**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees  
Plumbers and Pipefitters Local 551 401(k) &  
Supplemental Retirement Plan  
West Frankfort, Illinois 62896

**Opinion**

We have audited the accompanying financial statements of Plumbers and Pipefitters Local 551 401(k) & Supplemental Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the years ended June 30, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (modified cash basis) of Plumbers and Pipefitters Local 551 401(k) & Supplemental Retirement Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits (modified cash basis) for the years ended June 30, 2024 and 2023, in accordance with the modified cash basis of accounting described in Note 2.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers and Pipefitters Local 551 401(k) & Supplemental Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Basis of Accounting**

We draw attention to Note 2 of the financial statements, which described the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers and Pipefitters Local 551 401(k) & Supplemental Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local 551 401(k) & Supplemental Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of assets held at end of year are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PLUMBERS AND PIPEFITTERS LOCAL 551 401(k) & SUPPLEMENTAL RETIREMENT PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2024 and 2023

1. SUMMARY OF PLAN PROVISIONS

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description, the Plan Document, or contact the administrator for a more complete description of the Plan's provisions.

The Plan is a Taft Hartley multi-employer defined contribution plan that covers members of Plumbers and Pipefitters Local 551 in Southern Illinois who work for employers who are parties to the collective bargaining agreement. The Plan is administered by a Board of Trustees which is made up of an equal number of union and employer representatives. The assets of the Plan are accumulated, and benefits are paid under the trust (Plumbers and Pipefitters Local 551 Retirement Plan and Trust). The Board of Trustees holds all of the assets of the Plan in trust.

Contributions

The Plan requires contributions from each employer specified by the collective bargaining agreements. The contributions are paid based on hours worked by the employees multiplied by the rate in effect when the employee is paid.

The collective bargaining agreement has provisions for collecting past due contributions including the assessment of penalties, interest collection costs and attorney fees. In addition, employers may be required to post a bond. Audits of payroll records, of a sample of employers are conducted periodically.

The Plan also receives contributions from other plumber and pipefitter plans for members who work for employers in other locals.

Participant Accounts

Investments are allocated to separate accounts for each Participant. Participant accounts are credited with employer contributions, investment earnings, and forfeitures. Participant accounts are debited for plan expenses. The accounts are valued daily.

Vesting

Participants are vested over a 6-year period beginning after 2 years of service increasing 20% each year until year 6.

An employee is entitled to accrual of contributions if they complete one hour of service. An employee will be entitled to be vested for a year if they complete more than 435 hours.

1. SUMMARY OF PLAN PROVISIONS (continued)

Distributions

Payments under this Plan can be made in a single sum, in periodic installments, or a flexible payment option based on the participant's election of participation. Partial payments must be greater than \$100. Benefits will be paid as soon as administratively feasible after the participant leaves employment for any other reason, the vested account balance will be paid as soon as administratively feasible after the attainment of age 59 1/2.

The Plan may make a distribution without the participants consent if the account balance is less than \$1,000.

The retirement age is 62 or age 60 if receiving benefits under the National Pension Fund.

The Plan does not permit hardship or in-service withdrawals or loans.

The Plan makes reciprocity payments to other plumber and pipefitters plans for contributions collected for members of other locals who work for Local 551 employers.

Forfeitures

Forfeitures are to be applied first to the payment of expenses to the extent that the Plan has expenses which are payable at the time the forfeiture is subject to reallocation. The remaining forfeitures are then allocated to all participants eligible to share in the employer contribution in proportion to the account balances. No forfeitures were available for reallocation for the year ended June 30, 2024. No forfeitures were available for reallocation for the year ended June 30, 2023.

The forfeiture account was \$-0- as of June 30, 2024 and 2023, respectively.

Plan Termination

Although the trustees have not expressed any intent to do so, the trustees have the right under the Plan to terminate it, subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plans financial statements are prepared using the modified cash basis of accounting which is a basis of accounting other than generally accepted accounting principles. The Plan financial statements have recorded investments at fair value and pending sales and purchases of investments. Income is recorded when collected rather than when earned. Benefits and expenses are recorded when paid instead of when incurred.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received consistent with the modified cash basis of accounting.

Use of Estimates

The preparation of financial statements requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through the date of the independent accountant's audit report, with is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1" measurements), gives the next priority to quoted values based on observable inputs ("Level 2" measurements), and the lowest priority to values based on unobservable inputs ("Level 3" measurements). The three levels of the fair value hierarchy under the standard are as follows:

PLUMBERS AND PIPEFITTERS LOCAL 551 401(k) & SUPPLEMENTAL RETIREMENT PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2024 and 2023

3. FAIR VALUE MEASUREMENTS (Continued)

- Level 1 Inputs are quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date (for example, prices derived from NYSE, NASDAQ and the Chicago Board of Trade). If a Level 1 is available for a particular investment, it must be used to value that investment.
- Level 2 Inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset, either directly or indirectly. Observable inputs are those that reflect the assumptions market participants would use in pricing the asset developed on market data obtained from sources independent of the Plan (e.g., matrix pricing, yield curves and indices).
- Level 3 Inputs are unobservable inputs for the asset. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed, based on the best information available in the circumstances (e.g., investment manager pricing for private placements, private equities and hedge funds).

Investments are valued as follows:

Registered Investment Companies: Valued at the net asset value of shares held by the Plan at year end as quoted in active markets.

Common stocks: All the common stocks held by the Plan are valued at quoted prices published on exchanges.

Interest bearing cash: Interest bearing cash consists of interest-bearing bank accounts that do not meet the definition of a security. Cash held in money market funds are registered investment companies and included with other registered investment companies.

The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investment. The following tables present the financial instruments carried at fair value as of June 30, 2024 and 2023, by valuation hierarchy, as described above.

Fair Value Measurements as of June 30, 2024:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Common / collective trusts	\$ 713,195	\$ -0-	\$ -0-	\$ 713,195

4. RELATED PARTIES AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan paid UA Local 551 \$72,000 and \$54,514 for the years ended June 30, 2024 and 2023 respectively, for costs incurred in administering the Plan. The costs charged to the Plan are based on a study performed in a prior year.

The Plan has agreements with other plumbing and pipefitter local pension plans to reciprocate contributions between the Plans for members who work in jurisdictions other than their home local. The transactions are disclosed in the financial statements.

The Plan has agreements with other service providers for third party administration, legal, audit and other services. Management believes the transactions are exempt under ERISA.

The Plan trustees also serve as trustees on the other benefit funds of UA Local 551.

5. TAX STATUS

The IRS has determined and informed the trustees by a letter dated April 13, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. The Internal Revenue Service no longer issues determination letters for Plans unless certain conditions are met.

PLUMBERS AND PIPEFITTERS LOCAL 551 401(k) & SUPPLEMENTAL RETIREMENT PLAN  
 NOTES TO THE FINANCIAL STATEMENTS  
 JUNE 30, 2024 and 2023

6. RISKS AND UNCERTAINTIES

The Plan investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In addition, the Plan contributions are subject to a risk of non-collection. The Plan trustees have collection policies as disclosed in Note 1.

7. CONCENTRATIONS

One employer's contributions were 22% and 27% of total contributions for the years ended June 30, 2024 and 2023, respectively.

8. PARTICIPANTS ACCOUNTS

Account balances of participants who have had no contributions for the fiscal year were \$14,103,064 and \$11,335,818 as of June 30, 2024 and 2023, respectively.

The following table shows the differences between the participant accounts and the financial statements:

	June 30,	
	2024	2023
Net assets available for benefits	\$40,953,305	\$34,556,032
Participant account balances	<u>40,740,370</u>	<u>34,314,554</u>
Difference	<u>\$ 212,935</u>	<u>\$ 241,478</u>

The reason for the difference between the net assets available for benefits and the participant account balances in the prior year is because the net assets available for benefits is prepared on the modified cash basis of accounting and the participant account balances include adjustments for accruals. The adjustments for accruals have not been audited. The difference in participant account balances and net assets available for plan benefits in the current year is attributable to retention monies held by the plan administration office during the current platform change. These monies were held at the administrator's office to pay office expenses and reciprocity out. The administrator and third-party administrator are coordinating efforts to allocate the retention monies except a small reserve to participant account balances.

10. HEALTH AND WELFARE FUND

In February 2019, the Trustees of the Plumbers and Pipefitters Local 551 Health and Welfare Fund (“Health and Welfare Fund”) determined that the Health and Welfare Fund required additional immediate funding in order to ensure that the Health and Welfare Fund meets its obligations to provide benefits to employees and their dependents and to pay providers.

In order, to resolve this funding issue, the Health and Welfare Fund’s Legal Counsel and Consultant proposed that the Egyptian Association of Plumbing, Heating and Cooling Contractors (“Association”) and Local #551, United Association of Journeyman and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada, AFL-CIO (“Union”) enter into a Memorandum of Understanding providing that Employer Contributions to the Plumbers and Pipefitters Local 551 Pension Plan (“Pension Plan”) be suspended and redirected to the Health and Welfare Fund for a period of six (6) months starting with hours worked on or after March 1, 2019 and ending on August 31, 2019. The Employer Contributions to the Pension Plan resumed effective for hours worked on or after September 1, 2019.
