INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Challenge Enterprises of North Florida, Inc. Employee Health Care Plan
Green Cove Springs, Florida

Opinion

We have audited the financial statements of Challenge Enterprises of North Florida, Inc. Employee Health Care Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of September 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Challenge Enterprises of North Florida, Inc. Employee Health Care Plan as of September 30, 2024 and 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Challenge Enterprises of North Florida, Inc. Employee Health Care Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Challenge Enterprises of North Florida, Inc. Employee Health Care Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements:

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Challenge Enterprises of North Florida, Inc. Employee Health Care Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Challenge Enterprises of North Florida, Inc. Employee Health Care Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SEPTEMBER 30, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Challenge Enterprise of North Florida, Inc. Employee Health Care Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan was established to provide Preventive and Wellness Care Benefits to eligible participants. The Plan covers Full-time and Part-time employees working 30 hours per week and 1 hour per week, respectively, in accordance with criteria chosen by the Plan Sponsor for determining Full Time Employee status under regulations promulgated under ACA and completes the waiting period.

Benefits

The plan provides Preventive and Wellness Care Benefits. Charges for Preventive Care Services provided by a Network Provider are paid at 100% of the Negotiated Rate, without a copay or deductible to the Plan Participant. The Plan does not pay for Preventive Care Services provided Out of Network. Preventive Services includes services performed on a eligible person who:

- (a) Has not had the preventive screening done before and does not have symptoms or other abnormal studies suggesting abnormalities; or
- (b) Has had screening done within the recommended interval with the findings considered normal; or
- (c) Has had diagnostic services results that were normal after which the physician recommendation would be for future preventive screening studies using the preventive services intervals.
- (d) Has a preventive service done that results in a therapeutic service done at the same encounter and as an integral part of the preventive service.

Eligibility

The Plan provides coverage for employees and their dependents in accordance with the eligibility, effective date and termination provisions as stated in the Plan Document.

An employee will be considered eligible for coverage on the first day of the month concurrent with or following the date that the employee:

- (a) Is classified as a Full Time Employee and Part Time Employee working 30 or more hours per week and one hour or more per week, respectively, in accordance with criteria chosen by the Plan Sponsor for determining Full Time Employee status under regulations promulgated under ACA, and.
- (b) Completes a Waiting Period (the period of time that must pass before coverage can become effective for an otherwise Eligible Employee or Dependent)
- (c) Is an owner of the Company.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Contributions

The Plan is funded primarily by contributions from the Plan Sponsor. Benefit or insurance premium payments are made from these contributions. Contributions are allocated to Plan benefits and expenses in accordance with an administrative services agreement between the Plan Sponsor and the third-party administrator. The Plan Sponsor is ultimately responsible for the allocation and administration of funds. However, the third-party administrator pays insurance premiums to various insurance companies.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared using the modified cash basis of accounting, which differs from generally accepted accounting principles. Under the basis, certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all financial instruments purchased with an original maturity of three months or less to be cash equivalents.

Payment of Benefits

Premiums paid are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Amounts due to claim processors that have yet to be reimbursed by the Plan (if any) are recorded as payable to claims administrator in the accompanying statements of net assets available for benefits.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan maintains funds in the JP Morgan Chase Bank, N.A, which seeks preservation of capital and liquidity. This fund invests primarily in short-term, high-credit-quality money market instruments. These instruments are US-dollar- denominated obligations and primarily include commercial paper, certificates of deposits, master and promissory notes, municipal securities, and repurchase agreements. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the accrual basis.

Subsequent Events

Management has reviewed subsequent events through April 22, 2025, the date the financial statements were available to be issued.

NOTE 3. BENEFIT OBLIGATIONS

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 as described as follows:

Level 1 *Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.*

Level 2 *Inputs to the valuation methodology include*

- *quoted prices for similar assets or liabilities in active markets;*
- *quoted prices for similar assets or liabilities in inactive markets;*
- *inputs other than quoted prices that are observable for the asset or liability;*
- *inputs that are derived principally from or corroborated by observable market data by correlation or other means.*

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 *Inputs to the valuation methodology are unobservable and significant to the fair value measurement.*

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in methodologies used for September 30, 2024 and 2023.

Money Market Fund: Valued at the net asset value of shares held by the Plan at year end. Because the fair value of the fund is based on quoted prices in an active market, as defined by FASB ASC 820, Fair Value Measurement and Disclosures, it is considered a level 1 measurement. There were no money market fund at year end.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of September 30, 2024 and 2023:

	<u>Asset at Fair Value as of September 30, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market	\$ -	\$ -	\$ -	\$ -

	<u>Asset at Fair Value as of September 30, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market	\$ -	\$ -	\$ -	\$ -
Total asset at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5. TRUST FEES/ADMINISTRATIVE FEES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and trustees. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

NOTE 6. TAX STATUS

Plan management believes that the Plan qualifies for exemption from income tax under the Internal Revenue Code, and therefore, no provision for income taxes is reflected in the accompanying financial statements.

Accounting Principles generally accepted in the United States of America require plan management to evaluate the tax position taken by the Plan and record a tax liability (or asset) if it has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any tax periods in progress.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the company has the right under the plan to modify the benefit provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

CHALLENGE ENTERPRISES OF NORTH FLORIDA, INC.

STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS
SEPTEMBER 30, 2024 AND 2023

NOTE 8. RELATED PARTY TRANSACTIONS

As described in Note 1 and Note 5, the Plan has several arrangements with service providers. These transactions are party in interest transactions under ERISA.

NOTE 9. RISK AND UNCERTAINTIES

The Plan may invest in various securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

Benefit obligations include those claims for which services have been performed but which have not been paid as of September 30, 2024. Based on the inherent uncertainties involved, it is reasonably possible that the estimate will change in the near term.
