INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Painters & Allied Trades
District Council No. 35
Retiree Premium Reimbursement Plan

Opinion

We have audited the financial statements of the Painters & Allied Trades District Council No. 35 Retiree Premium Reimbursement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RETIREE PREMIUM REIMBURSEMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024 AND 2023

NOTE 1. DESCRIPTION OF PLAN

The following brief description of the Painters & Allied Trades District Council No. 35 Retiree Premium Reimbursement Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description more complete information.

The Plan provides health and dental premium reimbursements to eligible members of the Painters & Allied Trades District Council No. 35 Retiree Premium Reimbursement Plan. The Plan was established on July 1, 2014, pursuant to the trust agreement between the Painting and Finishing Employers Association of New England, Inc., the Glass Employers Association of New England, Inc. and the Painters & Allied Trades District Council No. 35. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is self-funded and offers health coverage options after retirement for eligible retirees and dependents who lose health coverage March 31, 2013, or later. A retiree and eligible dependents losing coverage March 31, 2013 (or later) may purchase health insurance on their own. The plan can be a non-group plan or another group health plan. The retiree pays the premium. Prior to March 1, 2016, the Plan reimbursed the retiree the premium cost up to a set maximum determined by the number of earned pension credits (maximum thirty pension credits) at retirement date. Effective March 1, 2016, the Plan approved an increase from 30 maximum pension credits at retirement date to no limit. This benefit is available for up to 120 months, or Medicare eligibility, whichever comes first. The individual monthly reimbursement rate is \$35 multiplied by the earned pension credits. The family monthly reimbursement rate is \$70 multiplied by the earned pension credits.

Contributions to the Plan are made by employers in accordance with the Collective Bargaining Agreement between the Painters and Decoration Contractors of Eastern Massachusetts, Inc., the Glass Employers Group of New England (the Associations) and the Painters & Allied Trades District Council No. 35. The collective bargaining agreement requires contributions at fixed rates for each hour worked for which an employee is covered by the agreement. Contributions are remitted by the employers to the Painters and Allied Trades District Council No. 35 Health Benefits Fund. A portion of that contribution is allocated to the Plan to cover the benefits and administrative expenses of the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Payment of Benefits - Benefits paid by the Fund are recorded when paid in the accompanying Statements of Changes in Net Assets Available for Benefits. Amounts due at year end for claims payable or incurred but not reported are reported on the Statements of Benefit Obligations.

Benefit Obligations - The benefit obligations for retiree health premiums payable are calculated by the Plan Administrator. The postretirement benefit obligation is calculated by the Plan's actuary.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures reported in the financial statements. Actual results could differ from those estimates.

Revenue Recognition - The Plan is funded by contributions from participating employers under the terms of collective bargaining agreements (CBA). Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plans assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter dated September 21, 1979, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 501(c)(9) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes. The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service Code.

NOTE 4. TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. RETIREE HEALTH PREMIUMS PAYABLE

The Plan's obligations for health premiums reported but not paid at year end were as follows:

<u>Type of Benefit</u>	<u>2024</u>	<u>2023</u>
Retiree health premiums	<u>\$ 205,670</u>	<u>\$ 143,053</u>

Retiree health premiums reported but not paid at June 30, 2023 and 2022 have been calculated by the Plan's Administrator.

NOTE 6. POSTRETIREMENT BENEFITS

The Plan provides certain retired participants with premium reimbursements. Those retirees eligible for premium reimbursements must meet defined requirements such as attaining a certain age.

No healthcare trend rates have been applied to those in the Premium Reimbursement Plan as they are assumed to receive the maximum allowance. For retirees on active health coverage with a coverage expiration date before, on, or after March 31, 2013, the Premium Reimbursement Plan increase rate was 0.00% as it is assumed the maximum reimbursement formula will not increase. Effective January 1, 2024, the Trustees adopted a Medicare Premium Reimbursement Benefit for eligible Medicare retirees.

The following were other significant assumptions used in the valuation as of June 30, 2024 and 2023:

Discount rate: 5.25% as of June 30, 2024
5.00% as of June 30, 2023

Administrative expense increase rate: 2.50% for the years ended June 30, 2024 and 2023.

Participation: It is assumed that 100% of all eligible and current retirees will participate.

NOTE 6. POSTRETIREMENT BENEFITS (continued)

Retirement Rates: Based on age. Sample annual rates are as follows:

Age 55-56	5%
Age 57-59	10%
Age 60	30%
Age 61	20%
Age 62-64	50%
Age 65 and over	100%

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	June 30,	
	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ -	\$ -
Retiree health premiums payable	<u>(205,670)</u>	<u>(143,053)</u>
Net assets available for benefits per Form 5500	<u><u>\$ (205,670)</u></u>	<u><u>\$ (143,053)</u></u>

The following is a reconciliation of benefits paid to or for participants per the financial statements to Form 5500 for the year ended June 30, 2023:

Benefits paid to or for participants per the financial statements	\$ 2,279,412
Add - retiree health premiums payable at June 30, 2024	205,670
Less - retiree health premiums payable at June 30, 2023	<u>(143,053)</u>
Benefits paid to or for participants per Form 5500	<u><u>\$ 2,342,029</u></u>

Retiree health premiums payable at June 30, 2024 and 2023 are included in the statements of benefit obligations in the financial statements but are included as liabilities on Form 5500.

NOTE 8. RISKS AND UNCERTAINTIES

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 7, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
