The financial statements comprise the statement of net assets available for benefits as of June 30, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended June 30, 2024 and the related noted to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Washington County Mental Health Services, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of Washington County Mental Health Services, Inc. 403(b) Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 2 to the financial statements, the Washington County Mental Health Services, Inc. 403(b) Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Washington County Mental Health Services, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Our responsibility is to conduct an audit of Washington County Mental Health Services, Inc. 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Washington County Mental Health Services, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Participant Loans

Under the current plan, participant loans are not permitted.

Payment of Benefits

On termination of service due to death, disability or retirement, the participant or their beneficiary will be eligible for 100% of their account balance. If the participant is married on the date benefits are to begin, he/she will automatically receive a joint and 50% survivor annuity. If the participant is not married on the date benefits are to begin, they will automatically receive a life annuity. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments

Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the plan at year-end. The Plan's Trustees are designated to hold and invest Plan assets for the benefit of the Plan's participants. The mutual funds are invested in various types of investments such as money market investments, stocks, bonds and other governmental obligations.

Plan Termination

Although it has not expressed any intent to do so, the employer has the right to terminate the Plan at any time.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (continued)

Administration of Plan Assets

Contributions made to the Washington County Mental Health Services, Inc. 403(b) Plan are held and invested by the Custodian of the Plan. The Trust Fund established by the Plan's Custodian will be the funding medium used for the accumulation of assets from which benefits will be distributed.

The Plan's administrator keeps the records for the Plan and is responsible for the administration of the Plan.

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. See note 6 for discussion of fair value measurements.

Excluded Contracts and Accounts

The plan administrator has elected to exclude certain contracts and accounts from plan assets in accordance with DOL FAB 2009-02 due to the fact that:

- The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact stopped making contributions to the contract or account before January 1, 2009;
- All the rights under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer; and
- The individual owner of the contract is fully vested in the contract or account.

NOTE 3 RELATED PARTY TRANSACTIONS/PARTIES IN INTEREST

The employer, Washington County Mental Health Services, Inc., provides administrative services to the plan at no charge and absorbs significant costs associated with administration of the plan. The plan invests in allocated insurance contracts and annuities sponsored by the Newport Group, Inc., the plan's custodian, as defined by the plan, and therefore, these transactions qualify as party in interest transactions. The Newport Group, Inc. provides administrative services to the plan. Newport Group, Inc. receives revenue from fund service providers for services the Newport Group, Inc. provides to the funds. This revenue is offset certain amounts owed to the Newport Group, Inc. for administrative services to the plan.

If the revenue received by the Newport Group, Inc. from service providers exceeds the amount owed to the Newport Group, Inc., the Newport Group, Inc. remits the excess to the Plan on a quarterly basis. Such amounts may be applied to pay plan administrative expenses. During the year ended June 30, 2024, there was \$7,420 remitted to the plan. At June 30, 2024, there was \$2,656 available to offset future administrative expenses.

The plan paid \$17,904 and \$11,297 to the custodian for administrative fees during the years ended June 30, 2024 and 2023, respectively.

NOTE 4 TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has not obtained a favorable tax determination letter from the Internal Revenue Service. The Plan sponsor believes that the Plan is operated and in compliance with the applicable regulations.

Consideration has been given to uncertain tax positions. The federal income tax returns for the years ended after June 30, 2017, remain open for potential examination by the Department of Labor, generally for six years after they were filed.

NOTE 6 FAIR VALUE MEASUREMENTS

Fair Value Measurement establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable;

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value as of June 30, 2024 and 2023. Investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
