Traded Funds - Exchange-traded funds are valued at the closing price in the active market in which the individual securities are traded.

Interest-Bearing Cash - Interest-bearing cash is valued at the market value of cash held by the Plan at year end.

Registered Investment Companies (Mutual Funds) - Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted market prices.

Real Estate Investment Trusts - Real estate investment trusts are valued at the NAV of shares held by the Plan at year end based on quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

For purposes of this note, the Plan has not considered normal plan operations such as employer contributions to the Plan or benefits accrued or paid to participants as party-in-interest transactions that require additional disclosure. Fees paid for professional services rendered by parties in interest qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Investments managed by the Plan's custodians qualify as party-in-interest transactions, which are also exempt from the prohibited transaction rules of ERISA.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances. Any unallocated forfeitures would be allocated to participants' accounts and distributed in such a manner as the Company may determine.

NOTE 6: TAX STATUS

The underlying non-standardized pre-approved profit-sharing plan has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated the form of the Plan as then designed was in compliance with the applicable requirements of the Internal Revenue Code (IRC), and therefore, the related trust was tax exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The Company has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2024 and 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for three years after it is filed.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 8: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there are various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the Company, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500 as of June 30:

| | 2024 | 2023 |
|--|--------------|--------------|
| Net Assets Available for Benefits per the Financial Statements | \$ 3,830,164 | \$ 3,318,443 |
| Plus: Administrative Expenses Payable December 31 | - | 43,100 |
| Net Assets Available for Benefits per the Form 5500 | \$ 3,830,164 | \$ 3,361,543 |

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 - CONTINUED

The following is a reconciliation of net income per the financial statements to the Form 5500 for the year ended June 30, 2024:

| | 2024 |
|---|------------|
| Net Change per the Financial Statements | \$ 511,721 |
| Less: Administrative Expenses Payable December 31, 2023 | (43,100) |
| Net Income per the Form 5500 | \$ 468,621 |

NOTE 10: SUBSEQUENT EVENTS

Effective July 1, 2024, the Plan was amended to allow elective pre-tax and Roth deferrals. Participants are eligible to participate in the Plan after attaining age 21 and earned three months of service. Participants enter the plan on the first day of the month coinciding with, or next following the date eligibility requirements are satisfied. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. The Plan was also amended to allow rollover contributions and discretionary employer-matching contributions. In order to share in employer-matching contributions, eligible employees must complete a year of service (at least 1,000 hours) during the plan year, regardless of employment, on June 30, the last day of the plan year. Participants will share in matching contributions for the plan year regardless of the amount of service they completed during the plan year in which death, disability or termination of employment after normal retirement age occurs. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of service. The vesting percentage increases by 20% each year until the participant becomes fully vested in his or her account after six years. Participants are always 100% vested in their Company matching contributions if they are employed on or after their normal retirement age or if they terminate employment on account of their death or disability. The amendment also allows participants to borrow against their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance during the previous 12 months. The loans, in the form of promissory notes, are secured by the balance in the participant's account, and bear interest at reasonable rates, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions and generally repaid within five years, unless the loan is for the purchase of a principal residence, in which case the plan administrator may permit a longer repayment term. A participant may have two loans outstanding at one time.
