Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

April 14, 2025

To the Trustees of
St. Anne Institute 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of St. Anne Institute 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of St. Anne Institute 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of St. Anne Institute 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Anne Institute 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Anne Institute 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Anne Institute 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ST. ANNE INSTITUTE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

1. THE PLAN

The following description of the St. Anne Institute 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution 403(b) plan established for eligible employees of St. Anne Institute (the "Institute"). The Plan is administered by management of the Institute and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodian of the Plan is Hand Benefits & Trust Company.

Eligibility

All employees of the Institute are eligible to begin salary deferrals upon their date of employment. Employees are eligible to receive employer matching contributions and employer discretionary contributions after attaining the age of twenty-one and completing twelve months of service.

Effective September 1, 2023, the Plan was amended to allow for automatic enrollment of 1% deferral for those employees with no election forms on file and all new employees. In addition, all requirements to receive employer matching contributions were eliminated.

Contributions

Each year participants may elect to contribute a percentage of their eligible compensation, subject to the maximum dollar amount limit as determined by the Internal Revenue Code (the "Code") and regulations thereunder. Participants over the age of 50 are eligible to make catch-up contributions. In addition, participants may rollover an eligible rollover distribution from a qualified plan. The Institute provides matching contributions equal to 1% of the participant's compensation provided the participant elective deferrals equal or exceed 1% of their compensation.

The Institute may also make employer discretionary contributions to the Plan at the option of its Board of Trustees. Employer discretionary contributions are allocated to participants based on a formula that takes into account the participant's age and gross compensation during the Plan year compared to compensation of all participants eligible to receive a contribution. There were no employer discretionary contributions made to the Plan for the years ended June 30, 2024 and 2023.

Notes Receivable from Participants

Participants can borrow from their accounts up to a maximum of the smaller of \$50,000 or 50% of their vested account balance, subject to a minimum loan amount of \$1,000. Loan terms range from one to five years but are extended if the proceeds are used for the purchase of a primary residence.

Notes receivable are secured by the balance in the participant's account and bear interest at the federal prime rate. The rate is fixed for the duration of the note receivable. Repayment of principal and interest is paid through participants' personal accounts. Should a participant default on the payments, the outstanding balance of the loan is deemed uncollectible and written off as a distribution of Plan assets.

1. THE PLAN (Continued)

Notes Receivable from Participants (Continued)

The Plan has determined an allowance for uncollectible notes receivable from participants is unnecessary at June 30, 2024 and 2023. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Vesting

Participants are immediately vested in their voluntary contributions and actual investment earnings and losses thereon. Vesting in the employer matching and discretionary contributions is subject to a graduated vesting schedule. A participant is 100% vested upon: (1) disability, (2) death, (3) normal retirement at age 65, or (4) termination of the Plan. A participant shall have a vested and nonforfeitable interest in their account determined by the years of service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investment Options

The Plan currently offers a selection of mutual funds to invest in. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with (a) the employee's contributions, (b) the Institute's matching and discretionary contribution, (c) plan administrative expenses, and (d) Plan earnings/losses associated with the participant's account. Allocations are based on participant earnings or account balances, as defined in the Plan Document.

Administrative Expenses

Certain Plan expenses are paid directly by the Institute and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Upon death, disability, attainment of normal retirement age, or termination of service, a participant (or their beneficiary upon death) may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum or installment payments as defined by the Plan document. Benefits are recorded when paid.

Hardship Withdrawals

Prior to age 59 ½, a participant may withdraw his or her participant contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Forfeitures

Forfeiture balances, if any, are first used to pay Plan expenses, and then to supplement employer contributions. The balance of forfeitures for the years ended June 30, 2024 and 2023 was approximately \$26,000 and \$19,000, respectively. There were no forfeitures used to pay Plan expenses or reduce employer contributions for the years ended June 30, 2024 and 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of additions and deductions during the reporting period. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan invests in mutual funds which are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant-directed.

Fair Value Measurement

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual Funds: Valued at the net asset value of shares held at year end based on quoted prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in the valuation techniques during 2024 and 2023.

3. CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Hand Benefits & Trust Company, the Plan's custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of, and for the years then ended June 30:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ <u>5,549,995</u>	\$ <u>4,506,532</u>
Notes receivable from participants	\$ <u>89,341</u>	\$ <u>59,453</u>
Interest on notes receivable from participants	\$ <u>3,955</u>	\$ <u>1,775</u>
Total investment income	\$ <u>709,163</u>	\$ <u>483,169</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

At June 30, 2024, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ <u>5,549,995</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>5,549,995</u>

4. FAIR VALUE MEASUREMENTS (Continued)

At June 30, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ 4,506,532	\$ -	\$ -	\$ 4,506,532

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Institute has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows participants of the Plan to receive loans under specific circumstances. As such, transactions between participants with loans and the Plan qualify as party-in-interest transactions.

7. TAX STATUS

The Plan is exempt from federal and state income tax under Section 403(b) of the Internal Revenue Code. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exemption. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. FORM 5500 RECONCILIATION
