Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **REGIER CARR & MONROE LLP CPAS**

(2) EIN: **48-0573184**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)		X	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

401(k) Profit Sharing Plan for Employees of Child & Family
Resources, Inc.
Tucson, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 401(k) Profit-Sharing Plan for Employees of Child & Family Resources, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2024 and 2023 stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

(continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**

June 30, 2024 and 2023

1. DESCRIPTION OF PLAN

The following description of the 401(k) Profit-Sharing Plan for Employees of Child & Family Resources, Inc. (the “Plan”) provides only general information. Child & Family Resources, Inc. (the “Sponsor”) is the sponsor of the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a deferred arrangement covering all eligible employees of the Sponsor. Employees may begin contributing to the Plan beginning on their date of hire or once they have attained the age of twenty-one. Employees are eligible to receive discretionary matching and non-elective contributions on their entry date after attaining age twenty-one and completing at least one year of service. The participant’s entry date is the first day of the Plan year, or the first day of the seventh month of the Plan year, after satisfying the eligibility requirements. The Plan defines one year of credited service to be a Plan year with at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Employer Contributions

Each year, the Sponsor may make discretionary matching or non-elective contributions that are subject to certain statutory limitations. The Sponsor’s discretionary matching contribution is equal to a uniform percentage or dollar amount of the participant’s elective deferral. The Sponsor’s non-elective contribution is multiplied by the fraction of the employee’s compensation over total compensation of all eligible employees to determine each employee’s share. The Sponsor made a discretionary matching contribution of \$202,206 to the Plan for the year ended June 30, 2024.

Participant Accounts

Each participant’s account is credited with the participant’s elective deferral and rollover contributions, employer contributions and actual earnings thereon, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

(continued)

1. DESCRIPTION OF PLAN (continued)

Participant Contributions

Each year, participants may elect to defer a percentage or dollar amount of their pretax annual compensation. Participants may also elect to make a Roth contribution to the Plan. Both pretax and Roth contributions are subject to certain statutory limits determined annually and prescribed by the Internal Revenue Service (IRS). The Plan also permits eligible participants to make additional voluntary contributions of qualified rollovers from other retirement plans.

The Plan includes an auto enrollment feature whereby if the participant does not complete a salary reduction agreement, the Sponsor will automatically withhold 1% from the participant's salary and contribute on their behalf starting the first pay period beginning on or after the entry date into the Plan. All automatic deferrals are to be invested into the Sponsor selected default investments until such time that the participant takes affirmative action to change their investment percentage or options. The auto enrollment feature also includes a graduated escalation percentage increase in each subsequent year of auto enrollment. The participants' withholdings will increase one percentage point each Plan year following commencement of contributions until such time that the participant takes affirmative action or auto enrollment reaches the fifth year and escalation is capped at 5%.

Vesting

Participants are immediately vested in their pretax elective and Roth deferral contributions and any rollover contributions made to the Plan, plus actual earnings thereon. Vesting in the employer's contribution portion of the participants' accounts, plus actual earnings thereon, is based on years of credited service. For discretionary matching and non-elective contributions, participants vest 20% annually beginning with the completion of their second year of service and are 100% vested after six years of service or upon the normal retirement age.

Payment of Benefits

On termination of services due to death, disability, retirement or other reasons, a participant will receive a lump-sum amount equal to the value of the vested interest in his or her account.

Hardship Withdrawals

If approved by the Plan administrator, a participant may withdraw the vested portion of his or her individual account balance to satisfy immediate and heavy financial needs, such as the purchase of a principal residence, to prevent eviction from or foreclosure on a principal residence, for the repair of qualified damage to a principal residence, medical expenses for qualified persons, post-secondary education expenses for qualified persons, or burial and funeral expenses for qualified persons. Prior to receiving a hardship withdrawal, a participant must first exhaust all other options, including a loan from the Plan.

(continued)

1. DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Forfeited non-vested accounts totaled \$2,430 and \$2,355 at June 30, 2024 and 2023, respectively. These accounts are used to offset employer contributions or pay the Plan's administrative expenses.

	<u>Forfeited Non-Vested Accounts</u>
Balance, beginning of year	\$ 2,355
Forfeiture applied	15,063
Forfeiture interest earned	254
Forfeitures used for employer contributions	<u>(15,242)</u>
Balance, end of year	<u>\$ 2,430</u>

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or one-half of their vested account balance, whichever is less. Loan terms may not exceed five years unless the loan proceeds are applied toward the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear an interest rate between 4.25% and 9.5%, which is commensurate with local prevailing rates at time of issuance as determined by the Plan administrator.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

(continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Recognition and Investment Valuation

The fair value of participation units in pooled separate accounts estimated by the Mutual of America Insurance Company is based on the closing net asset values of the respective portfolios. Net asset value is quoted by the fund company and is derived using the fair value of the underlying investments.

Fair Value Measurements

FASB Accounting Standards Codification 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

All financial instruments held by the Plan are considered to be participant directed investments.

Cash and Cash Equivalents

The Plan considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents. The Plan's cash and cash equivalents are maintained at a financial institution. It is the opinion of management that the solvency of the referenced financial institution is not of concern at this time. At times, such investments may be in excess of the \$500,000 Securities Investor Protection Corporation (SIPC) insurance limit. However, the trustees do not believe that the Plan is exposed to any significant risk. SIPC does not protect against losses in market value. There were no uninsured cash and cash equivalent balances at June 30, 2024 and 2023.

(continued)

3. INCOME TAX STATUS

The Plan has been drafted to satisfy the requirements under the Internal Revenue code as they pertain to 401(k) plans. The Internal Revenue Service (“IRS”) has determined and informed the Company by letter on March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”).

The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. As such, Plan management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management believes the Plan is currently designed in compliance with the applicable requirements of the Code.

The Plan is subject to routine audits by taxing jurisdictions generally for up to three years after filing; however, there are currently no audits for any tax periods in progress.

4. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

5. CONCENTRATION OF CREDIT RISK

The participant notes receivable are due from Plan participants, almost all of whom live and work in the Southern Arizona area and are employed by Child and Family Resources, the Plan sponsor. The notes are collateralized by the participant’s account in the Plan.

6. AGREEMENTS AND TRANSACTIONS WITH PARTIES-IN-INTEREST

Fees paid by the Sponsor on behalf of the Plan for legal, accounting and other services rendered to the Plan were based upon customary and reasonable rates for such services, as determined by the Plan’s trustees.

(continued)

7. PARTIES-IN-INTEREST

Certain investments held by the Plan as of June 30, 2024 and 2023, are managed or sponsored by the Mutual of America Life Insurance Company. The Mutual of America Life Insurance Company served as the asset custodian for the Plan. Therefore, transactions in these shares qualify as party-in-interest transactions. Additionally, Mutual of America Life Insurance Company provided administrative services to the Plan. Fees paid for administrative and investment services to service providers, which qualify as exempt party-in-interest transactions, were \$(6,498) for the year ended June 30, 2024.

8. INVESTMENTS

Upon enrollment in the Plan, a participant may direct participant and employer contributions in any of the numerous investment options made available to them. The Plan's investments (including gains and losses on investments bought, sold and held during the year) appreciated in value by \$553,316 during the year ended June 30, 2024.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Pooled separate accounts: Valued at the net asset value (NAV) of units held by the Plan at year end based on the market value of its underlying investments. Although the pooled separate accounts are not available in an active market, the NAV of the units are approximated based on the quoted prices of the underlying investments that are traded in an active market. The Plan has no unfunded commitments related to any of these investments and there are no Plan initiated redemption restrictions on these investments. There are no redemption restrictions on participant's holdings in the investments and the Plan can redeem these investments.

Deposit administration accounts: A contract under which contributions are not currently applied to the purchase of single-payment deferred annuities for individual participants. Under the deposit administration contract, payments to Mutual of America Life Insurance Company are intended to provide future benefits to participants and are credited to an account. For investment purposes, the monies in the account are commingled with other assets of Mutual of America Life Insurance Company. The account is credited with interest at a rate of 1% and charged with the purchase price of annuities when participants retire and with any incidental benefits (death, disability and withdrawal) disbursed directly from the account.

The funds in the Plan are allocated to individual plan participants; therefore, the funds are always available to pay benefits, subject to the Plan's vesting schedule. Since the Sponsor does not control participant assets, the need for the Plan to be benefit responsive is not relevant. Mutual of America values the deposit administration account at contract value basis. If funds are transferred to another funding vehicle or investment they may be subject to market value adjustment.

(continued)

8. INVESTMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments measured at fair value based on NAV per share as of June 30, 2024 and 2023, respectively.

	Fair Value Measurements Using

8. INVESTMENTS (continued)

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. This class includes investments in mutual funds with portfolios that consist of a mix of value and growth stocks. It includes target date funds which seek high total return through the target retirement date, with greater focus on income beyond that date.

The following tables summarize investments measured at fair value based on net asset value per share as of June 30, 2024 and 2023:

8. INVESTMENTS (continued)

- a. This class includes investments in mutual funds with portfolios that consist of a mix of value and growth stocks. It includes target date funds which seek high total return through the target retirement date, with greater focus on income beyond that date.
- b. This class includes investments in mutual funds that seek long-term growth of capital.
- c. This class includes investments in mutual funds that primarily holds stocks that are deemed to be undervalued in price and that are likely to pay dividends. These funds seek long-term capital appreciation.
- d. This class includes investments in mutual funds primarily invested in bonds and other debt instruments. The funds seek to maximize total return consisting of current income and capital appreciation.
- e. This class of funds seeks the maximum current income that is consistent with maintaining liquidity and preserving capital. The fund intends to maintain a stable \$1 share price.
- f. This class of funds is managed with a targeted mix of asset classes that starts out with a higher risk-return position and gradually becomes less risky as the fund nears its targeted utilization date.
- g. This class of funds implies a balanced allocation of equities and fixed income for broad market diversification based on risk tolerance.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 investment assets for the year ended June 30, 2024:

	Deposit Administration Contract

11. INFORMATION PREPARED AND CERTIFIED BY ASSET CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulators for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the asset custodian, has certified that the following data included in the financial statements is complete and accurate:

- Investments and notes receivable, as shown in the statements of net assets available for benefits as of June 30, 2024 and 2023.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2024.
- Schedule H, line 4i – schedule of assets (held at end of year), June 30, 2024.

(continued)

11. INFORMATION PREPARED AND CERTIFIED BY ASSET CUSTODIAN (continued)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

12. CONTINGENCIES

During the year ended June 30, 2024, management became aware that starting in 2016, an error was made in the amended Plan document changing the entry date of participants for the employer match. The Plan continued to operate as intended, but was not in compliance with the Plan document. In response, the Plan submitted a Voluntary Correction Program ("VCP") to the IRS. As of April 14, 2025, the VCP was still under IRS review. Management does not expect the correction amount to exceed \$18,000 if the IRS does not accept the proposed VCP.

13. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through April 14, 2025, the date the financial statements were available to be issued.

Subsequent to year end, the Plan transitioned to Principal Life Insurance Company as their new third party administrator and asset custodian. As of April 14, 2025, the transition has been completed and the Plan as been amended.
