To the Board of Directors  
Employee Benefit Plan of  
Rancho San Antonio Boys Home, Inc.

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Employee Benefit Plan of Rancho San Antonio Boys Home, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ ERISA Section 103 (a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 30, 2024 and 2023, and the related Statements of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Employee Benefit Plan of Rancho San Antonio Boys Home, Inc. financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITORS' REPORT**

continued

---

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employee Benefit Plan of Rancho San Antonio Boys Home, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Rancho San Antonio Boys Home, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITORS' REPORT

continued

---

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of Rancho San Antonio Boys Home, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Rancho San Antonio Boys Home, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplementary Schedule Required by ERISA**

The supplementary schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## INDEPENDENT AUDITORS' REPORT

continued

---

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

---

### 1. Description of Plan

The following description of Employee Benefit Plan of Rancho San Antonio Boys Home, Inc. (“the Plan”) provides only general information. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

#### General

The Plan is a 401(k) profit-sharing plan covering all employees of Rancho San Antonio Boys Home, Inc. (“RSABH”), except for a non-resident alien independent or other non-employee. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### Contributions

A participant becomes eligible to make contributions to the Plan on the date of hire and have reached the “entry date” which is the first day of the month coinciding with or following the date the employee satisfies the eligibility requirements. Participants may contribute from 1% to 100% of their compensation subject to Internal Revenue Service maximum contribution limits. In addition, participants qualifying for age-based provisions may contribute an additional catch-up deferral. Participants may also contribute amounts representing distributions from other eligible retirement plans.

Employees are eligible for employer base contributions upon attainment of age 21 and completion of 1,000 hours of service within the first twelve months of employment. The employer base contributions are allocated using a discretionary pro rata formula as defined in the Plan. To be eligible, employees must be employed on the last day of the plan year regardless of whether or not they are making voluntary employee contributions.

Effective July 1, 2016, all participants who become eligible on or after the effective date will be automatically enrolled in the Plan at a deferral rate of 3% of their eligible compensation.

#### Participants Accounts

Each participant’s account is credited with the participant’s contribution, an allocation of RSABH’s employer base contribution, and the Plan’s earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### Investment Options

The Plan allows participants to self-direct the investments of accounts among various designated investment fund options. Participants may change their investment options at any time.

RANCHO SAN ANTONIO BOYS HOME, INC.**

NOTES TO FINANCIAL STATEMENTS

---

**1. Description of Plan, continued**

**Vesting**

Participants are fully vested, at all times and in all events, in their contributions. A participant is 100% vested in the employer base contributions after five years of service.

**Payment of Benefits**

In general, on termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the fair value of the participant's vested interest in his or her account balance or in installments.

**Forfeitures**

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Employer contributions may be reduced by forfeited non-vested accounts. At June 30, 2024 and 2023, forfeited non-vested accounts totaled \$22,009 and \$23,298, respectively. Forfeitures used during the plan years ended June 30, 2024 and 2023, were \$23,859 and \$31,923, respectively.

**2. Summary of Significant Accounting Policies**

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

**Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**Investment Valuation and Income Recognition**

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold, as well as held, during the year.

## NOTES TO FINANCIAL STATEMENTS

---

### 2. Summary of Significant Accounting Policies, continued

#### **Fair Value Measurements**

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific technique used to measure fair value for the financial statement element is described in the notes below that relate to the element.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

#### **Administrative Expenses**

RSABH absorbs all administrative expenses of the Plan other than the contract service fees charged by the trustee. During the years ended June 30, 2024 and 2023, total contract expenses were \$4,070 and \$744, respectively.

#### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with certain investment securities, that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participant's account balances and the amounts reported in the financial statements.

#### **Subsequent Events**

Management has evaluated subsequent events through April 8, 2025, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

	<u>\$14,309,016</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$16,681,582</u>

The fair value of mutual funds in the fair value hierarchy has been measured on a recurring basis using quoted market prices, which represents the net asset value of shares held by the Plan at year end (Level 1 inputs).

\* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

### 8. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items. Parties-in-interest transactions include those with plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Organization's payment of certain Plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were \$4,070. The Plan's investment options include funds managed by Mutual of America Life Insurance Company or its affiliates. As Custodian and recordkeeper, Mutual of America Life Insurance Company's transactions qualify as exempt parties-in-interest transactions.

Certain administrative functions are performed by officers and employees of RSABH. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

### 9. Tax Status

The Plan was originally a 401(a) plan before being restated as a 401(k) plan in June 2008. The Internal Revenue Service ("IRS") has determined and informed RSABH by letter dated October 23, 2015, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The plan administrator and the Plan's counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.
