## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
Jewish Family and Children's Service Retirement Plan

### Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jewish Family and Children's Service Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jewish Family and Children's Service Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution the management determined meets the requirements of ERISA Section 103(3)(a)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jewish Family and Children's Service Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family and Children's Service Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jewish Family and Children's Service Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family and Children's Service Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year) as of June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# JEWISH FAMILY AND CHILDREN'S SERVICE RETIREMENT PLAN

## Notes to Financial Statements For the Years Ended June 30, 2024 and 2023

### NOTE A – DESCRIPTION OF PLAN

The following description of the Jewish Family and Children's Service Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution plan covering substantially all employees of Jewish Family and Children's Services (Plan Sponsor or Company) and related entities who are not highly compensated. Highly compensated employees (generally more than 5% owners and certain family members (regardless of how much they earn), or individuals receiving wages in excess of certain amounts established by law) are excluded from participating in this Plan. Once an employee is deemed to be highly compensated, all future contributions are sent to the Jewish Family & Children's Service 403(b) Plan, an Annuity Contract Plan sponsored by the Company. As such, when an employee is no longer considered highly compensated, their future contributions are sent back to this Plan. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Eligibility** – Employees who age 18 and are not highly compensated, with the exception of union employees, nonresident aliens, leased employees, and apprentices, interns, and on-call employees become eligible to participate in the Plan on the first day of the month coinciding with or next following the date eligibility requirements are met. Participants are eligible to receive employer discretionary matching contributions after one year of service. Participants are eligible to receive employer discretionary profit sharing contributions after one year of service on the seventh month coinciding with or next following the date eligibility requirements are met.

**Contributions** – Each year, participants may elect to defer up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of a calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of all contributions into various investment options offered by the Plan. The Company may make a discretionary matching contribution as a percentage of the participant's elective deferral contributions and a discretionary profit sharing contribution at the option of the Company's board of directors. For the years ended June 30, 2024 and 2023, the Company elected to make discretionary matching contributions of 83% of the employee deferral contributions up to 6% of the participants eligible compensation totaling \$392,680 and \$395,601, respectively. The Company did not make discretionary profit sharing contributions for the years ended June 30, 2024 and 2023. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

# JEWISH FAMILY AND CHILDREN'S SERVICE RETIREMENT PLAN

## Notes to Financial Statements For the Years Ended June 30, 2024 and 2023

### NOTE A – DESCRIPTION OF PLAN – continued

**Participant Accounts** – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings (loss). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (loss), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** – Participants are immediately vested in their elective deferrals and any rollover contributions made to the Plan plus actual earnings thereon. Participants are vested in the Company's discretionary matching and profit sharing contributions based upon years of credited services, as defined. Effective June 1, 2017, a participant vests 33% for each year of service and is 100% vested after three years of service. Prior to June 1, 2017, a participant was vested 25% after one year of service, 50% after two years of service, and is 100% vested after three years of service. Additionally, participants become fully vested upon normal retirement age, death or total and permanent disability prior to retirement.

**Notes receivable from participants** – Notes receivable from participants represent loans which allow participants to borrow from their accounts, subject to approval by the Plan Administrator. The minimum amount that may be borrowed is \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the remaining balance in the participant's account and bear interest, which is fixed at prime plus 1% at the time the loan is made as determined by the Plan Administrator. Principal and interest are paid ratably through periodic payroll deductions over a term not to exceed five years, unless the loan qualifies as a home loan, as defined.

**Payment of benefits** – On termination of employment including disability and retirement, a participant may receive the value of the vested interest in his or her account as a lump sum distribution, substantially equal installments, partial withdrawals, or an annuity, with various options. Participants may make hardship withdrawals from their account as set forth in the provisions of the Plan document.

**Forfeited accounts** – At June 30, 2024 and 2023, forfeited nonvested accounts were \$1,680 and \$4, respectively. These accounts are used to reduce employer contributions or offset Plan expenses at the discretion of the Plan Administrator. During the years ended June 30, 2024 and 2023, forfeited accounts of \$3,481 and \$3,955, respectively, were used to reduce employer contributions.

## Notes to Financial Statements For the Years Ended June 30, 2024 and 2023

### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting.

The Plan maintains its financial records using the cash basis of accounting, under which additions and deductions to net assets available for benefits are recognized when they occur. Adjustments are prepared at each year-end to adjust the financial records to the accrual method of accounting.

**Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

**Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Payment of benefits** – Benefits are recorded when paid.

**Administrative expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in administrative expenses.

**Subsequent events** – The Plan Administrator has evaluated subsequent events through April 14, 2025, the date the financial statements were available to be issued.

## JEWISH FAMILY AND CHILDREN'S SERVICE RETIREMENT PLAN

### Notes to Financial Statements For the Years Ended June 30, 2024 and 2023

#### NOTE C – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2024 and 2023, and net appreciation (depreciation) in fair value of investments and interest income on notes receivable from participants for the years ended June 30, 2024 and 2023, was obtained by the Plan Administrator and agreed to or derived from information certified as complete and accurate by Voya Retirement Insurance and Annuity Company (the trustee of the Plan).

#### NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
  - Quoted prices for similar assets or liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in inactive markets
  - Inputs other than quoted prices that are observable for the asset or liability
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other meansIf the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

- *Mutual funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Notes to Financial Statements**

**For the Years Ended June 30, 2024 and 2023**

**NOTE D – FAIR VALUE MEASUREMENTS – continued**

- *Common collective trusts* – Valued at NAV based upon units held by the Plan. The NAV is used as a practical expedient to estimate fair value. Such investments recorded at NAV are not classified withing the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023:

	Assets at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$13,267,859	\$ -	\$ -	\$13,267,859
Total assets in the fair value hierarchy	13,267,859	-	-	13,267,859
Investments measured at NAV				
Common collective trusts	-	-	-	522,831
 Total investments at fair value	\$13,267,859	\$ -	\$ -	\$13,790,690
	Assets at Fair Value as of June 30, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$11,931,881	\$ -	\$ -	\$11,931,881
Total assets in the fair value hierarchy	11,931,881	-	-	11,931,881
Investments measured at NAV				
Common collective trusts	-	-	-	481,222
 Total investments at fair value	\$11,931,881	\$ -	\$ -	\$12,413,103

**Fair value of investments that calculate net asset value** – The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of June 30, 2024 and 2023, respectively:

	Fair Value		Unfunded	Redemption	Redemption
	2024	2023	Commitments	Frequency	Notice Period
Common collective trusts	\$ 522,831	\$ 481,222	\$ -	Daily	None

## **JEWISH FAMILY AND CHILDREN'S SERVICE RETIREMENT PLAN**

### **Notes to Financial Statements For the Years Ended June 30, 2024 and 2023**

#### **NOTE E – PARTY IN INTEREST TRANSACTIONS**

Certain Plan investments are managed by Voya Retirement Insurance and Annuity Company, the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

#### **NOTE F – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contribution.

#### **NOTE G – TAX STATUS**

The Company has adopted a volume submitter 401(k) profit sharing plan sponsored by Pension Strategies, LLC. The IRS has determined and informed the sponsor of the volume submitter plan by a letter dated June 30, 2020, that the volume submitter plan is designed in accordance with applicable sections of the IRC. The volume submitter plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

#### **NOTE H – RISKS AND UNCERTAINTIES**

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible, that changes in the value of investment securities will occur in the near term and that those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
