INDEPENDENT AUDITORS' REPORT

To the Benefit Plan Committee of
Maverick Capital, Ltd. Employee Health Benefit Plan

Opinion

We have audited the accompanying financial statements of Maverick Capital, Ltd. Employee Health Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits - cash basis as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits - cash basis for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits - cash basis of the Plan as of June 30, 2024 and 2023, and the changes in net assets available for benefits - cash basis for the year ended June 30, 2024, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MAVERICK CAPITAL, LTD. EMPLOYEE HEALTH BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
CASH BASIS
June 30, 2024 and 2023

1. DESCRIPTION OF PLAN

The following description of the Maverick Capital, Ltd. Employee Health Benefit Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

General

The Plan is an employee welfare benefit plan established June 13, 2001, amended and restated effective July 1, 2011, that provides employees of Maverick Capital, Ltd., and its affiliates (the “Company”) with benefits for (a) prescription, medical, surgical, and hospital care, (b) dental, and (c) vision. Claims are processed by a third-party administrator on behalf of the Plan. Benefits under the Plan are paid by the Maverick Capital, Ltd. Employee Health Benefit Trust (the “Trust”) which has been established by the Company for the purpose of funding Plan benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

The Plan provides health benefits to eligible employees and their eligible dependents. Regular, full-time employees as defined by the Plan are eligible for participation immediately upon their date of hire. An eligible employee and their dependent(s) must enroll for coverage within 31 days of the employee’s initial eligibility date. If a participant acquires eligible dependents at a later date, the participant must enroll the dependent(s) within 31 days of the date that they became a dependent. Employees may also enroll themselves or their eligible dependents during the annual open enrollment period but may be subjected to additional underwriting and are not guaranteed coverage.

Contributions

Employees are currently not required to make contributions to the Plan in order to obtain benefit coverage. The plan document provides for specific co-pay amounts in relation to in-network and out of network benefits to be paid by participants to the provider. The Company has the sole right to alter this provision and may require employees to share in the cost of benefit coverage under the Plan in the future and make contributions in an amount determined by the Company.

The Plan also provides benefits to participants as defined under the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”). COBRA rates are established on an annual basis utilizing individual and family, fixed and administrative expenses, as well as the aggregate factors from the current third-party administrator and stop loss contracts. Aggregate factors may be discounted by the Company to create a more conservative rate structure that would more closely approximate the anticipated actual cost per participant. The two percent administrative expense allowed by law is added to the amounts calculated.

Stop Loss Insurance

The Plan has entered into a stop loss insurance arrangement with Tokio Marine HCC in an effort to limit the Plan’s exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on a cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America and is an acceptable method of reporting under Department of Labor regulations. The cash basis of accounting recognizes contributions when received rather than when earned, and benefit payments, insurance premiums, and administrative expenses are recognized when paid rather than when incurred.

Use of Estimates

The preparation of financial statements in accordance with the cash basis of accounting requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Concentration of Credit Risk

The cash balances of the Company are held in financial institutions primarily in the North Texas area. If cash balances exceed the amounts covered by insurance provided by the Federal Deposit Insurance Corporation, the excess balances could be at risk of loss. As of June 30, 2024, there are no cash balances in excess of insured limits.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor.

Stop Loss

Premiums for stop loss insurance are included in stop loss insurance premiums in the accompanying statement of changes in net assets available for benefits. Stop loss refunds are included as stop loss reimbursements in the accompanying Statement of Changes in Net Assets Available for Benefits.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party administrator. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All expenses not paid by the Plan are paid by the Company on behalf of the Plan.

Subsequent Events

Plan management has evaluated subsequent events for the Plan through April 14, 2025, the date the financial statements were available to be issued, and determined there were no other items to disclose.

3. TAX STATUS

The Trust funding the Plan has received an exemption letter from the Internal Revenue Service (“IRS”) dated June 7, 2002, stating that the Trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (“IRC”). In addition, the Plan and Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. Although the Plan has been amended since receiving the determination letter, plan management believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Trust is tax exempt.

The cash basis of accounting requires plan management to evaluate tax positions taken by the Plan, disclose within the footnotes to the financials any potential impact to the Plan, and recognize a tax liability at the Company level if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. PARTY IN INTEREST TRANSACTIONS

Claim processing for the Plan is managed by UMR. UMR is the third-party claims administrator as defined by the Plan and, therefore, these transactions qualify as party in interest transactions under ERISA.

Financial services for the Plan are managed by JP Morgan. JP Morgan is a the third-party that oversees the Plan’s net assets and, therefore, these transactions qualify as party in interest transactions under ERISA.

Lockton Companies is the Plan’s investment broker and advisor and, therefore, these transactions qualify as party in interest transactions under ERISA. Broker fees incurred by the Plan are included in deductions from net assets.

5. RISKS AND UNCERTAINTIES

The estimated benefit obligations are reported based on certain assumptions all of which are subject to change. Due to uncertainties inherent in the estimation and assumption processes, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

6. PLAN BENEFIT OBLIGATIONS

The Plan’s benefit obligations represent obligations for claims incurred but not reported and for post-employment benefit obligations. Post-employment benefits include future benefits expected to be paid to former employees and their dependents eligible for coverage under COBRA. Claims incurred but not reported are estimated by the Company based on claim experience and lag periods. The post-employment obligation was determined by the Company using COBRA claim patterns experienced under the Plan and the expected length of COBRA coverage.

The following table summarizes the Plan’s benefit obligations as of June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Estimate of benefit claims incurred but not reported	\$ 334,388	\$ 306,930
Estimate of post-employment benefit obligations	23,492	40,670
Total benefit obligations	<u>\$ 357,880</u>	<u>\$ 347,600</u>

The changes in the Plan's benefit obligation for the year ended June 30, 2024, are summarized as follows:

Estimate of benefit claims incurred but not reported:	
Estimate at beginning of year	\$ 306,930
Estimate of benefits incurred during the plan year	3,138,087
Payments for provision of benefits	<u>(3,110,629)</u>
Estimate at end of year	<u>334,388</u>
Estimate of post-employment benefit obligations:	
Estimate at beginning of year	40,670
Net change	<u>(17,178)</u>
Balance at end of year	<u>23,492</u>
Total benefit obligations at year end	<u><u>\$ 357,880</u></u>

7. TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be allocated to pay the benefit obligations of the Plan in accordance with ERISA.
