The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Centers for Youth and Families, Inc., Plan Administrator  
Centers for Youth and Families, Inc.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Centers for Youth and Families, Inc.

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements June 30, 2024 and 2023

### **NOTE 1: DESCRIPTION OF PLAN**

The following description of Centers for Youth and Families, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan, which was established February 1, 2000, and restated September 15, 2014, is a defined contribution retirement plan maintained for the benefit of employees of Centers for Youth and Families, Inc. (the Employer, Plan Sponsor and Plan Administrator) who have met eligibility requirements defined in the Plan agreement. Generally, employees are eligible to contribute to the Plan immediately upon reaching the age of twenty-one. Employees are only eligible to receive employer match and profit-sharing contributions once they have reached the age of twenty-one, have completed one year of service in which they worked at least one-thousand hours and are employed on the last day of the Plan year.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer utilizes the services of Principal Life Insurance Company (Principal), a third-party administrator, to process investment transactions and maintain participant account balances. Principal Trust Company is the custodian of the Plan's assets. The Trust Company of Sterne Agee, Inc. is the Plan's trustee.

Certain duties related to the administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services. Other expenses paid by the Plan Sponsor on behalf of the Plan totaled approximately \$19,000 for the year ended June 30, 2024.

#### **Contributions**

Participants may contribute up to 100% of annual compensation, as defined in the Plan agreement, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Employer may make a discretionary matching contribution for each Plan participant equal to a percentage of each participant's deferral contribution. In addition, the Employer may make a discretionary profit-sharing contribution. Employer contributions are also subject to limitations imposed by the IRS.

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, Employer matching contributions and allocations of (a) profit-sharing contributions and (b) Plan earnings, net of certain administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as specified in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements  
June 30, 2024 and 2023

## **NOTE 1: DESCRIPTION OF PLAN (Continued)**

### **Vesting**

Participants are fully vested at all times in their own contributions plus actual earnings thereon. Vesting in the Employer's contributions, plus actual earnings thereon, occurs according to the following schedule.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

### **Investment Options**

Contributions to the Plan are invested as directed by the participants in a collective trust fund and various mutual funds offered by the Plan. Participants may change their investment options at any time.

### **Forfeitures**

The nonvested portion of a participant's account to which the participant is not entitled upon termination is deemed a forfeiture. At June 30, 2024 and 2023, forfeited nonvested accounts totaled approximately \$42,000 and \$24,000, respectively. During the year ended June 30, 2024, forfeitures of approximately \$21,000 were used to reduce Employer contributions.

### **Payment of Benefits**

Upon retirement or other termination of service, a participant may receive a single lump-sum amount or partial payments equal to the value of the vested portion of his or her account.

### **Termination of the Plan**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the

measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee and custodian. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

**Payment of Benefits**

Benefits are recorded when paid. There are no amounts allocated to withdrawing participants that were not yet paid as of June 30, 2024 and 2023.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE 3: INFORMATION CERTIFIED BY PLAN CUSTODIAN**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all information pertaining to the Plan's mutual funds and interest in the collective trust fund and related income, note information and information contained in the supplemental schedule was certified by the Plan's custodian, Principal Trust Company, as of June 30, 2024 and 2023, and for the year ended June 30, 2024. This information was not subject to audit procedures except for comparing it to the related information included in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements, related notes and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate.

## Notes to Financial Statements June 30, 2024 and 2023

### **NOTE 4: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023:

The fair value of the interest in collective trust fund is based on the net asset value (NAV) per share of the collective trust fund, which is determined by the fund's asset custodian based on the fair values of the underlying securities that comprise the fund. The fair values of the underlying securities that comprise the fund are based on quoted market prices or various valuation methodologies.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**NOTE 4: FAIR VALUE MEASUREMENTS (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<b>June 30, 2024</b>				
Mutual funds	\$ 9,161,654	\$ 9,161,654	\$ -	\$ -

	<u><u>\$ 9,541,435</u></u>	<u><u>\$ 9,161,654</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>
<b>June 30, 2023</b>				
Mutual funds	\$ 8,781,659	\$ 8,781,659	\$ -	\$ -
Investments measured at net asset value <sup>(a)</sup>	<u>557,605</u>	<u>-</u>	<u>-</u>	<u>-</u>
	<u><u>\$ 9,339,264</u></u>	<u><u>\$ 8,781,659</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

<sup>(a)</sup>In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**Fair Value of Investments in Entities that Use NAV**

The following table summarizes investments measured at fair value based on NAV per share as of June 30:

## **NOTE 4: FAIR VALUE MEASUREMENTS (Continued)**

### **Fair Value of Investments in Entities that Use NAV (Continued)**

The Principal Stable Value Signature Fund seeks current income by investing primarily in insurance contracts issued by insurance companies and investments from other financial institutions which offer stability of principal.

## **NOTE 5: TAX STATUS**

The Plan executed an adoption agreement for the Principal Financial Group Prototype Basic Savings Plan (the Prototype). As an adopter of the Prototype, the Plan is not subject to tax under present income tax law.

The IRS ruled in 2014 that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving that letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however, there are currently no audits for any tax periods in progress.

## **NOTE 6: RISKS AND UNCERTAINTIES**

The Plan's investments are exposed to various risks such as interest rate, market and credit risks. In addition, certain of the investment options available to Plan participants may invest in foreign securities. There are certain additional risks involved when investing in funds with underlying foreign securities that are not present with investments in domestic securities. These risks may involve foreign currency exchange rate fluctuations, adverse political and economic developments and the possible prevention of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Plan's financial statements.

***NOTE 7: SUBSEQUENT EVENTS***

Management has evaluated subsequent events through April 15, 2025, the date that the financial statements were available to be issued.

Subsequent to year end, the Plan Sponsor decided to change third-party administrators from Principal to Voya Financial.
