Independent Auditor's Report

To the Plan Administrator of
Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan
Waycross, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2A of the financial statements, which describes the basis of accounting. The financial statements and the supplemental schedule are prepared on the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) – modified cash basis, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LEWIS AND RAULERSON, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following brief description of the Lewis & Raulerson, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- A. *General.* The Plan is a defined contribution profit sharing plan covering all employees of the sponsor, Lewis & Raulerson, Inc. (the “Company”), who have attained age 21, completed a twelve consecutive month period of employment, and have at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The *Securing a Strong Retirement Act* (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later. The Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly.

- B. *Contributions.* Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a safe harbor contribution of 100% of the participant’s elective deferrals that do not exceed 3% of compensation plus 50% of elective deferrals between 3% and 5% of compensation. Additional matching and non-elective amounts may be contributed at the option of the Company’s board of directors. Contributions are subject to certain limitations. Employer matching contributions in 2023 totaled \$271,546.
- C. *Participant Accounts.* Each participant’s account is credited with the participant’s deferral contribution and allocations of the Company’s contribution, plan earnings and administrative expenses, and forfeitures of terminated participants’ non-vested accounts. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- D. *Vesting.* Participants are immediately vested in their contributions and the Company’s safe harbor contribution plus actual earnings thereon. Vesting in the Company’s additional matching and non-elective portion of their accounts is based on years of continuous service. Partial vesting begins after two years of service and 100% vesting occurs after six years of service.
- E. *Notes Receivable from Participants.* Participants may borrow from their accounts in any amount greater than \$1,000 but less than 50% of their vested account balance, not to exceed \$50,000. Loans are generally required to be repaid within five to fifteen years from the date on which the loan is made. Loans are secured by the balance in the participant’s account and bear interest at a fixed rate comparable to the rates currently charged by commercial loans under similar circumstances. Principal and interest payments occur ratably through regular payroll deductions.
- F. *Payment of Benefits.* Upon termination of employment, retirement, disability or death, a participant or his beneficiary is entitled to receive a lump-sum equal to the vested value of his account.

- G. *Forfeited Accounts.* A participant, who terminates employment and receives a distribution of his vested balance, shall forfeit the non-vested value of his account once his entire vested account is distributed. If a participant is rehired before a five-year break in service, the amounts forfeited will be restored as of his rehire date. As of December 31, 2023 and 2022, there were no forfeited non-vested accounts. Any forfeitures will be used first to reduce administrative expenses and then to reduce future employer contributions.

2. Summary of Significant Accounting Policies

- A. *Basis of Accounting.* The accompanying financial statements have been prepared on the modified cash basis. Investment income is recognized when received, and disbursements are recognized when made. Additionally, securities investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the plan in accordance with accounting principles generally accepted in the United States of America.
- B. *Use of Accounting Estimates.* The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. *Investment Valuation and Recognition of Income.* Investments are reported at fair value, except for the fully-benefit responsive guaranteed investment contract, which is reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. Investments in pooled separate accounts represent a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using the net asset value ("NAV") per share, as determined by the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. Investments in fully-benefit responsive insurance contracts are measured at contract value, which equals the value of deposits made to the contract plus earnings at guaranteed crediting rate, less withdrawals and fees. The Plan Administrator determines the Plan's valuation policies utilizing information provided by investment advisers and the plan trustee (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. The net appreciation in the fair value of investments includes both realized and unrealized gains and losses on investments.

- D. *Notes Receivable from Participants.* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.
- E. *Payments of Benefits.* Benefits are recorded when paid.
- F. *Expenses.* Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

3. Information Certified by the Plan's Custodian

The plan administrator has elected to have the audit of Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.), custodian of the John Hancock pooled separate accounts and guaranteed interest account, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, the related investment activity reflected in the statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2023, and the investments on the schedule of assets (held at end of year) – modified cash basis.

4. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Basis of Fair Value Measurement:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following discussion describes the valuation methodologies used for assets measured at fair value on a recurring basis. The techniques utilized in estimating the fair values of financial instruments are reliant on the assumptions used. Care should be exercised in deriving conclusions based on the fair value information of financial instruments presented below.

Fair value estimates are made as of a specific point in time, based on available market information and judgments about the financial instrument. Such estimates do not consider the tax impact of the realization of unrealized gains or losses. In addition, the disclosed fair values may not be realized in the immediate settlement of the financial instrument.

Pooled Separate Accounts - Net asset value (NAV) of each of the pooled separate accounts is calculated in a manner consistent with U. S. GAAP for investment companies and is determinative of their fair value and represents the price at which the Plan would be able to initiate a transaction. Several of the pooled separate accounts are invested in publicly quoted mutual funds or actively managed stocks. The fair value of the underlying mutual funds or stock is used to determine the NAV of the pooled separate account, which is not publicly quoted. Some of the pooled separate accounts

Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements

also invest in fixed income securities. The fair value of the underlying securities is based on quoted prices of similar assets and is used to determine the NAV of the pooled separate account.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with ASC 820-10, the pooled separate accounts which are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy.

The following table summarizes investments measured at fair value based on net asset value (NAV) per share.

	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Other Restrictions</u>	<u>Redemption Notice</u>
As of December 31, 2023					
Pooled separate accounts	\$ 6,023,795	\$ -	Daily	None	None
As of December 31, 2022					
Pooled separate accounts	\$ 4,873,830	\$ -	Daily	None	None

5. **Guaranteed Investment Contract with Insurance Company**

The Plan has entered into a guaranteed investment contract, the Guaranteed Interest Accounts, with John Hancock Life Insurance Company (U.S.A.) ("John Hancock USA") totaling \$50,144 and \$46,658, as of December 31, 2023 and 2022, respectively. Deposits to Guaranteed Interest Accounts are held in John Hancock USA's general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract is fully benefit-responsive and is presented on the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting. For the years ended December 31, 2023 and 2022, the contract had a guaranteed composite rate range of 0.81%-2.40% and 0.81%-1.12%, respectively, and a spot rate on new deposits of 2.85% and 1.20%, respectively.

Certain events limit the Plan's ability to transact at contract value with John Hancock USA. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant

withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. Related-Party Transactions and Party in Interest Transactions

Plan investments include pooled separate accounts and a guaranteed investment contract which are managed by John Hancock, the custodian of the Plan. These transactions qualify as exempt party in interest transactions. Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than direct payment.

Fees charged directly to the Plan by the custodian and the third-party administrator for custodial, recordkeeping and investment advisory services totaled \$67,479 for the year ended December 31, 2023. Certain other administrative expenses of the Plan are absorbed by the plan sponsor and, therefore, are not reflected in these statements.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

8. Tax Status

The Plan utilized a service provider to handle administrative matters including plan design. An opinion letter from the Internal Revenue Service has been obtained by the service provider accepting the Plan as a prototype qualifying under the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks, Uncertainties, and Concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. As of

Lewis and Raulerson, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements

December 31, 2023 and 2022, 24.6% and 26.2%, respectively, of Net Assets Available for Benefits was invested in the John Hancock Lifestyle Balance Active Strategy Fund.

10. Operational Defects

The Plan Sponsor has identified certain operational defects primarily related to the application of the Plan's definition of eligible compensation. Plan management is in the process of determining the potential impact of the operational defects on the Plan and will take corrective actions required to bring the Plan in compliance with its plan document and with ERISA and DOL rules and regulations.

11. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 to Schedule H of Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 6,307,101	\$ 5,111,404
Investments	13,961	12,603
Cash	<u>(1,160)</u>	<u>(1,160)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 6,319,902</u>	<u>\$ 5,122,847</u>

The following is a reconciliation of the net increase per the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023 to Schedule H of Form 5500:

	<u>2023</u>
Net increases in net assets available for benefits per the financial statements	\$ 1,195,697
Employer's contributions	486
Participants' contributions	<u>873</u>
Net income per Schedule H of Form 5500	<u>\$ 1,197,056</u>

The differences in investments and contributions are because the contributions for the final December payrolls for each year were received and invested by the Plan in January of the following year but were recorded on the Form 5500 as if they were received and invested before year end.

12. Subsequent Events

Plan management has evaluated the need for disclosures or adjustments resulting from subsequent events through April 23, 2025 the date the financial statements were available for issuance; no material events were identified which require disclosure in or adjustments to the financial statements.
