**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Trustees  
CMC Materials, Inc. 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of CMC Materials, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years ended December 31, 2023, and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023, and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matter – supplemental schedules required by ERISA**

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2023 and of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CMC Materials, Inc. 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2023 and 2022**

**NOTE A - DESCRIPTION OF PLAN**

The following description of the CMC Materials, Inc. 401(k) Plan (the "Plan") provides only general information as of December 31, 2023 and 2022. Participants should refer to the Plan's adoption agreement ("Plan agreement") for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering all eligible employees of CMC Materials, Inc., previously Cabot Microelectronics Corporation, (the "Plan Sponsor" or "Plan Administrator", or the "Company") and its related employers as defined in the plan document, who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective December 14, 2021, Entegris, Inc. ("Entegris"), and Yosemite Merger Sub, Inc. ("Merger Sub"), a wholly owned subsidiary of Entegris, entered into an agreement and Plan of Merger (the "Merger Agreement") with the Company, pursuant to which, on the terms and subject to the conditions set forth therein, Merger Sub will merge with and into the Company, with the Company surviving the merger as a wholly owned subsidiary of Entegris. The merger was finalized on July 6, 2022. There were no changes to the Plan as a result of this transaction.

Effective January 20, 2023, a division of CMC Materials, Inc., QED Technologies International, Inc., was divested and acquired by Quad-C Management, Inc. On April 17, 2023, all net assets related to the division, approximately \$16,700,000, transferred from the CMC Materials, Inc. 401(k) Plan to the plan of the new sponsor, QED Technologies International, Inc.

***Eligibility***

There is no service requirement and employees are eligible to participate in the plan. Employee's must be twenty-one or older to participate. Leased employees, residents of Puerto Rico, and nonresident alien with no income from U.S. source are not eligible to participate in the Plan. Individuals who are a signatory to a contract, letter of agreement, or other document that acknowledges your status as an independent contractor are not eligible to participate.

***Administration of Plan Assets***

The Plan's assets are administered under a contract with Fidelity Management Trust Company, the trustee of the Plan ("Fidelity" or the "Trustee"). The Trustee invests funds received from contributions, investment sales, interest, and dividend income. The Trustee also makes distribution payments to participants.

***Contribution Policy***

Each year, participants may elect to contribute from 1% to 60% of annual compensation to pre-tax deferral contributions and/or Roth deferral contributions, as defined in the Plan agreement. The Plan Sponsor makes a matching contribution to participants accounts in an amount equal to 100% of the first 6% of his or her eligible compensation contributed to the Plan. The Plan has designated the employer match as a safe harbor contribution. The Plan Sponsor also contributes an additional nonelective 3% of each participant's eligible compensation into the Plan every pay period. All contributions by or on behalf of a participant for a plan year are subject to limitations set forth in the Internal Revenue Code ("IRC") and the regulations promulgated thereunder. For the year ended December 31, 2023, the IRC employee elective deferral limit was \$22,500. In addition, participants over 50 years old may contribute catch-up contributions of \$7,500 in 2023.

**CMC Materials, Inc. 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

The Plan has an automatic enrollment feature. Participants who become eligible will automatically be enrolled after 30 days of eligibility with an active participation rate of 6% unless the participant actively elects to opt out of participation. This participation rate will remain in effect until the participant elects to change the rate. Unless the participant actively chooses fund(s) in which they would like their contributions to be invested, their funds will be invested in the appropriate target date fund.

***Vesting***

Participants are immediately fully vested in their voluntary contributions and certain employer matching, including but not limited to nonelective-non-discretionary and frozen safe harbor matching contributions, as defined in the plan document, plus any earnings thereon.

New employees hired January 1, 2020 and after have a non-elective contribution 2-year cliff vesting.

Former participants in the International Test Solutions, Inc. 401k Profit Sharing plan who terminated on or before January 1, 2022 with discretionary employer matching contributions, vest using a graded scale as noted below:

<u>Years of Vesting Service</u>	<u>Vested Interest</u>
0 -1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

***Forfeited Accounts***

Forfeitures of employer contributions and the earnings on those contributions resulting from participants who leave the Company prior to vesting are retained in an unallocated forfeiture account. The Company may first use forfeitures to pay any administrative expenses and then used to offset any employer contributions. Forfeitures of \$25,856 and \$0 were available as of December 31, 2023 and 2022, respectively. During the years ending December 31, 2023 and 2022, forfeitures of approximately \$176,800 and \$32,600, respectively, were used to reduce employer contributions.

***Participants' Accounts***

Participants' accounts are credited with the participant's contributions, employer matching, and an allocation of Plan earnings or losses and administrative expenses. Allocations of Plan earnings or losses are based on participant account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may direct their account balances among a money market fund, collective trusts, and various registered investment company funds offered through Fidelity as specified in the Plan agreement.

***Plan Termination***

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, the Trustee will distribute the plan assets for the benefit of the participants, former participants and beneficiaries according to their interest at termination.

**CMC Materials, Inc. 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

***Payment of Benefits***

On termination of service due to death, disability, discharge or retirement, a participant may elect to receive a lump-sum amount equal to the value of his or her account. Hardship withdrawals are permitted upon meeting certain requirements as defined by ERISA and approval from the Plan Administrator. Participants may elect to receive distributions in lump-sum after age 59½.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance in their accounts during the prior 12-month period, or 50 percent of their vested account balance. Participants may have one loan outstanding at a time.

The loans are secured by the balance in the participant's account and bear interest at rates determined by the Plan Sponsor; outstanding loans at December 31, 2023 and 2022 had interest rates ranging from 4.25% to 9.5%. Principal and interest are paid ratably through payroll deductions. The period of repayment may not exceed five years unless the loan is for the purchase of a principal residence, in which case the loan repayment period may extend beyond five years from the date of loan issuance.

***Reclassifications***

Certain prior year amounts have been reclassified to conform to the current year presentation.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

***Basis of Accounting***

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

***Investment Valuation***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Trustee.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains or losses on investments bought and sold, as well as held during the year.

***Allocation to Participants' Accounts***

Investment income and realized and unrealized investment gains (losses) applicable to participants' investments are allocated based on the ratio of the individual participant's equity in the fund to total fund equity as of the respective valuation date.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

***Fair Value Measurements***

Accounting Standards Codification (“ASC”) 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used as of December 31, 2023 and 2022.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual and money market mutual funds:* Valued at the daily closing price as reported by the fund. These funds are required to publish daily net asset values (“NAV’s”) and to transact at that price. The mutual funds held by the Plan are considered actively traded. (Level 1)

*Collective trust fund:* Valued at fair value using the NAV of the units held by the fund at year-end as a practical expedient. The collective trust fund is invested in contracts deemed to be fully benefit-responsive. Fair value approximates contract value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Redemptions from the fund at the plan level are permitted at current net asset value following a 12-month notice period, and there were no unfunded commitments as of December 31, 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**December 31, 2023 and 2022**

The following tables present financial assets measured at fair value on a recurring basis at December 31, 2023 and 2022:

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share (or its equivalent) as of December 31, 2023 and 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust fund - 2023	\$ 2,352,763	N/A	Daily	12 Months
Collective trust fund - 2022	\$ 2,780,141	N/A	Daily	12 Months

**Administrative Expenses**

A majority of professional and administrative fees are paid by the Plan Sponsor and are excluded from these financial statements, except for short-term trading fees related to certain investments in the Plan which are paid by the participants.

**CMC Materials, Inc. 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

Participants requesting loans pay administrative costs for processing their loans. The rebate income is allocated to the accounts of eligible participants on a quarterly basis. Investment related expenses are included in net appreciation of fair value of investments.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. Interest income is recorded on an accrual basis. Delinquent participant loans are reclassified as distributions based on the items of the Plan agreement, and there were no loans in default as of December 31, 2023 and 2022.

***Payment of Benefits***

Distributions are recorded when paid.

***Risks and Uncertainties***

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**NOTE C - TRUSTEE CERTIFICATIONS**

The Plan Administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments at fair value, non-interest bearing cash, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income (loss) and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

**NOTE D - INCOME TAX STATUS**

The Plan adopted the FMRC prototype basic plan document, which received an advisory letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the prototype basic plan document is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has

**CMC Materials, Inc. 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2023 and 2022**

been amended since receiving the determination letter. However, the Plan Administrator and the Plan's legal counsel believe that the Plan amendments do not alter the tax status of the Plan and the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Fidelity Management Trust Company is a party-in-interest, as defined by ERISA, as a result of its providing trustee services to the Plan and the investment of plan assets in its investment funds. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA. Notes receivable from participants are also party-in-interest transactions.

Certain employees of the Company provide administrative services to the Plan and the Company absorbs certain Plan expenses. These services are provided at no cost to the Plan.

**NOTE F - RECONCILIATION TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

**NOTE G - NONEXEMPT TRANSACTIONS**

For the year ended December 31, 2023, participant deferrals approximating \$1,400, were not remitted to the Plan within the time frame required by the United States Department of Labor regulations. In 2024, the Employer reimbursed the Plan for lost earnings of approximately \$500.

**NOTE H - SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events for recognition or disclosure through December 16, 2024, the date the financial statements were available to be issued. Effective January 1, 2024, the Plan merged with the Entegris Inc. 401(k) Savings and Profit Sharing Plan (the Entegris Plan). Pursuant to the merger into the Entegris Plan, \$237,511,716 was transferred from the Plan to the Entegris Plan. The Plan is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.
