INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
ChesPenn Health Services, Inc. Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ChesPenn Health Services, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ChesPenn Health Services, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ChesPenn Health Services, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ChesPenn Health Services, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ChesPenn Health Services, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ChesPenn Health Services, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions as of June 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

General

The following description of the ChesPenn Health Services, Inc. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a 401(k) profit sharing plan, established by ChesPenn Health Services, Inc. (the “Company” or “Plan Sponsor”) on January 1, 1994 in accordance with the provisions of Internal Revenue Code (“IRC”) Section 401. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration of the Plan

The Company is the Plan administrator and is responsible for providing the participants and their beneficiaries with information about their rights and benefits under the Plan. Ascensus Trust Company (the “Trustee”) holds the Plan’s investments and executes investment transactions.

Eligibility

The Plan is offered to substantially all employees of the Company who are at least 21 years of age and have completed 3 months of service, excluding employees covered under a collective bargaining agreement, nonresident aliens and leased employees, as defined in the Plan Agreement. Eligible employees may enroll in the Plan on the first day of the month after eligibility requirements are met.

Contributions

Participants may contribute a portion of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the IRC, as defined in the Plan. The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. The Plan allows for catch-up contribution for employees over 50 years of age. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes safe harbor matching contributions in an amount equal to 100% of the first 3% of a participant’s eligible compensation. Employer safe harbor matching contributions are subject to certain limitations under the IRC. For the year ended June 30, 2023, the Company made a safe harbor matching contribution of \$181,630.

The Company may also elect to contribute a discretionary profit-sharing contribution, as defined by the Plan Agreement. Employees must have worked at least 1,000 hours during the Plan year and be employed by the Company on the last day of the Plan year to receive discretionary profit-sharing contributions. For the year ended June 30, 2023, the Company elected to fund a discretionary profit-sharing contribution of \$91,742.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, Company safe harbor matching contributions, Company discretionary profit-sharing contributions (as applicable), and Plan earnings (losses). Participant accounts are charged with participant distributions, if any, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

ChesPenn Health Services, Inc. Profit Sharing Plan
Notes to Financial Statements
June 30, 2023 and 2022

Vesting

Participants are immediately vested in their contributions, safe harbor matching contributions and rollover contributions, plus actual earnings thereon. The Company matching contributions and profit sharing contributions vest based on years of service which is determined under the following schedule below.

Matching Contributions		Profit Sharing Contributions	
Years of Service	Vested Percentage	Years of Service	Vested Percentage
0	0%	0	0%
1	10%	1	10%
2	20%	2	20%
3	40%	3	40%
4	60%	4	60%
5	80%	5	80%
6	100%	6	100%

Investment Options

Each participant directs participant and Company contributions to any of the investment options offered by the Plan. Participants may change their investment elections amongst these options at any time.

Payment of Benefits

In the event of retirement, disability or termination of employment, participants may elect a lump-sum or partial distribution equal to the value of the participant's vested balance, or to transfer their vested benefits to another qualified plan or to an individual retirement account. Participants may also request in-service distributions upon attaining age 59 ½. Vested balances under \$5,000 may be automatically distributed upon a participant's severance of employment.

Forfeitures

Per the Plan document, forfeitures can be used to reduce any Company contributions, or to pay Plan expenses. Unvested Company contributions shall be forfeited upon the distribution of the entire vested portion of a former participant's account. During the year ended June 30, 2023, \$30,959 of forfeitures were used to reduce employer contributions, of which \$19,558 related to the reduction of the June 30, 2022 profit sharing contribution funded to the Plan for the year ended June 30, 2023, and \$12,548 of forfeitures were used to reduce Plan expenses. The balance in the forfeiture account on June 30, 2023 **and 2022** was \$1,737 and \$22,803, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan should terminate, each participant shall become fully vested in all Company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in compliance with the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

ChesPenn Health Services, Inc. Profit Sharing Plan
Notes to Financial Statements
June 30, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments are held by the Trustee, in various registered investment companies and a common collective trust. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to withdrawal processing fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments and are not readily determinable.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Trustee of the Plan has certified the completeness and accuracy of all investments and related investment activity, in the accompanying statements of net assets available for benefits as of June 30, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended June 30, 2023, and the accompanying supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023. The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used on June 30, 2023. The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Valued at the NAV as determined by the trust. The NAV, as provided by the directed trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. The Plan has no unfunded commitments related to these common trust funds and the funds are redeemable daily without restriction. There is no redemption notice period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ChesPenn Health Services, Inc. Profit Sharing Plan
Notes to Financial Statements
June 30, 2023 and 2022

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of:

June 30, 2023				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 3,926,962	\$ -	\$ -	\$ 3,926,962
Investment measured at NAV*				
Collective investment trusts				119,682
Total investments at fair value				\$ 4,046,644

June 30, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 3,376,923	\$ -	\$ -	\$ 3,376,923
Investment measured at NAV*				
Collective investment trusts				110,837
Total investments at fair value				\$ 3,487,760

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalents) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor's ("DOL") Rules and Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Plan Sponsor. Some Plan investments are shares of mutual funds managed or issued by the Trustee or its affiliates. These transactions qualify as party-in-interest transactions. Administrative expenses paid for the Plan year ended June 30, 2023 were \$28,801.

6. TAX STATUS

The Plan adopted a prototype profit sharing 401(k) plan document which obtained its latest opinion letter on January 1, 2018 in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable sections of the IRC. Although the Plan has been amended since the IRS opinion letter was received, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ChesPenn Health Services, Inc. Profit Sharing Plan
Notes to Financial Statements
June 30, 2023 and 2022

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. DELINQUENT PARTICIPANT CONTRIBUTIONS

DOL regulations require that salary deferrals to a 401(k) plan that are withheld from employees' paychecks must be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month following the month in which the participant contributions are withheld.

During the year ended June 30, 2023, the Plan had a delayed remittance of participant deferrals in the amount of \$9,765. The principal amount of the deposit was related to the June 15, 2023 payroll and was not remitted to the Plan until July 6, 2023. The Plan has fully corrected the delayed deposit by funding the related lost earnings on July 18, 2023.

8. SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events occurring after June 30, 2023 through January 29, 2025, the date the financial statements were available to be issued. Based upon that evaluation, the Plan has determined that no subsequent events have occurred that require adjustment or disclosure to these financial statements.
