## **INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees  
Graphic Communications International Union Local 119B  
New York – Printers League Welfare Trust Fund

### **Opinion**

We have audited the financial statements of the Graphic Communications International Union Local 119B, New York – Printers League Welfare Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in benefit obligations and in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Graphic Communications International Union Local 119B, New York – Printers League Welfare Trust Fund as of June 30, 2024 and 2023, and the changes in benefit obligations and in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Graphic Communications International Union Local 119B, New York – Printers League Welfare Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Graphic Communications International Union Local 119B, New York – Printers League Welfare Trust Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **INDEPENDENT AUDITORS' REPORT (continued)**

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Graphic Communications International Union Local 119B, New York – Printers League Welfare Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Graphic Communications International Union Local 119B, New York – Printers League Welfare Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**NOTE 1 – DESCRIPTION OF PLAN**

The following brief description is provided for general information purposes only. Participants should refer to the Summary Plan Description and Plan Agreement for more complete information.

**General:** The Graphic Communications International Union Local 119B, New York – Printers League Welfare Trust Fund (the “Plan”) is a multi-employer plan that was established for the purpose of providing health care and other benefits to eligible employees covered by collective bargaining agreements between the Graphic Communications International Union Local 119B-43B, New York (the “Union”) and individual employers signatory to the agreements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Plan Administration:** The administration of the Plan is the responsibility of a Board of Trustees composed of Union and Employer Trustees. The Union Trustees and Employer Trustees have equal voting rights. The investments of the Plan are managed by investment advisers and maintained by separate Plan custodians.

**Benefits:** The Plan provides health benefits as enumerated in Note 10 to active participants of the Plan and to their beneficiaries and covered dependents. The benefit that a participant is entitled to is based upon the collective bargaining agreement signed by the participant’s employer and the number of hours worked in covered employment.

The Plan also provides full or partial coverage to retirees who were participants in the Plan eligible for coverage as an active participant on their retirement date; and who met the required combination of age and number of past and future Pension Service Credits earned in the Graphic Communications International Union Local 119B, New York – Printers League Pension Fund (“Pension Fund”) earned or, after January 1, 2003, a combination of age and number of past and future Service Credits earned in the Plan; and based on the number of shifts worked in covered employment in the twenty-four months immediately preceding the effective date of retirement. In addition, they must contribute towards the cost of medical coverage.

During the year, the following insured benefits were in effect:

Insurer	Benefits
Gerber Life Insurance Company	Stop loss (terminated 12/2022)
IOA Re, LLC	Stop loss (effective 3/2023)
Dentcare, Inc.	Dental

All other benefits are self-insured.

During the year, the following benefit administrative contracts were in effect:

Third Party Administrator	Benefits
General Prescription Programs, Inc.	Prescription drugs
Zenith American Solutions	Medical and hospital claims processor
UnitedHealth Group (acquired Healthplex)	Dental
MedReview, Inc.	Medical and hospital claims review
Empire HealthChoice Assurance, Inc.	Preferred Provider Organization

**Funding:** Contributions under the various contracts are made by employers for covered participants based on hours/shifts worked. The contribution rates are determined by the collective bargaining agreements in effect at the time.

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

---

**NOTE 1 – DESCRIPTION OF PLAN (continued)**

**Funding (continued):** The Plan also accepts contributions for employees of the Union and the Plan under separate participation agreements. The Plan provides retiree coverage based on various qualifying criteria, one of which is that retirees must contribute to the plan based on their coverage.

Effective October 1, 2015, active participants must make weekly contributions to the Plan to remain eligible for benefits.

**Plan Termination:** The Plan document provides that upon the termination of the Plan, any monies remaining after the payment of all expenses and obligations shall be paid or used for the continuance of one or more benefits in accordance with the provisions of the Plan document until the Plan is exhausted.

**Other:** Although they have not expressed any intention to do so, the Trustees have the right to amend or terminate the Plan subject to the provisions set forth in ERISA. The Plan may be terminated completely or partially at any time by the Board of Trustees, subject to the provisions set forth in ERISA.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting:** The financial statements were prepared on the accrual basis of accounting.

**Payment of Benefits:** The benefit payments to or for participants are recorded when paid.

**Valuation of Investments:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Unrealized gains or losses are the differences between the fair value of the investments held at year-end and those held at the beginning of the year. Realized gains or losses on the sale of investments are based on the historical costs of the individual investments sold for financial reporting purposes.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Other Plan Benefits:** Plan obligations at June 30 for health claims incurred by active participants but not reported at that date, for accumulated eligibility of participants, and for future death and disability payments at June 30 are estimated by the Plan's actuary in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying statement of the Plan's benefit obligations at present value.

The Plan provides for the payment of benefits for a period of time subsequent to the financial statement date for those participants who have accumulated a sufficient number of eligibility credits or hours. Such rules permit eligible participants benefits during periods of unemployment or inactivity, when employer contributions to the Plan would otherwise not provide coverage or benefits. At the financial statement date, such accumulated eligibility credits represent a liability of the Plan arising from prior employee service for which employer contributions have been received. The liability is determined by applying the average cost of benefits to the number of eligible participants.

**GRAPHIC COMMUNICATIONS INTERNATIONAL UNION LOCAL 119B, NEW YORK  
PRINTERS LEAGUE WELFARE TRUST FUND**

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

---

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Employer Contributions:** Employer contributions receivable and employer contribution income do not include estimates of amounts due from employers where reports were not received by the Plan office or amounts due but unpaid as a result of payroll audits.

**Fixed Assets and Depreciation:** Furniture, equipment and leasehold improvements are stated at cost less depreciation accumulated since their acquisition and do not purport to represent replacement or realizable value. All assets are depreciated over their estimated useful lives using the straight-line method. Expenditures for normal repairs of equipment are charged to current operations. All other expenditures for fixed assets are capitalized.

**Postretirement Benefit Obligations:** The amount reported as the postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with participating employers. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Plan's participating employers and from existing plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The following were other significant assumptions used in the valuations as of June 30, 2024 and 2023:

Interest	5.25% (2024) and 7.50% (2023) per annum compounded annually
Mortality	Pri-20212 Mortality Table (2024) and RP-2000 Group Annuity Table (2023)
Retirement	100% at Full Eligibility
Turnover	Sarason T-3 Table
Disability	None assumed (2024) and 1985 Class I Rates (2023)
Health Trend Rates:	
Pre-65 Medical / Hospital	6% per annum
Post-65 Medical / Hospital	3% per annum
Prescription Drug	8% per annum
Dental	2% per annum
Retiree Contribution	1% per annum

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

**GRAPHIC COMMUNICATIONS INTERNATIONAL UNION LOCAL 119B, NEW YORK  
PRINTERS LEAGUE WELFARE TRUST FUND**

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

The Plan's deficiency of net assets over benefit obligations at June 30, 2024 and 2023, relates primarily to the postretirement benefit obligation, the funding of which is not covered by the contribution rate provided by the current bargaining agreement. It is expected that the deficiency will be funded through future collectively bargained contributions.

**NOTE 3 – TAX STATUS**

The Trust established under the Plan to hold the Plan's assets is intended to be qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), as amended and, accordingly, the trust's net income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and Plan management believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

**NOTE 4 – BENEFIT OBLIGATIONS**

The Plan's increase in net assets available for benefits over benefit obligations at June 30, 2024, related primarily to postretirement benefit obligations, the funding of which is not covered by the contribution rates provided by the current bargaining agreement, or other contributions.

The weighted-average health care cost-trend rate assumption (see Note 2) has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased or decreased, it would significantly affect the total benefit obligations. The impact of a 1% increase in the health care cost trend assumptions would increase the Plan's accumulated postretirement benefit obligation to \$2,071,728 as of June 30, 2024, an increase of \$310,111 over the reported number.

The Plan's postretirement benefit obligation and changes therein are summarized as follows:

	2024	2023
<b>POSTRETIREMENT BENEFIT OBLIGATIONS</b>		
Current retirees and dependents	\$ 746,253	\$ 478,279
Other participants not yet fully eligible for benefits	1,015,364	301,096

Ending	<b>\$ 1,761,617</b>	<b>\$ 779,375</b>

PRINTERS LEAGUE WELFARE TRUST FUND**

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

---

**NOTE 5 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations are reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**NOTE 6 – FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets.
  - Quoted prices for identical or similar assets or liabilities in inactive markets.
  - Inputs other than quoted prices that are observable for the asset or liability.
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

*Interest bearing cash:* Interest bearing cash is reported at cost, which approximates fair value.

*Partnership/joint ventures, common/collective trusts, pooled separate accounts, 103-12 investment entities, and other:* Valued at net asset value (NAV) of units held (or its equivalent, such as member units or an ownership interest in partners' capital). The NAV or its equivalent is used as a practical expedient to estimate fair value. The NAV or its equivalent is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV or its equivalent.

PRINTERS LEAGUE WELFARE TRUST FUND**

**NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**NOTE 6 – FAIR VALUE MEASUREMENTS (continued)**

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by Level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023:

June 30, 2024				
Investment	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 580,159	\$ 0	\$ 0	\$ 580,159
