## INDEPENDENT AUDITOR'S REPORT

Plan Participants and Board of Trustees  
Insulators Local Union Number 112 Pension Trust Fund  
Lake Charles, LA

### Opinion

We have audited the accompanying financial statements of the Insulators Local Union Number 112 Pension Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of accumulated plan benefit and of changes in accumulated plan benefits for the three years ended June 2022 and 2019, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of Insulators Local Union Number 112 Pension Trust Fund as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and changes in its accumulated plan benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Insulators Local Union Number 112 Pension Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Insulators Local Union Number 112 Pension Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Insulators Local Union Number 112 Pension Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Insulators Local Union Number 112 Pension Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Emphasis of Matter**

The Plan became insolvent March 1, 2018, all participant benefits have been reduced to levels required by the PBGC. The PBGC is providing funds to cover the payment of benefits and reasonable administrative expenses due to insolvency of the Plan. The ability of the Plan to continue operations and payment of benefits is dependent on the PBGC continuing to provide financial assistance.

The PBGC also requires an actuarial valuation only once every three years. The Statements of Accumulated Plan Benefit show a comparative balance as of June 30, 2022 and June 30, 2019 which is the last period that a valuation has been performed. The Statements of Changes in Accumulated Plan Benefits shows the change from June 30, 2019 to June 30, 2022 which is a three-year period. This is a departure from Generally Accepted Accounting Principles.

### ***NOTE A - DESCRIPTION OF PLAN***

The following description of the Insulators Local Union Number 112 Pension Trust Fund (Plan) provides only general information. Participants should refer to the Trust Agreement and Plan Documents for a complete description of the Plan's provisions.

- **General**

The Plan is a defined benefit pension plan that provides pension benefits to eligible participants who are retiring from the industry. Participating employers were covered by collective bargaining agreements between the Insulation Contractors Association of Lake Charles, Louisiana and the International Association of Heat and Frost Insulators and Asbestos Workers Local Union 112 of Lake Charles, Louisiana and Orange, Texas.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Administrative services are performed by employee(s) of the Plan. The Plan's operating assets are held with Bank of Labor.

- **Plan termination**

The Plan was terminated by mass withdrawal on July 1, 2016. The Plan is not subject to the minimum funding requirements for the years ended June 30, 2024 and 2023 or subsequent years; therefore, there is no legal minimum contribution requirement. As a result of the termination, there will be no new participants in the Plan and no additional pension or vesting credits can be earned.

- **Plan insolvency**

The Plan became insolvent March 1, 2018, all participant benefits have been reduced to levels required by the Pension Benefit Guaranty Corporation (PBGC). As a rule, the PBGC's guaranteed benefit is calculated as follows. For each year of credited service under the Plan, the maximum guarantee of monthly benefits is limited to 100% of the first \$11 of the participant's accrual rate, plus 75% of the next \$33 for each year of credited service or a maximum of \$35.75 per year of credited service. Only those benefits which are non-forfeitable prior to insolvency of the Plan are guaranteed.

- **Tax status**

The Plan obtained its latest determination letter on November 18, 2015, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan's administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

**Notes to Financial Statements  
June 30, 2024 and 2023**

**NOTE A - DESCRIPTION OF PLAN (continued)**

- **Tax status (continued)**

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that would require financial statement recognition or disclosure for the years ended June 30, 2024 and 2023.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is no longer subject to tax examinations by tax authorities for years preceding June 30, 2020.

- **PBGC Funding**

The PBGC is providing funds to cover the payment of benefits and reasonable administrative expenses due to insolvency of the Plan. The Plan sends a funding request to the PBGC quarterly to cover the funding deficiency for that period. A security agreement is in place for such payments received by the Plan. Per the security agreement, the PBGC will retain a security interest in all future employer contributions and withdrawal liability payments.

Based on recent guidance provided by the AICPA, financial assistance from the PBGC is recognized as a loan payable in the statements of net assets available for benefits. Due to the insolvency of the Plan, repayment of PBGC funds is unlikely.

For the years ended June 30, 2024 and 2023, PBGC funding received totaled \$833,800 and \$867,700, respectively. Cumulative PBGC funding received as of June 30, 2024 totaled \$5,713,800.

Interest is accrued on the outstanding principal amount from the date on which the PBGC makes the wire-transfer to the Fund, until paid, at a rate in effect under Section 6621(a)(2) of the Internal Revenue Code, which is compounded daily. Interest rates for the years ended June 30, 2024 and 2023 ranged from 3% to 5%. As of June 30, 2024, interest accrued on the outstanding principal balance totaled \$781,041.

In addition, PBGC premiums are no longer required to be remitted to the PBGC. However, the waived premiums are added to the promissory note. As of June 30, 2024, PBGC premiums accrued totaled \$44,424.

The ability of the Plan to continue operations and payment of benefits is dependent on the PBGC continuing to provide financial assistance.

### **NOTE A - DESCRIPTION OF PLAN (continued)**

- **Pension benefits (pre-termination)**

Effective February 1, 2007, an early unreduced benefit shall no longer be payable. An early reduced retirement benefit is equal to the participants accrued benefit as of the participants annuity starting date, reduced by a factor equal to ½ of 1% for each calendar month by which the participants annuity starting date precedes the participants normal retirement age. An early reduced benefit shall be payable after the attainment of age 55 and 10 years of service.

The standard form of payment is the 50% Joint and Survivor Pension unless this form is rejected by the participant and the spouse. Normal retirement benefits under the Plan are paid to participants who have attained age 65 with five or more years of credited service.

A pre-retirement survivor annuity is payable if a participant is eligible for a Normal Retirement Benefit or Early Retirement Benefit at the time of his death, the Spouse will begin receiving a monthly benefit on the first day of the month following the participant's death. The amount of the benefit will be determined as though the participant had retired, (on a Normal Retirement Benefit or Early Retirement Benefit, depending on age) with a 50% Joint and Survivor Pension form in effect on the day before his death; the Spouse will receive 50% of the amount the participant would have received for her life.

### **NOTE B - SUMMARY OF ACCOUNTING POLICIES**

- **Basis of accounting**

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and presented in a format to coincide with the Form 5500.

- **Use of estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

- **Property and equipment**

Assets having an estimated useful life that extends beyond the year of acquisition are capitalized at cost. Depreciation is provided using the straight-line method over the estimated useful lives of the assets (office furniture and equipment over three years), with a half year's depreciation in the years of acquisition and disposal.

- **Payment of benefits**

Benefit payments to participants are recorded upon distribution.

June 30, 2024 and 2023**

**NOTE B - SUMMARY OF ACCOUNTING POLICIES (continued)**

• **Subsequent events**

Management has evaluated subsequent events through April 3, 2025, the date the financial statements were available to be issued. No subsequent events have occurred requiring accrual or disclosure.

**NOTE C - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS**

Accumulated plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are accumulated based on hours worked in covered employment during each year of credited service. The accumulated plan benefits for active employees will equal the accumulation, with interest, of the annual benefit accruals as of the benefit information date. Benefits payable under all circumstances – retirement, death, disability, and termination of employment – are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts and interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuation as of June 30, 2024 are as follows:

Investment return	5.0% compounded annually
Retirement age	100% of participants will retire by age 65
Mortality basis	PRI 2012BC generational
Actuarial Cost Method	Entry Age Normal Cost Method. Entry age is the age at hire date. Normal Cost and Actuarial Accrued Liability are calculated on an individual basis and allocated by service, with Normal Cost determined as if the current benefit accrual rate had always been in effect.
Percent Married	90%
Administrative expenses	\$110,000 was assumed as a current year expense added to the normal cost.

The foregoing actuarial assumptions are based on the presumption that the Plan will become insolvent and will then be funded by the PBGC.

**Notes to Financial Statements  
June 30, 2024 and 2023**

**NOTE C - MULTIEMPLOYER PENSION PLANS**

The Plan remits monthly contributions on behalf of its employee(s) to multiemployer pension plans. These plans were created to provide its participants with post-retirement pension payments. The nature of a multiemployer plan differs in participation and risk from a single employer plan. During the years ended June 30, 2024 and 2023, the Plan did not contribute greater than five percent of the total contributions to a multiemployer pension plan, nor were there any significant changes in the contributions. Plan information is publicly available. The Plan has no direct control over these plans. The following is a summary of the Plan’s pension information and contributions as of June 30, 2024 and 2023:

Pension Fund	EIN/ Plan No.	Pension Protection Act - Zone Status		FIP/RP Status	Contributions		Surcharge Imposed	Expiration Date of CBA
		2024	2023	Pending/ Implemented	2024	2023

- (1) No expiration date exists.
- (2) Defined contribution plan.

**NOTE D - PARTY-IN-INTEREST TRANSACTIONS**

Payments for professional services such as administration, actuarial, legal, and auditing are considered reasonable and customary for such services. Operating expenses that are jointly incurred are allocated among various benefit plans as per approved cost sharing agreements. Total reimbursements received from other plans for the fiscal years ended June 30, 2024 and 2023 totaled \$40,564 and 17,623, respectively.

During the years ended June 30, 2024 and 2023, under the same cost sharing agreement the Plan made payments for rent to Local #198 totaled \$12,000 and \$6,400 respectively.
