INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
YCS Retirement Plan

Opinion

We have audited the financial statements of the YCS Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis

As discussed in Note 1 to the financial statements, the Board of Directors of Youth Consultation Service Inc., the Plan's sponsor, voted on November 10, 2023, to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of reportable transactions for the year ended June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Respectfully submitted,

YCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

Note 1 **Description of the Plan**

The following brief description of the YCS Retirement Plan (the Plan), sponsored by Youth Consultation Service Inc. (the Organization or Company), is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Termination

On November 10, 2023, the Board of Directors voted to terminate the Plan effective November 10, 2023. All assets of the Plan were distributed in June 2024.

The following information is for periods prior to the Plan's termination.

General

The Plan is a profit sharing plan covering all employees of the Organization who have completed two years of service as full-time employees and are twenty-one or older. Employees who are part of a collective bargaining agreement, non-resident aliens without earned income, and highly compensated employees are not covered. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA) and all the requirements of §401(a) and 401(k) of the Internal Revenue Code.

The Plan assets are held by Charles Schwab, the custodian of the Plan. Company contributions are also held by the custodian, who invests cash received and income from investments based on written instructions from the Company and makes distributions to participants. The Plan trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Contributions to the Plan are made at the discretion of the Board of Directors and are allocated according to the participants' eligible compensation as explained in the below paragraph (Participant Accounts). The Plan does not allow voluntary contributions by participants. The Organization did not elect to make discretionary profit-sharing contributions for the year ended June 30, 2024.

Participant Accounts

Each participant's account is credited with an allocation of (a) the Company's discretionary profit sharing contributions, (b) the Plan's investment earnings (losses), net of investment expenses, and (c) administrative expenses and any withdrawals. Allocations are divided into two groups. Group one consists of all eligible participants who as of July 1 of the Plan year are credited with at least ten years of credited service. Group two consists of all eligible participants who as of July 1 of the Plan year are credited with less than ten years of credited service. The Company contribution for each plan year will be divided between Group one and Group two. The allocation within each group will be based on the ratio that each participant's compensation bears to the aggregate compensation of all eligible participants in their respective groups.

YCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

***Note 1* Description of the Plan - Continued**

Vesting

Participants are fully vested at all times in Company contributions and rollover accounts.

Payment of Benefits

The Plan provides for benefits upon termination of employment through retirement, death, disability, or for other reasons. Normal retirement age has been designated as age 65. A participant may receive the value of the vested interest in their account as a lump-sum distribution only; annuities are prohibited under the Plan.

***Note 2* Summary of Significant Accounting Policies**

Basis of Accounting

As a result of the decision to terminate the Plan during November 2023, management determined that liquidation of the Plan is imminent and the financial statements for 2024 have been prepared using the liquidation basis of accounting. The 2023 financial statements were prepared as a going concern on the accrual basis of accounting.

Subsequent Events

In preparing the financial statements, management has evaluated events and transactions for potential recognition and disclosure through April 16, 2025, the date that the financial statements were available to be issued.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Organization.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic, or international conflict.

YCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

***Note 3* Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by U.S. GAAP for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

YCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

***Note 3* Investment Valuation and Income Recognition - Continued**

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Money Market Fund and Mutual Funds: These investments are valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market

Exchange Traded Funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of June 30:

	Investments, at Fair Value	
	as of June 30,	
	Level 1	
	2024	2023
Money Market Fund	\$ -	\$ 9,303
Mutual Funds	-	446,593
Exchange Traded Funds	-	226,292
	\$ -	\$ 682,188

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

YCS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

Note 4 **Tax Status**

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated November 30, 2020, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since adopting the preapproved plan document; however, The Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

At the time of this filing, the schedule of reportable transactions was not available. This is due to an unexpected delay in securing final confirmation of certain data items thereby requiring additional time to complete the annual plan audit. When the reportable transaction schedule is available, an amended 2023 Form 5500 (PYE 6/30/2024) will be filed to associate that schedule with the 2023 Form 5500.
