NOTE: The accompanying financial statements have been prepared for the purpose of filing DOL Form 5500. INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
ICCD, Inc. Retirement Plan
Bayside, New York 11361

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the ICCD, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the ICCD, Inc. Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the Voya Retirement Insurance and Annuity Company, a qualified institution, as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Notes 3, 4 and 5 to the financial statements, are complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ICCD, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ICCD, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements - continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ICCD, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ICCD, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matter - continued

Supplemental Schedule Required by ERISA - continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the ICCD, Inc. Retirement Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental schedule. These financial statements, supplemental schedule, and notes are representations of Interdisciplinary Center for Child Development, Inc.'s, (the "Employer" or "Plan Sponsor") management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies have been consistently applied in the preparation of the financial statements and supplemental schedule.

Effective January 1, 2014, the Plan changed its year end from December 31 to June 30.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition: Investments in variable annuities and fixed interest accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 3 and 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and gains on investments bought and sold as well as held during the year. During the year ended June 30, 2024, the Plan's investment gains were \$1,721,372.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between July 1, 2024 and April 10, 2025, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Any such disclosures have been reflected within the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The Plan was established January 1, 1992 to provide deferred compensation and profit-sharing benefits to employees of the Plan Sponsor.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document, which is available from the Plan Sponsor, for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor who have completed one month of service and have reached 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: Each year, participants may contribute to the Plan a percentage of eligible compensation or in specific dollar amounts. Employees may elect to defer a maximum amount not to exceed thresholds as established by the IRS. In addition, participants who attained age 50 by June 30 were eligible to make additional catch-up contributions not to exceed thresholds as established by the IRS. Such contributions are excluded from the participants' federal taxable income until received as withdrawals or distributions from the Plan. Participants may also contribute amounts distributed from other qualified plans.

The Plan provides for employer matching contributions. Employees eligible to defer are also eligible to receive employer matching contributions. The Plan Sponsor matches 100% of the first 3% of a participating employee's salary deferred plus 50% of the next 2% of the salary deferred, for a maximum matching contribution of 4% of salary. During the year ended June 30, 2024, the Plan Sponsor contributed \$191,602 of matching contributions into the Plan.

The Plan Sponsor may also make profit sharing contributions to the Plan at the discretion of management, up to 25% of total employee compensation as defined in the Plan document. Employees must complete at least 500 hours of service during the Plan year and be employed on the last day of the Plan year in order to receive profit sharing contributions. For the year ended June 30, 2024, the Plan Sponsor contributed \$308,398 of profit-sharing contributions.

The employer matching contributions have been reflected as employer contributions receivable in the accompanying statements of net assets available for benefits. All contributions are subject to IRS limitations.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Participant Accounts: Each participant's account is credited with an allocation of the Plan Sponsor's contribution, net of forfeitures of non-vested contributions, and the Plan's earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are one hundred percent vested in their voluntary contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contributions portion of participant accounts plus earnings thereon is based on continuous service, and in some cases, a break in service. Vesting occurs as follows:

<u>Years of Credited Service</u>	<u>Vesting Percentage</u>
Fewer than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits: Participants will reach the Plan's normal retirement age at the later of age sixty-five or the fifth anniversary of the first Plan year in which the employee became a participant. At the normal retirement age, participants will be entitled to one hundred percent of their vested account balances, but benefits may be deferred if the participant so elects. Participants are entitled to one hundred percent of their vested account balances upon termination, and their estates are entitled to one hundred percent of the decedents' vested account balances upon death.

Forfeitures: When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture. Forfeitures are applied against the employer contributions made. During the year ended June 30, 2024, \$24,401 of forfeitures was used to reduce matching contributions. As of June 30, 2024, there was a forfeiture balance of \$80,558.

Notes Receivable from Participants: Participants may borrow from their vested fund account balance, a minimum of \$1,000 and up to a maximum equal to the lesser of (a) \$50,000 or (b) one-half of the value of their vested fund account balance. A participant may have more than one outstanding loan at a time. The loans are secured by the balance in the participant's account and bear interest at prevailing market rates at the time the loan is taken.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Loans are not permitted to be made to any shareholder-employee or owner-employee. Outstanding loans at June 30, 2024 and 2023 bore interest at rates between 4.75% and 10.00%. Principal and interest are paid ratably through payroll deductions.

Deemed Distributions: When a participant fails to make loan repayments under the terms of their loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant. There were no deemed distributions during the year ended June 30, 2024.

In-Service Withdrawals: In-service or hardship withdrawals are permitted by the Plan.

Administrative Expenses: Certain administrative functions are performed by employees of the Plan Sponsor for which they are compensated by the Plan Sponsor. In addition, the Plan Sponsor pays certain other Plan-related expenditures. Certain investment-related Plan expenses, like fees paid to administer and manage the funds, are paid from the assets of the funds, and therefore reduce the overall return offered by the funds.

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was amended on July 1, 2022 to comply with the IRS Cycle 3 Restatement.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value, providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset and liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Voya Retirement Insurance and Annuity Company, (the "Trustee") invests contributions in variable annuity products. The Trustee hires money managers to create investment portfolios with specific performance objectives outlined by the Trustee. These annuities are not securities in which the general public can invest, but instead are limited to participants of a qualified retirement plan for which the Trustee serves in a fiduciary capacity. These annuities are not readily traded, and as such, their values and performance are not published. If the Plan cancels the annuity contract or withdraws funds in excess of allowable levels prior to maturity of the annuity, the Plan may be subject to surrender charges based upon the annuity's surrender schedule. The Plan's investments in fixed interest accounts have qualities of non-benefit responsive guaranteed investment contracts.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at June 30, 2024.

Pooled Separate Accounts: Variable annuities are valued at the net asset value ("NAV") of shares held by the Plan at year end.

Fixed Interest Accounts: Fixed interest accounts are valued based on the contract agreement with the provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023:

	Assets at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total

Total assets at fair value.....	\$ -	\$ -	\$ 1,859,762	\$ 13,113,352

(a) This category includes pooled separate accounts that are designed to deliver safety and stability by preserving principal and accumulating earnings, valued at the NAV of units held by the plan at year end. The NAV is determined by the custodian of the fund and is based on the fair value of the underlying assets held by the fund. In accordance with ASC Topic 820, Fair Value Measurements, certain investments are measured at fair value using the NAV per share (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 4 - POOLED SEPARATE ACCOUNTS THAT CALCULATE NET ASSET VALUE PER SHARE (continued)

Fixed Income Funds: A fund that invests solely in fixed income investments, such as bonds or certificates of deposit, as opposed to equity investments. The objective of fixed income funds is guaranteed income as opposed to capital growth. Fixed income funds typically invest in corporate debt or municipal debt. Debt rates of return are based upon economic conditions and credit worthiness of the debtor.

Target Funds: These funds are a hybrid mutual fund that automatically resets the asset mix (stocks, bonds, cash equivalents) in its portfolio according to a selected time frame that is appropriate for a particular investor. The target fund is structured to address a future date, such as retirement.

Equity Funds: Equity funds invest principally in stocks, as opposed to bonds, notes, or other securities. The objective of an equity fund is long-term growth through capital gains, although historically dividends have also been an important source of total return. Stock funds typically have a specific style, for example, value or growth, and can invest in large, moderate, small, or micro companies that trade on one of the major markets or over the counter (e.g. pink sheets).

Money Market Funds: An investment fund that holds the objective to earn interest for shareholders while maintaining a NAV of \$1 per share. Portfolios are comprised of short-term (less than one year) securities representing high-quality, liquid debt and monetary instruments. Money market funds provide accessible cash-equivalent assets characterized as a low-risk, low-return investments.

Variable annuities contain surrender charges and redemption restrictions that may limit the amount a participant would receive when the funds are liquidated and withdrawn.

NOTE 5 - INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable at June 30, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended June 30, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee of the Plan, the Voya Retirement Insurance and Annuity Company.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 7 - INCOME TAX STATUS

The IRS has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC").

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 8 - TRANSACTIONS WITH PARTY-IN-INTEREST

At June 30, 2024 and 2023, certain Plan investments were managed by the Trustee and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net depreciation in fair value of investments. Participant loans also qualify as party-in-interest transactions.
