FINANCIAL STATEMENTS

JUNE 30, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
North Coast Trust Fund
1141 Harbor Bay Parkway, Suite 100
Alameda, California 94502

Members of the Board:

Opinion

We have audited the accompanying financial statements of North Coast Trust Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NORTH COAST TRUST FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the North Coast Trust Fund (the "Plan") is provided for general information purposes only. The Plan was established in 1959 as a result of collective bargaining agreements between various employers and unions to provide welfare benefits for eligible employees and their dependents. The current Plan provides medical, life, dental, accidental death and dismemberment, prescription drug, accident and illness, vision, and substance abuse coverage. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The 2002-2008 Teamsters/United Parcel Service (UPS) collective bargaining agreement established an employer contribution to the Fund specifically for retiree benefits. During the year ended June 30, 2003, the Fund initiated retiree self-pay rates for certain UPS-employed Plan participants to conform to the employer contribution. These retiree benefits are provided at the sole discretion of the Board of Trustees and may be discontinued at any time.

THE PLAN DOCUMENTS INCLUDE DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Employer Contributions

Employer contributions are reported in the financial statements on the accrual basis. Employer contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for estimated uncollectible accounts.

D. Employer Payroll Compliance Program

The system of internal control provides for examination of employers' records under a separate payroll compliance program. Contributions received as a result of payroll examinations are recorded when collected.

E. Tax-Exempt Status

The Plan obtained its latest exemption letter dated December 1974, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the exemption letter. The plan administrator and Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and state codes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NORTH COAST TRUST FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Tax-Exempt Status (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Claims Payable and Estimated Claims Incurred But Not Reported

Claims payable represents an estimate of claims incurred and reported to the Plan but not yet paid as of the Plan's year end. The liability for claims incurred but not reported represents an estimate of claims incurred but not yet reported to the Plan as of the Plan's year end.

G. Estimated Liability Based on Participants' Future Eligibility

The liability for future eligibility represents an estimate of the cost of benefits which participants are entitled to as of the Plan's year end based upon the Plan's eligibility provisions.

H. Postretirement Benefits

Accounting principles generally accepted in the United States of America require that multiemployer welfare benefit plans report postretirement benefit obligations for retired participants including beneficiaries and covered dependents, active and terminated participants who are fully eligible to receive postretirement benefits, and active participants not yet fully eligible for postretirement benefits.

I. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investment, it is at least reasonably possible that changes in the value of investment will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Estimates for premiums payable, claims payable, claims incurred but not reported, accumulated eligibility and postretirement benefit obligations are based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NORTH COAST TRUST FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

- Level 1 – Inputs are quoted prices in an active market.
- Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.
- Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Level 1 investments include mutual funds and exchange traded funds recorded at fair value based on quoted prices in an active market. There have been no changes in the methodologies used at June 30, 2024 and 2023.

The following tables summarize the Plan's investments at June 30 based on the inputs used to value them:

		2024			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ 10,160,720	\$ -	\$ -	\$ 10,160,720

		<u>\$ 27,778,110</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,778,110</u>

The Plan did not have any transfers into or out of Levels 1, 2 or 3 for the year ended June 30, 2024.

NOTE 4 - PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 5 - CONCENTRATION OF CREDIT RISK

The Plan places its cash with financial institutions deemed to be credit worthy. Cash balances may at times exceed the federally insured limit of \$250,000 per bank.

NORTH COAST TRUST FUND
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 5 - CONCENTRATION OF CREDIT RISK (Continued)

Contributions from the Plan's three largest employers represent approximately 73% of the Plan's employer contributions for the years ended June 30, 2024 and 2023. Contributions receivable from these employers represent approximately 73% and 71% of the Plan's total employer contributions receivable at June 30, 2024 and 2023, respectively.

NOTE 6 - FUNDING POLICY

The Plan is financed by employer contributions, contributions from retirees and from members electing COBRA coverage. The monthly employer contribution rate is specified in the collective bargaining agreements. The contribution rate for members electing COBRA coverage and retirees is set by the Board of Trustees.

Monthly employer contribution rates in effect during the years ended June 30, 2024 and 2023 for the various Plan options ranged from \$814 to \$1,966 and \$847 to \$2,045, respectively.

NOTE 7 - RELATED PARTY ACTIVITY

Zenith American Solutions, Inc. ("Zenith") is a contributing employer and the third-party administrator of the Plan and its group health plans. The total amount contributed by Zenith was \$1,245,301 and \$1,222,461 for the years ended June 30, 2024 and 2023, respectively.

NOTE 8 - POSTRETIREMENT BENEFITS

The amount reported as the postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees service rendered to the date of the financial statements, reduced by the actuarial present value of contributions, if any, expected to be received in the future from current Plan participants. Postretirement benefits include future benefits expected to be paid to (1) currently retired employees and (2) active employees who are currently eligible for benefits but have not yet retired (3) active participants who are not yet fully eligible. The UPS - subsidized retiree benefit became effective August 1, 2002, with benefits payable beginning August 1, 2003.

Using trend rates 1% higher than the assumed health care cost trend rates will increase the net postretirement benefit obligation to \$65,525,400 and \$65,066,000 as of June 30, 2024 and 2023, respectively, an increase of \$9,243,300 and \$10,057,000, respectively, over the reported number.

The actuarial present values of the expected postretirement benefit obligations were determined by actuaries from Rael & Letson and are the amounts that result from applying actuarial assumptions to historical benefits cost data to estimate future annual incurred benefits costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability or withdrawal) between the valuation date and the expected date of payment. The significant actuarial assumptions and methods used were:

Mortality, Turnover, and Disability: Western Conference of Teamsters Pension Plan modified versions of the Pri-2012 Healthy and Disabled tables with Scale MP-2019 generational projection applied from a base year of 2012. The turnover rates are from a 30-year select and ultimate table.

NOTE 8 - POSTRETIREMENT BENEFITS (Continued)

Participation Rates after Retirement:

Full-Time UPS Participants:	85%
All Others	20%

Discount Rate: 5.25% and 5.00% per annum as of June 30, 2024 and 2023, respectively.

Various other demographic trend rates and various per capita cost assumptions.

Change in Actuarial Assumptions - June 30, 2024:

- a. The discount rate was raised from 5.00% to 5.25% reflecting the update in available rates of return from last year, and the portion of future non-Medicare retirees who elect Kaiser over UHC was reduced from 80% to 75%

Changes in Actuarial Assumptions - June 30, 2023:

- a. The discount rate was raised from 4.50% to 5.00% reflecting the update in available rates of return from last year.

For the HMO implicit subsidy development, the actual 2024/2025 premiums by enrollment counts as of March 31, 2024 were weighted. Actuarial factors were applied to the average non-Medicare HMO costs to estimate per-capita costs by five-year age groups then applicable premiums were subtracted to yield the implicit subsidy of the retirees by the actives.

Operating expenses were estimated based on retiree experience for the three years ending June 30, 2023. Annual per-family expenses were trended to 2024/2025, then combined by taking a weighted average.

In addition to deductibles and copayments, retirees (in aggregate) pay 21% of the estimated cost of the postretirement benefits in the year ending June 30, 2024 and 24% in June 30, 2023. The cost of the postretirement benefit plan is shared by the Plan's retirees and participating employers. The figure is a mix of 16% and 17% for UPS retirees (who receive a cash subsidy plus an implicit subsidy) and 76% and 74% for non-UPS retirees (who have only an implicit subsidy) in the years ending June 30, 2024 and 2023, respectively.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

NOTE 9 - STOP-LOSS INSURANCE

The Plan maintains a stop-loss insurance policy. Medical claims paid during the contract year are the responsibility of the Plan up to an aggregate annual attachment point. The Plan also maintains specific claim stop-loss insurance. The specific claim attachment point for the contract years ended June 30, 2024 and 2023 is \$150,000.
