INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
F&W Forestry Services, Inc. 401(k)
Savings and Retirement Plan and Trust
Albany, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical

requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at end of year) (pages 12 through 13), and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions (page 14), are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Eligibility for Participation

The F&W Forestry Services, Inc. 401(k) Savings and Retirement Plan and Trust is a defined contribution plan covering all permanent employees of F&W Forestry Services, Inc. and FWS California, LLC (the “Company”), who have attained the age of 21, with no minimum service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute a portion of their pre-tax annual compensation, as determined and defined by the Plan. The Plan Sponsors contributed 100% of the first 4% of compensation that an employee contributes to the Plan. Additional amounts may be contributed at the option of the Plan Sponsors’ Board of Directors. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and company matching contributions, and earnings in their account. The participant directs the investments of his or her account by allocating amounts among the investment choices provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. The loans are secured by the balance in the participant’s account.

The participant will be charged a commercially reasonable rate of interest for any notes receivable from participants received from the Plan. The Administrator will determine a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. The interest rate will be fixed for the duration of the notes receivable from participants.

If approved, notes receivable from participants will provide for level amortization with payments to be made not less frequently than quarterly. Generally, the term of the notes receivable from participants may not exceed five (5) years. However, if the notes receivable from participants is for the purchase of a principal residence, the Administrator may permit a longer repayment term. Generally, the Administrator will require that the participant repay the notes receivable from participants by agreeing to payroll deduction. If the participant has an unpaid leave of absence or goes on military leave while they have an outstanding notes receivable from participants, certain other repayment options are available.

All notes receivable from participants will be considered a direct investment into the participant’s account under the Plan. All payments of principal and interest by the participant will be credited to their account.

F&W FORESTRY SERVICES, INC.
401(K) SAVINGS AND RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

If the participant fails to make payments when they are due under the terms of the note receivable from participants, the participant will be considered “in default.” The Administrator will consider the note receivable from participants to be in default if any scheduled note receivable from participants repayment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. The Plan would then have authority to take all reasonable actions to collect the balance owed on the note receivable from participants. This could include filing a lawsuit or foreclosing on the security for the loan. Under certain circumstances, a note receivable from participants that is in default may be considered a distribution from the Plan and could be considered taxable income to the participant. In any event, the participant’s failure to repay the note receivable from participants will reduce the benefit the participant would otherwise be entitled to from the Plan.

Vesting

100% vested contributions. Participants are immediately 100% vested in their accounts attributable to the following contributions:

- Salary deferrals.
- Rollover contributions.
- Matching contributions.

Profit-Sharing Contributions

Participant’s “vested percentage” in their accounts attributable to profit-sharing contributions is determined under a six (6)-year vesting schedule. No profit-sharing contributions have been provided currently, or in the past.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan also permits withdrawals to be made by participants who have incurred a “hardship” as defined in the Plan.

Forfeiture

Forfeiture is that portion of a participant’s account that is not vested and becomes a forfeiture on the earlier of: the distribution of the entire vested portion of the participant’s account of a participant who has severed employment with the Company, or; the last day of the plan year in which a participant who has severed employment with the Company incurs five (5) consecutive 1-year breaks in service. There were no forfeitures during the year.

Subsequent Events

Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Substantially all of the expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value investments. They are all participant-direct charges for loans, distributions, etc. These expenses are charged to participant accounts.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received. No allowance for credit losses has been recorded as of December 31, 2023, or 2022. If a participant ceases to make loan repayments, and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820-10-50, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under FASB ASC 820-10-50 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level or any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Group Annuity Accounts: Fair Value for Group Annuity Accounts is determined by prices published daily by the account manager, which is the net asset value (“NAV”) of the account (Level 1). Net asset value is determined by the fair value of the mutual funds, stocks, debt instruments, and other securities in the accounts. Participants can trade the group annuity accounts daily at the published NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023, and 2022.

NOTE 4 - CERTIFIED INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest income for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by John Hancock Life Insurance Company, the custodian of the Plan.

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of mutual funds managed by John Hancock Life Insurance. John Hancock is the custodian of the Plan's assets, and therefore qualifies as party-in-interest. Fees paid by the Plan for the investment management services amounted to \$55,706 for the year ended December 31, 2023. This party-in-interest transaction is exempt from the Prohibited Transaction Rules of ERISA. There are no other related party or party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Although the participating employers have not expressed any intent to do so, they have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - INCOME TAX STATUS

The Plan uses a volume submitter 401(k) plan created by John Hancock Life Insurance Company, the Plan's service provider. John Hancock Life Insurance Company received an opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014, which states the volume submitter 401(k) plan satisfies the applicable provisions of the Internal Revenue Code ("IRC"). Although the Plan has not obtained an individual determination letter and has been amended since receiving the John Hancock Life Insurance Company opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The Plan Administrator believes the Plan has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

IRS announces tax relief for victims of Hurricane Helene in Georgia; various deadlines postponed to May 1, 2025

GA-2024-08, Oct. 1, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in the entire state of Georgia that were affected by Hurricane Helene that began on Sept. 24, 2024. These taxpayers now have until May 1, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the Federal Emergency Management Agency (FEMA) [↗](#), individuals and households that reside or have a business in all 159 counties qualify for tax relief.

Affected taxpayers with returns and payments with due dates postponed until Feb. 3, 2025, due to Hurricane Debby in Georgia (GA-2024-07) will also now have until May 1, 2025, to file and/or pay.

The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Sept. 24, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025. As a result, affected individuals and businesses will have until May 1, 2025, to file returns and pay any taxes that were originally due during this period.

The May 1, 2025, filing deadline applies to:

- Individuals and businesses that have a 2024 return normally due during March or April 2025.
- Individuals who had a valid extension to file their 2023 return due to run out on Oct. 15, 2024. The IRS noted, however, that because tax payments related to these 2023 returns were due on April 15, 2024, those payments are not eligible for this relief.
- Calendar-year corporations whose 2023 extensions run out on Oct. 15, 2024.

The May 1, 2025, deadline also applies to any payment normally due during this period, including the quarterly estimated tax payments due on Sept. 16, 2024, and Jan. 15, and April 15, 2025. The May 1, 2025, deadline also applies to the quarterly payroll and excise tax returns normally due on Oct. 31, 2024, and Jan. 31, 2025, and April 30, 2025. In addition, penalties on payroll and excise tax deposits due on or after Sept. 24, 2024, and before Oct. 9, 2024, will be abated as long as the tax deposits are made by Oct. 9, 2024.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at 866-562-5227 to request this tax relief. Tax preparers located in the disaster area with clients located outside the disaster area can choose to use the Bulk requests from practitioners for disaster relief option, described on [IRS.gov](https://www.irs.gov).

Covered disaster area

The localities listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until May 1, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Sept. 24, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

Affected taxpayers that have an estimated income tax payment originally due on or after Sept. 24, 2024, are postponed through May 1, 2025, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before May 1, 2025.

The IRS also gives affected taxpayers until May 1, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (Dec. 10, 2018), that are due to be performed on or after Sept. 24, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after Sept. 24, 2024, and before May 1, 2025, are postponed through May 1, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Sept. 24, 2024, and before Oct. 9, 2024, will be abated as long as the tax deposits were made by Oct. 9, 2024.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer's federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. See Publication 547 for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see Form 4684, Casualties and Thefts [PDF](#) and its instructions [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, FEMA-3616--EM on any return. See Publication 547 for details.

Other relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number **(3616-EM)**, in bold letters at the top of Form 4506, Request for Copy of Tax Return [PDF](#), or Form 4506-T, Request for Transcript of Tax Return [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See Publication 525 for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, [IRS.gov](https://www.irs.gov).

Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at Volunteer Income Tax Assistance (VITA) or Tax Counseling for the Elderly (TCE) sites. To find the closest free tax help site, use the VITA Locator Tool [↗](#) or call 800-906-9887. **Note that normally, VITA sites cannot help claim disaster losses.**
- To find an AARP Tax-Aide site, use the AARP Site Locator Tool [↗](#) or call 888-227-7669.
- Any individual or family whose adjusted gross income (AGI) was \$79,000 or less in 2023 can use IRS Free File's Guided Tax Software at no cost. There are products in English and Spanish.
- Another Free File option is Free File Fillable Forms. These are electronic federal tax forms, equivalent to a paper 1040 and are designed for taxpayers who are comfortable filling out IRS tax forms. Anyone, regardless of income, can use this option.
- MilTax, a Department of Defense program, offers free return preparation software and electronic filing for federal tax returns and up to three state income tax returns. It's available for all military members and some veterans, with no income limit.
