INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Macy's, Inc. Welfare Benefits Plan

Opinion

We have audited the financial statements of Macy's, Inc. Welfare Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Macy's, Inc. Welfare Benefits Plan as of June 30, 2024 and 2023, and the changes in its benefit obligations and net assets available for benefits for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Macy's, Inc. Welfare Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Macy's, Inc. Welfare Benefits Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Macy's, Inc. Welfare Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Macy's, Inc. Welfare Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2024 and the supplemental schedule of reportable transactions for the year ended June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WELFARE BENEFITS PLAN
Notes to Financial Statements
June 30, 2024

1. Description of the Plan

The following brief description of the Macy's, Inc. Welfare Benefits Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

a) General

The Plan is sponsored by Macy's, Inc. (the "Company") and is open to certain current and former employees of the Company. Plan eligibility is based on employee status and length of service.

The Plan was established in January 1976 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Eligibility requirements for employee participation in the Plan vary among the participating divisions and subsidiaries.

b) Benefits

The Plan provides eligible employees and covered dependents health benefits (medical, vision, dental, prescription drugs) and flexible spending accounts. Retired employees are entitled to similar health benefits (in excess of Medicare coverage). The Plan also provides the continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's trust or the general assets of the Company. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

The Plan's health benefits are offered as a combination of high-deductible co-pay plans to active employees and certain retirees.

Beginning in July 2019, Macy's partnered with Alight Solutions Inc. for administration of benefits offered by the Plan. Furthermore, Macy's amended the Plan, effective November 30, 2019, to limit benefits offered to eligible employees under the Plan to health benefits (medical, vision, dental, prescription drugs) and flexible spending accounts and the Plan stopped providing benefits for life insurance and accidental death and dismemberment ("AD&D") as of December 1, 2020.

The mostly self-insured Plan provided certain health care, vision, dental, life insurance benefits and AD&D benefits through November 30, 2020, and certain health care, vision and dental benefits through the remainder of the Plan years ending on June 30, 2023. On July 1, 2023, the Plan entered into insurance contracts by which substantially all benefits became fully insured externally. The Company purchases annual insurance contracts for these insured benefits.

c) Additions and Deductions in Net Assets Available for Benefits

Employee and retiree contributions are made to the Plan generally through payroll deductions or direct payments to fund the payment of benefits or insurance premiums. Contribution levels vary and are based on numerous factors, including historical contribution rates, union representation and other market factors. Contributions not remitted directly to insurance companies for premium payments are held in a trust account until needed to meet Plan obligations.

MACY'S, INC.
WELFARE BENEFITS PLAN
Notes to Financial Statements
June 30, 2024

Fully-insured premiums are remitted to the insuring entity on a monthly basis, and the Plan has no further obligation for the payment of benefits.

The Plan pays administrative expenses that consist of administrative fees paid to third-party claims administrators and the trustee. These expenses are reported on the Statement of Changes in Benefit Obligations and Net Assets Available for Benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

The Company contributes to the Plan to the extent employee contributions are not sufficient to fund the payment of benefits, premiums, and administrative expenses.

2. Summary of Significant Accounting Policies

a) Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) Definition of Plan Year

The Plan's fiscal year ends June 30.

d) Investment Valuation and Revenue Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Income from investments is recorded as earned on an accrual basis.

The Plan's investments are held in a Trust (the "Trust") for which JPMorgan Chase, N.A. is the Custodian (the "Custodian"). The Plan invests in shares of certain affiliates of JPMorgan Chase Bank, N.A. and as JPMorgan Chase Bank, N.A. is the Custodian of the Plan, these transactions qualify as party-in-interest transactions.

e) Payment of Benefits

Benefit payments are recorded upon distribution.

f) Accrued Claims

The obligation for accrued claims includes claims that have been incurred and reported as of fiscal year end but not processed or paid and estimated claims that have been incurred but not reported. Accrued claims are developed using carrier lag reports. This calculation does not utilize a discount rate due to the short-term nature of the claims payment process. Although the plan became fully insured externally on July 1, 2023, there were accrued claims remaining as of June 30, 2024 for estimated claims that have been incurred by not reported.

MACY'S, INC.
WELFARE BENEFITS PLAN
Notes to Financial Statements
June 30, 2024

g) Postemployment Benefit Obligations

Postemployment benefit obligations relate to participants enrolled under COBRA. The obligation for COBRA benefits is estimated based on the actual number of employees utilizing COBRA benefits as of the measurement date and claim payment history. This calculation does not utilize a discount rate due to the short-term nature of the claims payment process. In the plan year ending June 30, 2024, the post employment benefit obligations were no longer necessary due to substantially all benefits being fully insured.

h) Rebates

Rebates are recorded when earned and netted against benefits paid. Rebates due as of the financial statement date have been reported as a receivable. Rebates totaling \$682,908 have been netted against benefits paid in the accompanying Statement of Changes in Benefit Obligations and Net Assets Available for Benefits.

i) Deposits and Other Assets

Deposits and other assets consist of imprest balances for medical claims.

j) Subsequent Events

The Company has evaluated subsequent events through April 14, 2025, the date the financial statements were available to be issued.

3. Investments

The Plan's investments are held by a bank-administered trust fund. The investments are valued and reported in the Plan's Statements of Benefit Obligations and Net Assets Available for Benefits at fair value in accordance with the guidance set forth in Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*. ASC Topic 820 defines fair value, establishes a framework for measuring fair value in accordance with GAAP and requires additional disclosures about fair value measurements. The ASC Topic 820 fair value hierarchy consists of three levels:

- Level 1 fair values are valuations based on quoted market prices in active markets for identical assets or liabilities that the Plan has the ability to access;
- Level 2 fair values are those valuations based on quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities; and
- Level 3 fair values are valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Plan's investments are open-end mutual funds that are registered with the Securities and Exchange Commission and are valued at the daily closing price as reported by the respective fund. The following is a description of the Plan's investments as of June 30, 2024 and 2023:

- The JP Morgan U.S. Government MM Fund invests primarily in high quality, short-term securities issued or guaranteed by the U.S. government or U.S. government agencies or instrumentalities and repurchase agreements collateralized by such obligations.

Each of the Plan's investments is required to publish its net asset value ("NAV") on a daily basis and to transact at that price. As such, the Plan's investments are deemed to be actively traded and have readily determinable fair values as defined by GAAP.

MACY'S, INC.
WELFARE BENEFITS PLAN
Notes to Financial Statements
June 30, 2024

The following tables present the investments of the Plan that are measured at fair value on a recurring basis as of June 30, 2024 and 2023 and their level within the fair value hierarchy:

	Shares	Total	Fair Value Measurements		
			(Level 1)	(Level 2)	(Level 3)
JP Morgan US Government MM Fund as of:					
June 30, 2024	3,617,738	\$ 3,617,738	\$ 3,617,738	\$ —	\$ —
June 30, 2023	13,178,972	\$ 13,178,972	\$ 13,178,972	\$ —	\$ —

For the years ended June 30, 2024 and 2023, there were no significant transfers in or out of levels 1, 2 or 3 of the fair value hierarchy.

4. Plan Termination

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time. Upon termination, the remaining assets in the Plan shall be applied in a uniform and non-discriminatory manner towards the provision of benefits for or on account of participating employees. Under no circumstances may any assets of the Plan revert to the benefit of the Company.

5. Postretirement Benefit Obligations

The amount reported as postretirement benefit obligations represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employee service rendered through June 30, 2024 and 2023, reduced by the actuarial present value of contributions expected to be received in the future from current Plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the Company. The postretirement benefit obligation will be funded by contributions from the Company and from existing plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is the amount that results from applying actuarial assumptions to the estimated future annual incurred claims costs per participant, adjusted for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The calculation of the present value of accumulated plan benefits was made by a third party actuary. Significant assumptions underlying the actuarial computations as of June 30, 2024 and 2023 include: (a) mortality rates based on Pri-2012 White Collar mortality table projected forward to the measurement date using MP-2021 for June 30, 2024 and mortality rates based on Pri-2012 White Collar mortality table projected to 2016 using MP-2018, then projected forward to the measurement date using MP-2021 for June 30, 2023; (b) retirement rates based on years of service and an age-graded scale; and (c) an interest rate of 5.34% compounded annually for June 30, 2024 and 5.09% compounded annually for June 30, 2023.

On December 8, 2003, the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (the "Act") for employers that sponsor postretirement health care plans that provide prescription drug benefits was signed into law. The Act introduced a prescription drug benefit under Medicare as well as a federal subsidy to sponsors of retiree health care benefit plans that provide a benefit that is at

MACY'S, INC.
WELFARE BENEFITS PLAN
Notes to Financial Statements
June 30, 2024

least actuarially equivalent to Medicare Part D.1. Under the Act, the Medicare subsidy amount is received directly by the plan sponsor and not the related plan. Unlike the Plan sponsor's accounting for the Medicare subsidy, the Plan's postretirement benefit obligations and the changes in the benefit obligations do not reflect any amount associated with the Medicare subsidy.

In March 2010, President Obama signed into law the Patient Protection and Affordable Care Act and the Health Care and Education Affordability Reconciliation Act of 2010 (the "2010 Acts"). The 2010 Acts contain additional provisions which impact the accounting for postretirement obligations. The Further Consolidated Appropriations Act, 2020, signed into law on December 20, 2019, included a permanent repeal of three taxes/fees imposed by the Affordable Care Act, including the repeal of the 40% excise tax on high-cost health plans ("Cadillac Tax") that was previously assumed to take effect in 2022.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

Health care costs incurred by participants and their beneficiaries and dependents are covered by the Plan. The Company is not permitted under present tax law to deduct amounts for future benefits (beyond one year). Insurance premiums for future years in respect of the Plan's postretirement benefit obligation will be funded by Company contributions to the Plan in those later years. The postretirement benefit obligation as of June 30, 2024 and 2023, related to the following categories of participants (including their beneficiaries and dependents), is as follows and reflects the Plan amendment, effective November 30, 2019, to limit benefits offered to eligible employees under the Plan to health benefits (medical, vision, dental, and prescription drugs) and flexible spending accounts as more fully discussed in Note 1.:

	2024	2023
Current retirees	\$ 11,546,000	\$ 13,096,000
Other participants fully eligible for benefits	160,000	1,164,000
Participants not yet fully eligible for benefits	31,000	200,000
Total postretirement benefit obligations	<u>\$ 11,737,000</u>	<u>\$ 14,460,000</u>

The following provides the assumed health care cost trend rates related to the Plan's postretirement benefit obligations at June 30, 2024 and 2023:

	2024	2023
Health care cost trend rates assumed for next year	5.75%-9.50%	5.50%-8.00%
Rates to which the cost trend rate is assumed to decline (the ultimate trend rate)	4.50%	4.50 %
Years that the rate reaches the ultimate trend rate	2033	2031

The assumed health care cost trend rates have a significant effect on the amounts reported for the postretirement benefit obligations. A one-percentage-point increase would increase the obligation by approximately \$465,000. A one-percentage-point decrease would decrease the obligation by approximately \$426,000.

MACY'S, INC.
WELFARE BENEFITS PLAN
Notes to Financial Statements
June 30, 2024

The costs of the postretirement benefits are shared by the Company and retirees. In addition to deductibles and co-payments, participant contributions for medical benefits vary by division, date of enrollment and union membership status.

6. Tax Status

The Trust is organized to be exempt from Federal Income Tax under Section 501(c)(9) of the Internal Revenue Code. The Internal Revenue Service issued an exemption letter dated April 26, 1976, stating that the Trust is exempt from income tax. The Plan sponsor believes that the Plan and its Trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and accordingly, no provisions for income taxes have been included in the Plan's financial statements. The Company believes the Plan is no longer subject to income tax examinations for years prior to 2021.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500 at June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for plan benefits per the financial statements	\$ 12,081,357	\$ 41,688,502
Benefit obligations	17,510,201	48,856,003
Net assets available for plan benefits per the Form 5500	<u>\$ (5,428,844)</u>	<u>\$ (7,167,501)</u>

The following is a reconciliation of the total benefit payments per the financial statements to the Form 5500:

	<u>Year Ended June 30, 2024</u>
Total benefit payments per the financial statements (insurance carrier premiums and benefits paid)	\$ 346,592,366
Add: Total Benefit Obligations at June 30, 2024	17,510,201
Less: Total Benefit Obligations at June 30, 2023	<u>(48,856,003)</u>
Net change	(31,345,802)
Total benefit payments per the Form 5500	<u>\$ 315,246,564</u>

8. Related Parties

The Plan invests in shares of the JPMorgan US Government Money Market Fund of JPMorgan Chase Bank, N.A. JPMorgan Chase Bank, N.A. is the Custodian of the Plan and therefore, these transactions qualified as party-in-interest. In addition, the Plan paid JPMorgan Chase Bank, N.A. \$4,963 of administrative expenses in custodial fees during the year ended June 30, 2024.

9. Plan Amendments, Modifications and Termination

The Plan may be amended, modified or terminated at any time by the Company as long as no funds of the Plan are used for purposes other than the benefit of Plan members or the payment of administrative expenses.

Effective November 30, 2019, the Plan was amended to limit benefits offered to eligible employees under the Plan to health benefits (medical, vision, dental, and prescription drugs) and flexible

MACY'S, INC.

spending accounts and the Plan stopped providing benefits for life insurance and AD&D as of December 1, 2020.

On July 1, 2023, the Plan entered into insurance contracts by which substantially all benefits became fully insured externally. The Company purchases annual insurance contracts for these insured benefits.

10. Risks and Uncertainties

The Plan provides for investments in an investment security. Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Benefit Obligations and Net Assets Available for Benefits.

The actuarial present value of postretirement benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Additionally, the liabilities for claims incurred but not reported and postemployment benefit obligations are based on certain assumptions and estimates associated with the lag between when claims have historically been incurred and eventually paid. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term, would be material to the financial statements.

In the normal course of business, the Plan can become involved in legal proceedings. In the opinion of the Company, the aggregate liability, if any, with respect to these actions will not materially adversely affect the Plan's Statements of Benefit Obligations and Net Assets Available for Benefits.
