(1) Name: **SUGGSJOHNSON LLC**

(2) EIN: **20-3911651**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditors' Report

To the Plan Administrator
Wellman Plastics Recycling, LLC 401(k) Plan
Johnsonville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the financial statements of the Wellman Plastics Recycling, LLC (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Wellman Plastics Recycling, LLC 401(k) Plan
Notes to Financial Statements

Note 1. Description of Plan

The following description of the Wellman Plastics Recycling, ("Company", "Plan Sponsor", or "Plan Administrator"), 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General* – The Plan is a profit-sharing plan adopted by Wellman Plastics Recycling, LLC and related companies (the "Company") for the benefit of their eligible employees. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Trustee of the Plan is Empower Annuity Insurance Company of America ("Empower"). Eligibility to participate in the Plan is based upon the completion of ninety days of eligibility service and attaining the age of twenty-one.
2. *Investment Options* – Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time via direct phone or internet access to the Trustee.
3. *Participant Accounts* – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary contribution, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined in the Plan.
4. *Payment of Benefits* – Upon termination, vested balances are available for distribution upon participant requests. If a participant's vested account is less than \$5,000, the participant will receive a lump-sum distribution as soon as practical following termination. In the event of death of a participant, the Company's contributions become 100% vested.
5. *Forfeited Accounts* – Participant forfeitures of Company distributions can be used to pay administrative expenses of the Plan. To the extent forfeitures are not used to pay administrative expenses, they may be used to reduce future Company contributions. No forfeitures were used during the year ended December 31, 2023. As of December 31, 2023 and 2022 forfeiture balances totaled \$3,804 and \$1,740, respectively.
6. *Vesting* – Participants are immediately vested in their employee contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion, plus any earnings thereon, is based on years of service on a 3-year cliff. A participant is 100% vested after three years of credited service and is 0% vested at less than three years.
7. *Contributions* – Company-matching contributions to the Plan are solely at the discretion of the Company's Board of Directors. The Company matching contribution equaled 50% and 25% for the years ended December 31, 2023 and 2022, respectively, for every 1% of employee deferral, capped at 4% of employee deferral. Additionally, a participant had to be employed on the last day of the year to receive a matching contribution.

A participant may elect to contribute up to the maximum allowable by law of their aggregate compensation earned while a participant under the Plan. For the year ended December 31, 2023, contributions and eligible compensation were limited to \$22,500 (additional \$7,500 catch-up contribution allowed for eligible participants) and \$330,000 respectively. Participant contributions are fully vested at all times.

Wellman Plastics Recycling, LLC 401(k) Plan
Notes to Financial Statements

Note 1. Description of Plan (continued)

8. *Participant loans* – Participant loans are not allowed under the Plan.
9. *Administrative expenses* – Certain administrative expenses incidental to the administration of the Plan, including fees of the administrative agent and independent public accountants, may be paid by the Plan. The Company, at its discretion, decided to pay for certain of these administrative expenses on behalf of the Plan. Most investment options have management fees, which reduce the overall return on assets. The net realized and unrealized depreciation in fair value of investments is reflected with these fees.

Note 2. Summary of Accounting Policies

1. *Basis of Accounting* – The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.
2. *Investment Valuation and Income Recognition* – Investments are reported at fair value, with the exception of the fully benefit responsive investment contract discussed at Note 6, which is measured at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. *Use of Estimates* – The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and use assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. The most significant estimate affecting these financial statements is the fair value of investments. Actual results could differ from those estimates.
4. *Payment of Benefits* – Benefits paid to participants of the Plan are recorded by the Trustee when paid.
5. *Uncertain Tax Positions* – The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability, nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's tax returns are subject to examination by the appropriate regulatory authorities, and, as of December 31, 2023, the Plan's tax returns remain open for the last three years.

Wellman Plastics Recycling, LLC 401(k) Plan
Notes to Financial Statements

Note 2. Summary of Accounting Policies (continued)

6. *Implementation of Accounting Pronouncements* – Effective January 1, 2023, the Plan adopted accounting standards update (ASU) 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (FASB ASC 326)*, which significantly changed how entities measure credit losses for most financial assets. The most significant change in the standard is a shift from the incurred loss methodology to an expected loss methodology. Financial assets held by the Plan that are subject to the guidance in FASB ASC 326 were employer contributions receivable. There was no material impact to the financial statements as a result of the adoption of ASU 2016-13.

Note 3. Recordkeeping and Participants' Accounts

The Company engaged Empower as the “Trustee” and “Recordkeeper” of the Plan’s assets. As such the Recordkeeper maintains all financial information regarding the Plan and participants accounts within the Plan. All Plan earnings, contributions and deductions are posted to the Plan’s records including participant records by the Recordkeeper.

Information regarding a participant’s account is furnished to the participant quarterly in printed form but also is available at any time via internet or telephone. The Recordkeeper posts participant and Company contributions to a participant’s account based on information received from the Company. The allocation of the contributions to the appropriate investment options or transfers of investment amounts is participant directed and can be initiated directly via web access or telephone.

Plan withdrawals are initiated through the Recordkeeper. Benefit payments are made to the participants directly by the Trustee. The Plan Administrator also notifies the Recordkeeper of deaths, disabilities, retirements, or terminations of participants.

Note 4. Information Prepared and Certified by the Plan’s Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 4,650,194	\$ 3,833,314

Note 5. Fair Value Measurements

ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Investments in pooled separate accounts are valued on a net asset value per unit basis which approximates their fair value. The pooled separate accounts are credited with earnings on the underlying investments and charged for Plan benefits paid and deductions for investment expenses, risk, profit, and annual management fees. Redemptions may occur on a daily basis. The use of net asset value as fair value is deemed appropriate as the pooled separate accounts do not have a finite life, unfunded commitments relating to investments, or significant restrictions on redemptions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets at Fair Value as of December 31, 2023

Investment Category	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts ¹	\$ 4,650,194	\$ -	\$ -	\$ -
Total	\$ 4,650,194	\$ -	\$ -	\$ -

Note 5. Fair Value Measurements (continued)

Assets at Fair Value as of December 31, 2022

Investment Category	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts ¹	\$ 3,833,314	\$ -	\$ -	\$ -
Total	<u>\$ 3,833,314</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

¹ In accordance with ASC Topic 820, the investments in pooled separate accounts are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 6. Investment Contract with Insurance Company

The Plan offers an investment option in the MassMutual General Account. The investment holds a fully benefit-responsive group annuity contract with the MassMutual Life Insurance Company. MassMutual provides administrative and other services for the insurance policies for MassMutual Life Insurance Company and accepts and applies all deposits to the applicable investment options and pays all claims, including all withdrawals to plans and plan participants. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

MassMutual Life Insurance Company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. The crediting rate at December 31, 2023 was 1.35%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the contract will reflect the performance of the underlying portfolio.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MassMutual Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's (MassMutual Life Insurance Company) ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Wellman Plastics Recycling, LLC 401(k) Plan
Notes to Financial Statements

Note 6. Investment Contract with Insurance Company (continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (4) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 7. Plan Termination

In the event of partial or complete termination of the Plan, the rights of each affected participant to the entire amount credited to his/her account on the date of termination shall be nonforfeitable and fully vested. Unless directed otherwise by the Board or committee, the Trustee shall continue to administer the fund and shall make distributions only in the event of death, disability, retirement, or termination of employment as provided under the Plan. Currently, there are no intentions to terminate the Plan. However, the Company reserves the right to terminate, suspend, withdraw, or amend the Plan at any time.

Note 8. Party-In-Interest Transactions

Certain Plan investments are managed by the Trustee therefore qualifying these transactions as party-in-interest transactions. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

Fees paid directly by the Plan for administration, trustee, and investment management services amount to \$37,477 for the year ended December 31, 2023.

Note 9. Tax Status

As of December 31, 2023, the Plan's determination letter was dated in June 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Note 11. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 12. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions and totaled \$9,575 and \$6,216 for the years ended December 31, 2023 and 2022, respectively.

Note 13. Subsequent Events

The Company has evaluated events and transactions occurring subsequent to the balance sheet date of December 31, 2023, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through December 12, 2024, the date these financial statements were available to be issued, and there were no subsequent events that required disclosure in these financial statements.
