## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Neill Corporation 401(k) Profit Sharing Plan and Trust  
Hammond, Louisiana

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Neill Corporation 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended June 30, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Neill Corporation 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023, and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Neill Corporation 401(k) Profit Sharing Plan and Trust and to meet our other ethical

responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Neill Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neill Corporation 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Neill Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEILL CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2024 and 2023

1) Description of plan

The following description of the Neill Corporation 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all employees of Neill Corporation and Beauty Basics (Company or Employer) who have completed two months of service, as defined by the Plan, and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Participant contributions

Participants may make elective contributions to the Plan by deferring up to 100% of their compensation each pay period. Participants may separately elect to defer up to 100% of bonuses. In addition, a participant who has attained age 50 before the close of the plan year shall be eligible to make catch-up contributions in accordance with limitations under the Internal Revenue Code.

(c) Employer contributions

(i) Basic matching

Eligibility for the Employer match is eighteen years old and one year of service (1,000 hours). Matching contributions by the Company shall be made at the discretion of the Company for each plan year. Matching contributions are limited to the first 20% of compensation. During the plan years ended June 30, 2024 and 2023, the matching contributions were 40% of participants' elective deferral.

(ii) Employer non-elective contributions (profit sharing contributions)

The Employer may make a profit-sharing contribution at its discretion, allocated on a uniform percentage of included compensation or a uniform dollar amount. Participants must be employed on the last day of the Plan year in order to be eligible for profit sharing contributions. There were no profit sharing contributions made for the years ended June 30, 2024 and 2023.

(d) Vesting

Participants are immediately vested in their accounts, including voluntary contributions, matching contributions and profit-sharing contributions plus actual earnings thereon.

(e) Forfeitures

Forfeited balances of terminated participants non-vested accounts are used to pay Plan expenses with the remaining used to reduce future Employer contributions. Plan expenses paid with forfeited balances totaled \$2,306 and \$-0- for the years ended June 30, 2024 and 2023, respectively. At June 30, 2024 and 2023, forfeited non-vested accounts totaled \$78,436 and \$78,031, respectively.

(f) Participant accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) Administrative expenses

The plan sponsor pays significant administrative expenses of the Plan. Administrative expenses paid by the Plan arise from processing fees for loans and distributions. In addition, certain investment accounts charge asset and participation fees that are allocated among the respected participants.

NEILL CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2024 and 2023

1) Description of plan (continued)

(g) Administrative expenses (continued)

Administrative expenses paid by the Plan were \$202,006 and \$175,795 in 2024 and 2023, respectively.

(h) Payment of plan benefits

Upon termination of service due to death, disability, or retirement, a participant will receive their benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account. In service distributions are permitted upon attaining age 59½. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Balances under \$5,000 may be paid out at the Company's discretion.

(i) Investment options

Upon enrollment in the Plan, a participant may direct employee and Employer contributions in a variety of investment options. Participants may change their investment options online as often as they choose.

(j) Notes receivable - participant loans

Under the terms of the Plan, participants are allowed to borrow up to 50 percent of the participant's vested account balance (not to exceed \$50,000). The minimum loan is \$1,000. The loans are secured by the balance in the participants' account and bear interest at a rate comparable to rates being charged by lending institutions in the same geographic locale as the Employer. Loan payments are required to be withheld through payroll deductions. Interest rates ranged from 6.50% - 10.00% for the years ended June 30, 2024 and 2023.

2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

(b) Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See footnote 7 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits are recorded when paid. There were no amounts allocated to accounts of participants who have elected to withdraw from the Plan but had not yet been paid as of June 30, 2024.

(d) Use of estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America, requires the Plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NEILL CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2024 and 2023

2) Summary of significant accounting policies (continued)

(e) Automatic deferral

Eligible employees who neither make an affirmative salary deferral election nor affirmatively opt out of the Plan are automatically enrolled in the Plan with a salary deferral contribution equal to 3% of eligible compensation. Employees have the option to elect a zero salary deferral or to change their salary deferral percentage at any time in accordance with the Plan.

(f) Notes receivable – participant loans

Notes receivable from participants are measured at the unpaid balance plus unpaid accrued interest. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits. For the years ended June 30, 2024 and 2023, deemed distributions of \$67,980 and \$29,960, respectively, were recorded as benefits paid to participants.

3) Investments

The Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in value by \$3,778,090 and \$2,664,402 for the years ended June 30, 2024 and 2023, respectively.

4) Related party transactions

Loans receivable from participants and the related interest income are considered exempt party-in-interest transactions. Transamerica Life Insurance Company manages the Plans investments. Therefore, these transactions qualify as party-in-interest, as defined by the Plan and are denoted as such on the Schedule of Assets (Held at End of Year).

5) Risk and uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6) Federal income taxes

The underlying volume submitter plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax exempt. The Plan has been amended and restated since receiving the letter, including amendments made to comply with recent law changes. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

United States generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is not subject to income tax examinations beyond three years from the filing of returns.

NEILL CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2024 and 2023

7) Fair value measurement

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

*Stable value option:* Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract is designed to accrue interest based on credit rates established by the contract issuer. The stable value option has been valued at fair value, which approximates contract value.

*Mutual funds:* Valued at net asset value (NAV), which approximates fair value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different measurement at the reporting date.

7) Fair value measurement (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023:

Assets at Fair Value as of June 30, 2024

8) Information certified by the trustee (unaudited)

The following is a summary of the investment information regarding the Plan as of June 30, 2024 and 2023, and for the years then ended, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by Reliance Trust Company, the custodian of the Plan and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2024 and 2023

9) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants are 100% vested in their account balance.

10) Excess deferrals

For the Plan year ended June 30, 2024, the Plan failed the nondiscrimination tests performed in accordance with the applicable provisions of Section 401(k) of the Internal Revenue Code. Consequently, contributions plus earnings in the amount of \$13,772, respectively, have been deferred for reimbursement in the subsequent year.

The plan did not refund the 2024 excess deferrals within the allowed two and a half months as specified under the IRC Section 4979. As a result of the remittance occurring outside of the allowed time frame, the Plan was also assessed a 10% excise tax in the amount of \$1,169, respectively. As of the date of the auditor's report, all excess deferrals and related tax liabilities have been remitted to the appropriate parties.

For the Plan year ended June 30, 2023, the plan passed the nondiscrimination tests performed in accordance with the applicable provisions of Section 401(k) of the Internal Revenue Code. Therefore, there were no contributions deferred for reimbursement in the 2023 plan year.

11) Secure Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective for plan years beginning on or after January 1, 2025. Accordingly, there is no material impact to the Plan's 2024 financial statements.

12) Subsequent events

The Plan has evaluated subsequent events through the date of the auditor's report, the date which the financial statements were available to be issued. Plan management feels there were no material subsequent events that required recognition or additional disclosures in these financial statements.
