## INDEPENDENT AUDITOR'S REPORT

To the Plan Participants and Plan Administrator of  
**Vredevoogd Heating & Cooling 401(k) Plan:**

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We were engaged to perform an audit of the financial statements of **Vredevoogd Heating & Cooling 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of July 31, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits from the period of January 1, 2024 to July 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of July 31, 2024 and December 31, 2023, and from the period of January 1, 2024 to July 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter - Plan Merger**

As further discussed in Note A to the financial statements, the Plan authorized a merger with the Heartland Home Services Inc 401(k) Profit Sharing Plan & Trust and transferred all assets by July 31, 2024.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# Vredevoogd Heating & Cooling 401(k) Plan

## Notes to Financial Statements

July 31, 2024 and December 31, 2023

---

### Note A – Description of Plan

The following description of Vredevoogd Heating & Cooling 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan covering all employees of Vredevoogd Heating & Cooling, LLC (the “Company” or “Employer”). The Plan was established effective January 1, 1993. The Plan was restated and amended effective August 1, 2022 for the Cycle 3 Restatement to bring the Plan into compliance with Internal Revenue Service (“IRS”) Notice 2017-37. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

All employees of the company except union employees, non-resident aliens, and employees obtained through M&A, are eligible to participate in the Plan upon reaching the age of 18 and after completion of six months of service. Participants enter the Plan on the first day of the Plan year or first day of 7<sup>th</sup> month of Plan year after all eligibility requirements are met.

Effective August 1, 2024, the Plan was merged into Heartland Home Services, Inc 401(k) Plan, and all plan assets were transferred out to the surviving plan by July 31, 2024. The Plan was blacked out beginning July 25, 2024.

#### Administration of the Plan

The accounting records are maintained by the Company. The Plan’s assets are held and managed by Reliance Trust Company (the “Trustee”). The Plan utilizes ADP, LLC as its record keeper. Contributions are held by the Trustee, who invests cash received, interest and dividend income, as directed by the participant, and makes distributions to participants.

#### Contributions

The Plan has an automatic enrollment feature for all eligible participants at an automatic deferral of 5% of compensation. Additionally, automatic elective deferrals will increase by 1% each year until they reach a maximum of 10%. Participants may contribute from 1% up to 90% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”). A participant who has attained the age of 50 may also make catch up contributions, subject to IRS limitations of \$7,500 for the period from January 1, 2024 to July 31, 2024. Participants may also make Roth deferrals and contribute amounts representing distributions from other qualified plans.

The Company may elect to make a qualified safe harbor contribution, Employer matching or nonelective contributions in an amount to be determined by the Board of Directors for each Plan Year. For the period from January 1, 2024 to July 31, 2024, the Company elects not to contribute any Employer contributions.

#### Participant Accounts

Each participant’s account is credited with the participant’s contribution, if applicable. Each participant’s account shall be allocated earnings, gains, expenses, and losses with respect to the investments of the participant’s account. Allocations of Plan earnings or losses are based on each participant’s investment fund balance in proportion to the total investment fund balance.

#### Vesting

Participants are immediately 100% vested in their own salary deferral and rollover contributions and earnings thereon. Participants become fully vested after 2 years in their qualified safe harbor Employer contributions and earnings thereon. Participants become vested in Employer profit sharing contributions and earnings thereon after six years of service as noted in the table below.

## Notes to Financial Statements

July 31, 2024 and December 31, 2023

---

### Note A – Description of Plan (continued)

#### Vesting (continued)

Years of Services	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants also become fully vested upon death, permanent disability while employed, or early retirement.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan interest rate is determined by the prime rate plus 2%. This interest rate is effective for any loan processed as of the 16<sup>th</sup> day of the month. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes receivable. Loan terms can be up to five years unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years. Principal and interest are paid by payroll deduction in substantially equal payments over the life of the loan, with payments not less frequently than bi-weekly.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. In the event of default, the unpaid portion of the participant's loan will be treated as a taxable distribution as of the last day of the calendar quarter following the calendar quarter in which the participant made their last payment.

#### Distribution of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial withdrawals or installments, as defined in the Plan agreement. If a participant's vested balance is \$5,000 or less, the Plan may distribute the entire vested account balance to the participant without their consent.

For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution less 20% withheld for taxes or have the payment paid as a direct rollover to an individual retirement account or individual retirement annuity or to another Employer's tax qualified plan. Participants may also obtain in-service distributions from their elective deferrals balances while still employed in the event of a qualifying hardship, as a qualified reservist or after attaining age 59 ½.

#### Forfeitures

Non-vested benefits of terminated participants are forfeited on the date the participant receives a complete distribution of vested benefits. Forfeitures are used to reduce Plan administration costs and Employer contributions. For the period ended July 31, 2024, and the year ended December 31, 2023, there were approximately \$0 and \$6,000 of forfeited non-vested accounts, respectively. For the period ended July 31, 2024, no forfeitures were used by the Plan for Employer contributions.

## Notes to Financial Statements

July 31, 2024 and December 31, 2023

### Note B – Summary of Significant Accounting Policies

#### Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

#### Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes in net assets available for benefits and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from these estimates.

#### Valuation of Investments

The Plan’s investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value (“NAV”) of shares held by the Plan at year end. The Plan’s interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

#### Payment of Benefits

Benefits are recorded when paid.

#### Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

#### Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- |                |  |
|----------------|--|
| <i>Level 1</i> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.  |
| <i>Level 2</i> | Inputs to the valuation methodology include:<br>Quoted prices for similar assets or liabilities in active markets;<br>Quoted prices for identical or similar assets or liabilities in inactive markets;<br>Inputs other than quoted prices that are observable for the asset or liability;<br>Inputs that are derived principally from or corroborated by observable market data by correlation or other means.<br>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| <i>Level 3</i> | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.  |

### Note B – Summary of Significant Accounting Policies (continued)

#### Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2024 and December 31, 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trusts:* Valued at NAV provided by the Trustee. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at July 31, 2024 and December 31, 2023. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of July 31, 2024 and December 31, 2023:

#### Fair Value Measurements at Reporting Date Using:

	Assets Measured at Fair Value at 8/1/2024	Quoted Prices in Active Markets (Level 1)
Mutual funds	\$ -	\$ -
Total assets in the fair value hierarchy	-	\$ -
Investments measured at net asset value	-	
Investments, at fair value	<u>\$ -</u>	

#### Fair Value Measurements at Reporting Date Using:

	Assets Measured at Fair Value at 12/31/2023	Quoted Prices in Active Markets (Level 1)
Mutual funds	\$ 7,739,454	\$ 7,739,454
Total assets in the fair value hierarchy	7,739,454	\$ 7,739,454
Investments measured at net asset value	633,290	
Investments, at fair value	<u>\$ 8,372,744</u>	

Investments measured using the NAV as a practical expedient are exempt from being presented in the fair value hierarchy.

## Notes to Financial Statements

July 31, 2024 and December 31, 2023

---

### Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at July 31, 2024 and December 31, 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants from the period of January 1, 2024 to July 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee, a qualified institution. As of July 31, 2024 and December 31, 2023 and from the period of January 1, 2024 to July 31, 2024, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Trustee, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### Note D – Income Tax Status

The Plan has received a determination letter from the IRS dated October 6, 2020 for its prototype plan stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended and the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC.

The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for years prior to 2021.

### Note E – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Note F – Party-In-Interest Transactions

Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. Certain Plan investments and the related transactions as of July 31, 2024 and December 31, 2023, and for the period ended July 31, 2024, were in investment fund managed by the Trustee; therefore, these investments and transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be Party-in-interest transactions because they are transacted with Plan participants. Fees paid to Parties-in-interest by the Plan for services amounted to approximately \$900 during the period ended July 31, 2024.

### Note G – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of additions per the financial statements to Form 5500 for the period ended July 31, 2024:

Total additions per the financial statements	\$ 716,272
Add: change in Participant contributions receivable	11,589
Add: change in Employer contributions receivable	5,473
Total additions per the Form 5500	<u>\$ 733,334</u>

### Note H – Subsequent Events

Subsequent events have been evaluated through March 6, 2025, which is the date the financial statements were available to be issued.
