Independent Auditor's Report

To the Plan Administrator
The 401(k) Profit-Sharing Plan of The Children's Center of Hamden, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The 401(k) Profit-Sharing Plan of The Children's Center of Hamden, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) for the year ended June 30, 2024 and Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan

The following description of The 401(k) Profit-Sharing Plan of The Children's Center of Hamden, Inc. (the "Plan") provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all nonunion employees of The Children's Center of Hamden, Inc. (the "Organization") who are at least 21 years of age, except those employees covered by a collective bargaining agreement, the Teachers' Retirement System of the State of Connecticut or any other covered state retirement plan who are not eligible for this Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Trustees are responsible for oversight of the Plan. The Trustees determine the appropriateness of the Plan's investment offerings, monitor investment performance and report to the Organization's Board of Directors.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of insurance company pooled separate accounts and an investment contract as investment options for participants.

Effective July 1, 2021, the Plan was amended to include an automatic enrollment provision whereby all eligible participants will have 1% of eligible compensation withheld and remitted to the Plan if they fail to complete a deferral election form and will increase by 1% each subsequent Plan year up to a maximum of 5% of eligible compensation.

Participants who have completed one year of service, worked at least 1,000 hours of credited service during the Plan year and are at least 21 years of age are eligible to participate in the Organization's discretionary nonelective contributions, provided they are employed on the last day of the Plan year. Discretionary nonelective contributions are allocated on the basis of each participant's eligible compensation, as defined by the Plan, relative to the total eligible compensation of all participants. For the year ended June 30, 2024, the Organization elected to make a contribution of 3% of each participants' eligible compensation.

The Organization may also make a discretionary matching contribution. Participants who have completed one year of service, with at least 1,000 hours and are at least 21 years of age are eligible to participate in the Organization's discretionary matching contributions, provided they are employed on the last day of the Plan year. This discretionary matching contribution is based upon a discretionary percentage of the participant's elective deferrals for the Plan year, as defined by the Plan. The Organization elected not to make discretionary matching contributions to the Plan for the year ended June 30, 2024.

Participants also direct the investment of the Organization's contributions. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

The Children's Center of Hamden, Inc.**

**Notes to Financial Statements

Participant accounts

Each participant's account is credited with the participant's contributions and the Organization's discretionary nonelective contribution, as well as the Organization's discretionary matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. In the event of termination due to death, total and permanent disability or normal retirement, participants shall become 100% vested in the Organization's contribution portion of their account. For all other participants, participants will be 100% vested after the completion of five years of credited service.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined on the first day of the month prior to the quarter the loan is taken, is set at the prime rate plus 1%, as defined. Principal and interest are paid ratably through monthly payroll deductions.

Payment of benefits

On termination of service for any reason, participants with a vested account balance less than \$1,000 will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Terminated participants with a vested account balance greater than \$1,000 may defer payment of benefits until a later date. In addition to lump-sum distributions, certain terminated participants with a vested account balance greater than \$1,000 may elect to receive the balance of their vested account in the form of an annuity contract.

Withdrawals from a participant's salary deferral and vested employer contribution accounts may also be made in the event of disability or financial hardship, in accordance with the provisions specified in the Plan. Participants who have attained age 59½ are eligible to make in-service withdrawals, in accordance with the provisions specified in the Plan.

Forfeited accounts

At June 30, 2024 and 2023, there were \$31,083 and \$18,585, respectively, of forfeited nonvested discretionary nonelective and matching accounts. These forfeited nonvested balances are used first to pay certain Plan expenses and any remaining forfeitures will be used to offset future employer contributions. In 2024, employer discretionary nonelective contributions related to the 2023 Plan year were reduced by \$8,514 from forfeited nonvested accounts.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully

**The 401(k) Profit-Sharing Plan of
The Children's Center of Hamden, Inc.**

**Notes to Financial Statements
June 30, 2024**

benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's dividends, gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2024 and 2023.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Reclassification

Certain amounts in the 2023 financial statements have been reclassified to conform to the current year presentation.

Subsequent events

The Plan has evaluated subsequent events through April 14, 2025, the date the financial statements were available to be issued.

Note 3 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under

**The 401(k) Profit-Sharing Plan of
The Children's Center of Hamden, Inc.**

**Notes to Financial Statements
June 30, 2024**

Financial Accounting Standards Board issued Accounting Standards Codification Topic 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2024 and 2023:

Pooled separate accounts: Valued using the accumulation unit value, which is based on the fair value of the underlying assets of the account. The accumulation unit value is deemed equivalent to net asset value ("NAV"), which is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. In accordance with Subtopic 820-10, investments measured at NAV per share (or its equivalent) are not classified in the fair value hierarchy. Therefore, no fair value hierarchy table is included in the accompanying notes to the financial statements.

Fair value of investments in entities that use NAV

The following table summarizes the investment for which fair value is measured using NAV per share practical expedient as of June 30, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

| June 30, 2024 | | | | |
|--------------------------|--------------|----------------------|--|-------------------|
| | Fair value | Unfunded commitments | Redemption frequency (if currently eligible) | Redemption notice |
| Pooled separate accounts | \$ 4,265,784 | None | Daily | None |
| June 30, 2023 | | | | |
| | Fair value | Unfunded commitments | Redemption frequency (if currently eligible) | Redemption notice |
| Pooled separate accounts | \$ 4,266,045 | None | Daily | None |

Note 4 - Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held and notes receivable from participants as of June 30, 2024 and 2023, and investment income and interest income on notes receivable from participants for the year ended June 30, 2024 that is disclosed in the accompanying financial statements and supplemental schedule, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan.

Note 5 - Investment account with insurance company

The Plan has entered into a fully benefit-responsive guaranteed investment contract with Mutual of America Life Insurance Company via an investment in the Interest Accumulation Account totaling \$875,476 and \$828,388 as of June 30, 2024 and 2023, respectively. Mutual of America Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mutual of America Life Insurance Company, represents

**The 401(k) Profit-Sharing Plan of
The Children's Center of Hamden, Inc.**

**Notes to Financial Statements
June 30, 2024**

contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation or (4) a material amendment to the agreement without the consent of the issuer.

Note 6 - Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax status

The prototype plan document, which the Plan has adopted via a nonstandardized adoption agreement, obtained its latest opinion letter dated November 30, 2020, in which the Internal Revenue Service ("IRS") stated that the prototype plan document, as then designed, was in compliance with the applicable requirements of the IRC. Management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**The 401(k) Profit-Sharing Plan of
The Children's Center of Hamden, Inc.**

**Notes to Financial Statements
June 30, 2024**

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Related party transactions and party-in-interest transactions

Certain Plan investments in pooled separate accounts and the investment contract are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan allows participants to take loans against their account balances, which are also considered party-in-interest transactions. Administrative expenses paid by the Plan to the custodian amounted to \$1,721 for the year ended June 30, 2024. The Organization pays directly any other fees related to the Plan's operations.

Note 10 - Nonexempt transactions

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain Plan contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Organization for the year ended June 30, 2024. These delinquent participant contributions pertain to multiple payroll periods during the years ended June 30, 2024, 2023 and 2022. The Organization is working with its third-party administrator to calculate the lost earnings on the late deposits, which will be funded to the Plan and allocated to the respective participant accounts. The Organization believes that these transactions should not affect the tax-qualified status of the Plan.

Note 11 - Subsequent event

Subsequent to June 30, 2024, the Organization made the decision to change Plan service providers. As a result, the Plan transferred all of its assets and recordkeeping from Mutual of American Life Insurance Company to Voya in December 2024.
