## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Latham Centers Retirement Plan  
Brewster, Massachusetts

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Latham Centers Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**INDEPENDENT AUDITOR'S REPORT  
(continued)**

**Supplemental Schedule Required by ERISA (continued)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## LATHAM CENTERS RETIREMENT PLAN

---

Notes to Financial Statements  
June 30, 2024 and 2023

### 1 – DESCRIPTION OF THE PLAN

#### **General**

Latham Centers Retirement Plan (the "Plan") is a defined contribution plan that was established on July 1, 2001 under Internal Revenue Code Section 403(b) (as amended and restated effective July 1, 2018) for the benefit of employees of Latham Centers, Inc. (the "Organization"). The Plan is funded by contributions from its participants and the Organization and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following description of the Plan provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **Eligibility for Participation**

Employees are eligible to make voluntary deferral contributions and receive employer matching contributions upon the later of their date of hire or after attaining the age of 18. Substitute teachers are excluded from receiving matching contributions.

#### **Employee Elective Deferred Contributions**

Employees participating in the Plan may elect to defer a specific dollar amount or percentage of their annual earnings as their contribution to the Plan, subject to the limitations described in the Internal Revenue Code. Employee contributions in the form of rollovers and transfers from other qualified retirement plans are allowed as defined in the Plan document.

#### **Safe Harbor Employer Matching Contributions**

The Organization will make discretionary matching contributions to the Plan equal to 100% of elective deferrals, not to exceed 5% of each participant's eligible compensation.

#### **Employer Discretionary Matching Contributions**

The Organization may decide each Plan year to make an additional discretionary matching contribution on behalf of eligible participants not to exceed 4% of each participant's eligible compensation. The Organization did not make a discretionary matching contribution for the years ended June 30, 2024 or 2023.

#### **Employer Discretionary Non-elective Contributions**

The Organization may decide each Plan year whether to make a discretionary non-elective employer contribution on behalf of eligible active participants. Participants are eligible for the employer discretionary non-elective contribution after attaining the age of 18 and completing 2 years of service, as defined in the Plan document. Such contribution shall be allocated to eligible active participants based upon the ratio each eligible participant's compensation bears to the total compensation paid to all active participants for the Plan year. The Organization did not make a discretionary non-elective contribution for the years ended June 30, 2024 or 2023.

#### **Vesting**

Participants are immediately vested in their voluntary contributions as well as all employer contributions, plus actual earnings thereon.

#### **Participant Accounts**

Accounts are maintained for each participant. Accounts are increased for contributions, transfers and for an allocation of investment income based on the relationship of each participant's account within each investment fund to the total fund.

## LATHAM CENTERS RETIREMENT PLAN

---

Notes to Financial Statements  
June 30, 2024 and 2023

### 1 – DESCRIPTION OF THE PLAN (continued)

#### ***Participant Accounts (continued)***

Accounts are decreased for withdrawals made by participants, administrative expenses, and for an allocation of investment losses based upon the relationship of each participant's account within each investment fund to the total fund.

#### ***Investment Options***

The Plan was established with The Lincoln National Life Insurance Company ("Lincoln") as its custodian. Subsequently, Mid Atlantic Trust Company ("Mid Atlantic") was added as a custodian to the Plan. Upon enrollment into the Plan, a participant may direct employee and employer contributions in specific dollar amounts or whole number percentages into a variety of mutual funds maintained by Mid Atlantic.

#### ***Notes Receivable from Participants***

A participant may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. For notes through Mid Atlantic, principal and interest are paid ratably through payroll deductions. These notes are secured by the balance in the participant's account and bear interest at a commercially reasonable rate of interest. For notes through Lincoln, principal and interest are paid directly from the participant to Lincoln. These notes are secured by the balance in the participant's Loan Reserve account and bear interest at a commercially reasonable rate of interest. An annual expense margin of 3% is charged on each note and is paid by the participant to Lincoln as a cost of the loan.

#### ***In-service Withdrawals***

In-service withdrawals may only be made under the following circumstances:

- Hardship as defined in the Internal Revenue Code
- Attainment of age 59½
- Withdrawal of employee rollover contributions

#### ***Retirement Benefits***

The normal retirement age under the Plan is age 65. A participant who becomes disabled as defined in the Plan document is eligible for disability retirement.

#### ***Payment of Benefits***

On termination of service from the Organization, a participant may elect to receive the balance of his/her account in the form of a single lump sum or any other form of settlement available from the manager of the investment fund in which the participant's account or portion thereof is invested. Upon termination of service at the Organization, a participant with an accumulated balance of \$5,000 or less will receive a distribution of their balance at the direction of the Organization.

#### ***Timing of Distributions***

Distributions described above shall be made as soon as reasonably practicable following the date the participant's application for distribution is received by the custodians.

As of June 30, 2024 and 2023, there were no distributions payable to participants.

## LATHAM CENTERS RETIREMENT PLAN

---

Notes to Financial Statements  
June 30, 2024 and 2023

### 1 – DESCRIPTION OF THE PLAN (continued)

#### ***Administrative Expenses***

Substantially all administrative expenses incurred by the Plan are paid by the Organization. However, certain administrative fees may be paid by the Plan.

#### ***Participant-Directed Contributions, Withdrawals and Transfers***

The election to allocate contributions between the investment options, and any decision to change such allocation, is made by each participant as permitted by the custodians. Withdrawals and transfers are recorded at the time such transactions take place.

### 2 – SUMMARY OF ACCOUNTING POLICIES

#### ***Basis of Accounting***

The financial statements of the Plan are prepared utilizing the accrual method of accounting.

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### ***Investments***

The Plan presents, in the accompanying Statements of Changes in Net Assets Available for Benefits, net investment income or loss, which consists of realized gains and losses, unrealized appreciation (depreciation) on its investments, and interest and dividend income.

Other than as described below, investments are reported at fair value as described in Note 4. Security transactions are accounted for as of the date the securities are purchased or sold (trade date). Interest income is recorded as earned and, for money market instruments, may include amortization of discount and premium. Dividend income is recorded on the ex-dividend date or, for certain foreign securities, as soon as the investment funds are informed of the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains (losses) on investments bought and sold as well as held during the year.

The Plan invests in a group fixed annuity contract, which is considered to be fully benefit responsive. As required by GAAP, the Statements of Net Assets Available for Benefits present the contract value of the investment in the group fixed annuity contract, which is based on its beginning balance plus any deposits and credited interest, less any withdrawals, charges or expenses. See Note 5 for further information.

Each participant’s assets are jointly invested and the return on assets is allocated monthly among the participants and recorded as income or loss. The basis of allocation is the unit of participation method. Under this method, contributions and income result in an increase of units of participation while benefits paid and losses result in a decrease of units of participation.

## LATHAM CENTERS RETIREMENT PLAN

Notes to Financial Statements  
June 30, 2024 and 2023

### 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of June 30, 2024 and 2023.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### ***Risks and Uncertainties***

The Plan provides for investment options in various accounts that are investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

#### ***Subsequent Events***

The Plan Administrator evaluated events that occurred after June 30, 2024, the date of the Statement of Net Assets Available for Benefits, but before the date the financial statements were available to be issued, April 12, 2025, for potential recognition or disclosure in the financial statements. The Plan Administrator did not identify any subsequent events that had a material effect on the accompanying financial statements.

### 3 – INFORMATION CERTIFIED BY CUSTODIANS

Unaudited information included in the Plan's financial statements and supplemental Schedule of Assets (Held at End of Year) was prepared by the Plan's custodians and furnished to the Plan Administrator and includes all Plan assets (except for the effects of participant and employer contributions receivables, if any) and all investment transactions. The Plan Administrator has obtained certifications from the custodians that such information is complete and accurate.

### 4 – FAIR VALUE MEASUREMENTS

The Plan applies the provisions of GAAP, which establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), a lower priority to significant other observable inputs (Level 2 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these provisions are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Mid Atlantic mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

## LATHAM CENTERS RETIREMENT PLAN

Notes to Financial Statements  
June 30, 2024 and 2023

### 4 – FAIR VALUE MEASUREMENTS (continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

#### **Lincoln Loan Reserve:**

This account serves as collateral on notes receivable from participants and is measured as an amount equal to transfers in, plus interest earned in excess of the expense margin, less transfers out, which approximates fair value.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of June 30, 2024 and 2023.

<b>Description</b>	<b>Total 2024</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>
Lincoln Loan Reserve	\$ 15,966	\$ -	\$ -	\$ 15,966
Mid Atlantic Mutual Funds	8,502,950	8,502,950	-	-
Total assets in the fair value hierarchy	8,518,916	8,502,950	-	15,966
Investments measured at net asset value	665,224	-	-	-
Investments at fair value	\$9,184,140	\$8,502,950	\$ -	\$ 15,966

### 4 – FAIR VALUE MEASUREMENTS (continued)

Description	Total 2023	Level 1	Level 2	Level 3
Lincoln Loan Reserve	\$ 20,024	\$ -	\$ -	\$ 20,024
Mid Atlantic Mutual Funds	7,589,088	7,589,088	-	-
Total assets in the fair value hierarchy	7,609,112	7,589,088	-	20,024
Investments measured at net asset value	640,294	-	-	-
Investments at fair value	\$8,249,406	\$7,589,088	\$ -	\$ 20,024

In accordance with GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2024 and 2023. There are no participant redemption restrictions for these investments.

#### As of June 30, 2024:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Lincoln Group Variable Annuity Mutual Funds	\$665,224	None	Daily	None

#### As of June 30, 2023:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Lincoln Group Variable Annuity Mutual Funds	\$640,294	None	Daily	None

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended June 30, 2024 and 2023.

	2024 Lincoln Loan Reserve	2023 Lincoln Loan Reserve
Balance, beginning of year	\$ 20,024	\$ 12,908
Transfers in (out), net	(4,058)	7,116
Balance, end of year	\$ 15,966	\$ 20,024

## LATHAM CENTERS RETIREMENT PLAN

Notes to Financial Statements  
June 30, 2024 and 2023

### 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in a group fixed annuity contract (the “Contract”), which is a deferred annuity contract issued by Lincoln. The Contract guarantees a minimum fixed rate of interest. The Contract continues in-force until it is terminated by either the Plan or Lincoln.

The Contract is reported at contract value in the Statements of Net Assets Available for Benefits in the amount of \$54,147 and \$51,631 as of June 30, 2024 and 2023, respectively. Contract value represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing plan. Interest is credited daily at an interest rate not less than the guaranteed minimum interest rate shown on the Contract specifications. The interest crediting rate is declared on a quarterly basis. The Contract is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on Lincoln’s ability to meet its financial obligations from general assets.

The following events are not probable of occurring but could limit the ability of the Plan to transact at contract value with Lincoln and would also limit the ability of the Plan to transact at contract value with the participants.

- Premature terminations of the Contract by the Plan
- Layoffs
- Plan terminations
- Bankruptcies
- Mergers
- Early retirement incentives

Lincoln has placed some restrictions on the ability of Plan participants to transfer/transact some or all of their balance in the Contract to other investment options available to them. Market value adjustments and surrender charges in the Contract could limit the ability of the Plan to initiate/complete a transaction at contract value and could result in an adjustment to the net asset value.

### 6 – NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable held by Mid Atlantic Trust Company at June 30 consisted of the following:

	Participants	Due Date	Interest	Amount
<b>2024</b>	<b>22</b>	<b>Various through 2/24/2029</b>	<b>4.25% - 9.50%</b>	<b>\$ 131,030</b>

	Participants	Due Date	Interest	Amount
2023	23	Various through 5/6/2028	4.25% - 9.25%	\$ 138,760

Notes receivable held by Mid Atlantic Trust Company are reported on the Statements of Net Assets Available for Benefits as Notes Receivable from Participants. Note repayments, including principal and interest, are paid ratably through payroll deductions.

Notes receivable held by Lincoln are not deducted from the participants’ accounts and, therefore, the participant notes are not shown separately on the Statements of Net Assets Available for Benefits as a note receivable. Each note is secured by the participant’s account balance in the Lincoln Loan Reserve account.

## LATHAM CENTERS RETIREMENT PLAN

Notes to Financial Statements  
June 30, 2024 and 2023

### 6 – NOTES RECEIVABLE FROM PARTICIPANTS (continued)

Each participant's balance in this account must be at least 100% of the note balance for the life of the note. Note repayments, including principal and interest, are made directly to Lincoln. The notes bear interest at rates commensurate with local prevailing lending rates in accordance with the Plan's loan policy. An annual expense margin of 3% is charged on each note and is paid by the participant to Lincoln as a cost of the loan.

Notes receivable held by Lincoln at June 30 consisted of the following:

	Participants	Due Date	Interest	Amount
<b>2024</b>	<b>3</b>	<b>Various through 5/24/2033</b>	<b>2.95% - 3.00%</b>	<b>\$ 15,966</b>

	Participants	Due Date	Interest	Amount
2023	3	Various through 5/24/2033	2.95% - 3.00%	\$ 20,024

### 7 – PLAN TERMINATION

Although it has expressed no intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

### 8 – INCOME TAX STATUS

The Organization has adopted the Sentinel Benefits Group, Inc. ("Sentinel") 403(b) Volume Submitter Plan (Basic Plan Document #20). Sentinel obtained an advisory letter from the Internal Revenue Service indicating its Volume Submitter 403(b) Basic Plan Document #20 is acceptable under Internal Revenue Code Section 403(b).

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

### 9 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments consist of shares of various accounts managed by Sentinel Benefits and Financial Group ("Sentinel"), Mid Atlantic Trust Company ("MATC") and Lincoln Investment Advisers Corporation ("LIAC"). Sentinel provides administrative services to the Plan. MATC is a custodian of the Plan's assets and LIAC is a related entity of The Lincoln National Life Insurance Company, a custodian of the Plan's assets. Therefore, these transactions qualify as party-in-interest.

The Organization provides certain administrative services at no cost to the Plan. The Organization also pays for certain administrative costs of the Plan.
