## Independent Auditor's Report

### The Plan Administrator Los Angeles Christian Health Centers 403(b) Thrift Plan

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Los Angeles Christian Health Centers 403(b) Thrift Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedule of delinquent participant contributions for the year ended June 30, 2024 and the schedule of assets (held at end of year) as of June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1      DESCRIPTION OF THE PLAN**

The following description of the Los Angeles Christian Health Centers 403(b) Thrift Plan (the Plan) is provided for general information purposes only. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution pension plan, as defined under Section 403(b) of the Internal Revenue Code (IRC). The Plan's purpose is to enable employees of the Los Angeles Christian Health Centers (the Plan Sponsor or LACHC) to accumulate long-term savings for the participants' retirement while benefiting from favorable tax treatment. The Plan was established on April 1, 2010.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility**

All employees are eligible to participate in the Plan except those who are non-resident aliens with no U.S. source income and those who are classified or treated as independent contractors.

An employee is included as a participant in the Plan on the first available payroll period once LACHC is notified of the election to contribute. The entry date for employer matching contributions is quarterly after the hire date on July 1st, October 1st, January 1st or April 1st. On March 15, 2024, the Plan amended the entry date for employer matching contributions to be daily or each day of each month, effective retroactively from July 1, 2022.

**Contributions**

Eligible employees who have completed a salary reduction agreement have the opportunity to enroll in and contribute to the Plan. Eligible employees may choose to contribute a percentage of their compensation from 1% to 100%. They may also elect to contribute nothing to the Plan. If they elect to contribute, the election will take effect as soon as reasonably possible on the first day of a pay period beginning on or after the date in the salary reduction agreement, the date Mutual of America Life Insurance Company (Mutual of America) receives the salary reduction agreement, or the date the employee became a participant covered under the Plan, whichever is the latest. Employee contributions to the Plan may be pre-tax contributions or designated Roth contributions.

If eligible employees do not complete a salary reduction agreement advising that they want to contribute to the Plan, eligible employees will be automatically enrolled. LACHC will withhold 6% of their salaries and contribute to the Plan on their behalf. This automatic enrollment will take effect on the first day of the period beginning on or after the latest of: (i) March 1, 2015, (ii) the day they begin (or resume) participating in the Plan, or (iii) the day they satisfy the eligibility requirements of the Plan for salary reduction contributions.

**NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)**

**Contributions (Continued)**

LACHC makes a matching contribution amount that is 50% of the salary reduction amount contributed or 6% of the compensation received during the plan year, whichever is lower. As such, the maximum employer match that the employee can receive is 3% of compensation.

**Participant Accounts**

The Plan is designed to satisfy section 404(c) of the Employee Retirement Income Security Act (ERISA) and Title 29 of the Code of Federal Regulations Section 2550.404 (c) -1. The program offers participants the opportunity to exercise control over their accounts by allowing them to choose from a wide range of investments, determine the manner in which assets will be invested and receive and access information necessary to make informed decisions with respect to the investment options under the Plan. All contributions to the Plan will be credited to individual accounts on or as soon as reasonably practical after the date received by Mutual of America.

**Vesting**

Vesting is determined by years of service from the date of hire to the date of termination. If an employee works for an hour of service in a month, the employee is credited with a complete month of service. Employer contributions are vested based on years of service ranging from 25% for 1 year to 100% after 4 years of service.

**Forfeitures**

Forfeitures are the non-vested amounts in the accounts of participants who terminate employment. Each year, if there are any forfeitures, they are used first to pay certain Plan expenses. Any amount of forfeitures remaining will be used to reduce future employer contributions to the Plan. The changes in the Plan's forfeiture account balance for the years ended June 30, 2024 and 2023 are as follows:

	<b>2024</b>	<b>2023</b>
Balance, July 1	\$ -	\$ 946
Forfeitures during the year	<b>20,165</b>	23,585
Investment gain	<b>15</b>	7
Forfeitures used during the year to reduce employer contributions	<b>(20,180)</b>	<b>(24,538)</b>
Forfeiture balance, June 30	\$ -	\$ -

No forfeiture amounts were used to reduce administrative fees for the years ended June 30, 2024 and 2023.

**Participant Loans**

Participants may borrow against their vested accounts provided the loan amount does not exceed the lesser of (a) 50% of the participant's total balance under the Plan or (b) \$50,000 reduced by the highest aggregate outstanding loan balance under the Plan during the year which ends on the date before the loan is made. The minimum loan amount under the plan is \$1,000. Participants may only have one outstanding loan at any time.

**NOTE 1      DESCRIPTION OF THE PLAN (CONTINUED)**

**Retirement Benefits**

Vested participants terminating employment prior to retirement age receive the lump-sum present value of their accumulated plan benefits if it is less than or equal to \$1,000. If the accumulated plan benefit is greater than \$1,000 and the participant does not elect to receive his or her benefit in a single lump sum cash payment, such amount will continue to accumulate interest or share in the investment experience of the funds in which the vested account is invested. Participants will normally receive the total value of their individual accounts, including interest and investment earnings, in the form of a monthly annuity for life. Married participants may elect to receive a 50%, 66 2/3%, 75% or 100% joint and survivor with 10 years certain period.

A participant's account can be distributed upon the participant's 65<sup>th</sup> birthday unless specifically requested to receive it at an earlier or later date. If the participant elects to postpone receiving benefits, the Plan provides for distributions to be made after the participant attains the age of 72 (73 if the participant reaches the age of 72 after December 31, 2022). Beginning in 2023, the SECURE 2.0 Act raised the age that a participant begins taking Required Minimum Distributions (RMD). Upon death, the beneficiary will be entitled to receive 100% of the participant's accounts. While actively employed at LACHC, a participant may be eligible to withdraw contributions from the account to meet a financial hardship or upon reaching age 59 ½. Participants may make a lump-sum withdrawal of all or part of the account.

**Investment Options**

Participants may direct participant and employer contributions, as desired, in any of the investment options held by the custodian and may change their investment options daily.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Investment Valuation and Income Recognition**

Investments in pooled separate accounts are stated at fair value as reported to the Plan by Mutual of America. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Investments in annuity contract which is considered a fully benefit-responsive contract is valued at contract value.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Net Appreciation (Depreciation) in Fair Value of Investments**

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

**Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses had been recorded as of June 30, 2024 and 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant's loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

**Contributions**

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

All usual and reasonable expenses are paid by the employer, and any expenses not paid by the employer may be paid from the Plan assets if not prohibited by applicable laws or regulations.

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**NOTE 3      FAIR VALUE MEASUREMENT**

The Plan has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2024 and 2023.

*Pooled Separate Accounts* - Investments in pooled separate accounts are valued using the net asset value (NAV) provided by the custodian of the funds. The NAV is based on the value of the underlying assets owned by the funds, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. The pooled separate accounts are not classified within the fair value hierarchy; however, the amounts measured using NAV are disclosed to permit reconciliation of the fair value of investments in the Statements of Net Assets Available for Benefits.

**NOTE 3      FAIR VALUE MEASUREMENT (CONTINUED)**

The Plan's investments in pooled separate accounts amounting to \$7,857,794 and \$6,181,943 as of June 30, 2024 and 2023, respectively, are stated at fair value and are measured using the NAV per share as practical expedient.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 4      INVESTMENTS AT CONTRACT VALUE**

The Plan has an annuity contract with Mutual of America. Amounts placed in the annuity contract are credited with interest at a rate determined by Mutual of America. Mutual of America reserved the right to change the interest rates applicable to the amounts held in the annuity contract at its discretion. The annuity contract qualifies as a fully benefit-responsive investment contract and is reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals.

The annuity contract is supported by Mutual of America's general account assets which are primarily invested in cash and investment grade fixed income securities. The contract value of the Plan's investments in annuity contracts was \$721,512 and \$711,869 as of June 30, 2024 and 2023, respectively.

**NOTE 5      FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN**

The Plan's asset information as of June 30, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Mutual of America, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any audit procedures with respect to this information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net Assets Available for Benefits as of June 30, 2024 and 2023;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2024 and 2023;

**NOTE 5 FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN (CONTINUED)**

- Investment information disclosed in Notes 3 and 4 of the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2024.

**NOTE 6 INCOME TAX STATUS**

The Plan has adopted a prototype non-standardized 403(b) plan document sponsored by Mutual of America Life Insurance Co. The prototype plan document has received a favorable opinion letter dated March 31, 2017 from the Internal Revenue Service (IRS). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of June 30, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of liability (asset) or disclosure in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain investments of the Plan are managed by Mutual of America. Transactions involving these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Mutual of America provides certain necessary recordkeeping duties and functions on its behalf. During the years ended June 30, 2024 and 2023, Mutual of America received \$4,170 and \$990, respectively, in fees which were paid by participants through the Plan. The Plan issues loans to participants which are secured by the vested balances in the participants' accounts. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

**NOTE 8      PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

**NOTE 9      RISKS AND UNCERTAINTIES**

The Plan invests in various types of investment securities. Investment securities, in general, are normally exposed to various risks such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTE 10     GOING CONCERN**

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. The Plan Sponsor has experienced financial difficulties that raise substantial doubt about its ability to continue as a going concern within one year after the issuance of these financial statements.

Despite this uncertainty, management believes that these conditions do not directly impact the Plan's ability to continue as a going concern. The Plan's assets are held in trust for the exclusive benefit of participants and beneficiaries and are not subject to claims by the Plan Sponsor's creditors. The Plan continues to operate in accordance with the provisions of the Plan document and the Employee Retirement Income Security Act of 1974 (ERISA), and participant-directed account activity, including contributions and distributions, remains uninterrupted.

Management continues to monitor the financial condition of the Plan Sponsor and is evaluating any potential impact on Plan operations. However, as of the date of this report, the Plan has not experienced any significant disruptions and is expected to continue fulfilling its obligations to participants.

**NOTE 11     NONEXEMPT TRANSACTIONS**

During 2024, the Plan Sponsor inadvertently failed to automatically enroll certain participants in the Plan in a timely manner. Corrective contributions, including lost earnings estimated at approximately \$3,500 will be remitted to the Plan in 2025. The amount was deemed immaterial to the financial statement as of June 30, 2024.

**NOTE 12      NEW LAWS AND REGULATIONS**

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plans years beginning after December 31, 2024.

**NOTE 13      SUBSEQUENT EVENTS**

The Plan has evaluated events subsequent to June 30, 2024 to assess the need for potential recognition and/or disclosure in the financial statements. Such events were evaluated through April 15, 2025, the date the financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the accompanying financial statements.
