Plan Management
David Lawrence Mental Health Center, Inc. 401(k) Plan
Naples, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of David Lawrence Mental Health Center, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of David Lawrence Mental Health Center, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (Fidelity Management Trust Company).

Management has obtained a certification from Fidelity Management Trust Company as of December 31, 2023 and for the year then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of David Lawrence Mental Health Center, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about David Lawrence Mental Health Center, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of David Lawrence Mental Health Center, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about David Lawrence Mental Health Center, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 for the year then ended, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed the audit of the year ended December 31, 2022 financial statements of David Lawrence Mental Health Center, Inc. 401(k) Plan. In accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, their audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. In their report dated October 2, 2023, they indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

David Lawrence Mental Health Center, Inc. 401(k) Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note A - Description of Plan

The following description of David Lawrence Mental Health Center, Inc. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined-contribution plan and is intended to provide participants with future retirement benefits for those who may qualify for participation therein. The Plan covers all eligible employees of David Lawrence Mental Health Center, Inc. (the "Organization"). Employees become eligible to participate in the Plan after attaining the age of 21, and completing sixty days of service, as defined in the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

The management and administration of the Plan is the responsibility of David Lawrence Mental Health Center, Inc. as Plan Sponsor. The Organization utilizes Fidelity Management Trust Company as the trustee and record keeper of all the Plan's assets including substantially all the responsibility for investment, reinvestment, control and disbursement of the funds of the Plan.

Contributions

Each year, participants may contribute up to the maximum percentage of allowable compensation, as defined in the Plan Document. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions.

The Organization may make a matching contribution for participating employees based on a percentage of the employee contributions. The Organization matches employee contributions, based on a percentage ranging from 5% to 7% of qualified employee compensation and years of service. A participant is not eligible to receive matching contributions until one year from the date of hire or 1,000 hours. The Plan also allows for a discretionary profit-sharing contribution if authorized by the Organization's board of directors. In order for a participant to share in any discretionary profit-sharing contributions, they must be employed on the last day of the Plan year, have worked 1,000 hours unless termination is due to death, disability, or retirement. There were no discretionary profit sharing contributions for the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Plan's earnings, and Organization contributions, and charged with benefit payments and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The portion of the participant's account attributable to employer matching and discretionary contributions vests 20% after one year credited service, increasing 20% each of the following year, until 100% vested after five years of service. Participant accounts become fully vested upon retirement, death, or disability regardless of years of service.

Investment Options

Upon enrolling in the Plan, a participant may select investments in various mutual funds and an insurance company fixed interest account. Participants may make changes in their investment elections at any time.

David Lawrence Mental Health Center, Inc. 401(k) Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note A - Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. Principal and interest is paid ratably through payroll deductions. Note terms for notes under \$2,000 are three years and up to five years for all others. An exception can be made for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years but not more than fifteen years. Note transactions are treated as a transfer to (from) the investment fund from (to) the participant note fund. The notes are secured by the balance in the participant's account and bear interest at Prime plus 1%.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vest interest in his or her account in either a lump-sum amount or various installment and annuity options as provided by the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service withdrawals may occur upon demonstration of financial hardship, or after the participants reach age of 59.5 years. If a participant terminates employment and has a vested account balance less than \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent.

Forfeited Accounts

Forfeitures are used to pay certain administrative expenses or to reduce the employer contribution requirements. There were \$36,101 and \$19,432 used to reduce employer contributions for the years ended December 31, 2023 and 2022, respectively. Forfeited non-vested accounts as of December 31, 2023 and 2022 totaled \$5,673 and \$0, respectively.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Recently Adopted Accounting Standards

Allowance for Credit Losses

During the year ended December 31, 2023, the Plan adopted the provision of the Accounting Standards Codification (ASC) 326 Financial Instruments - Credit Losses. This replaced the incurred loss methodology with an expected loss methodology that is referred as the current expected loss (CECL) methodology. This methodology requires the immediate recognition of the estimated expected credit losses over the life of a financial instrument, including the participant and employer contributions. The estimate of expected credit losses considers not only historical information, but also current and future economic conditions and events. The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in additional disclosures.

David Lawrence Mental Health Center, Inc. 401(k) Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note B - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's assets are primarily invested in mutual funds managed by Fidelity Management Trust Company. Investments are reported at fair value. Fair value of a financial instrument is the price that would be received when selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Changes in fair value, along with realized gain and losses, are reflected as net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expense of maintaining the Plan is paid by the Plan or the Organization as provided by the Plan document, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expense is included in net appreciation of fair value of investments. Certain administrative functions are performed by employees of the Organization. No such employee receives compensation from the Plan.

Note C - Investments

Unaudited Information Certified by the Plan Custodian

The December 31, 2023 and 2022 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The Plan's investments were held in custodial accounts maintained by Fidelity Management Trust Company for the years ended December 31, 2023 and 2022. The Plan administrator obtained a certification from the custodian as of December 31, 2023 and 2022 years ended from Fidelity Management Trust Company. The information certified includes total investments of \$12,030,821 and \$9,882,779 as of December 31, 2023 and 2022, respectively, and related total net investment income of \$1,647,791 for year ended December 31, 2023.

Note D - Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are delivered principally from or corroborated by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Registered Investment Companies held by the Plan are open-ended funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded and are reported as level 1.

David Lawrence Mental Health Center, Inc. 401(k) Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note D - Fair Value Measurements (continued)

Below are the Plan's financial instruments as of December 31, 2023 and 2022, carried at fair value on a recurring basis by the fair value hierarchy levels described above:

Fair Value Measurements as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 11,327,130	\$ -	\$ -	\$ 11,327,130

Fair Value Measurements as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 9,384,343	\$ -	\$ -	\$ 9,384,343

Note E - Investment at Contract Value

The Plan holds investments in benefit-responsive investment contracts with Fidelity Management Trust Company. Fidelity Management Trust Company maintains the contributions in a general account. The account is credited with earnings at a guaranteed rate of interest and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value, which approximates fair value, as reported to the Plan by Fidelity Management Trust Company at December 31, 2023 and 2022. Contract value represents contributions made, plus earnings, less participant withdrawals and administrative expenses. Fidelity Management Trust Company is contractually obligated to repay the principal and a minimum specified interest rate that is guaranteed to the Plan. The average credited rate yields based on actual earnings for the contract for the year ended December 31, 2023 was 3.00%. The contract may be terminated at any time for the full sum of the Participant Annuity Accounts, subject to a 12-month deferred payment term. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity was provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

Note F - Plan Termination

Although it has not expressed any intent to do so, the Employer reserves the right at any time to amend, modify, or terminate the Plan without the consent of any participant or beneficiary, subject to the provisions of ERISA. In the event of such termination, the Plan document provides that the participants will become 100% vested in their account balances.

David Lawrence Mental Health Center, Inc. 401(k) Plan

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note G - Income Tax Status

The Plan adopted a prototype submitter profit sharing plan sponsored by FMR, LLC doing business as Fidelity Investments which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the prototype submitter profit sharing plan is designed in accordance with applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the opinion letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan and related trust continue to be tax-exempt. Required nondiscrimination testing, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

Note H - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note I - Related Party and Party-In Interest Transactions

Certain Plan investments and the related transactions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, were in investments managed by the Custodian; therefore, these investments and transactions qualify as party-in-interest transactions. Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. Notes receivable from participants also qualify as party-in-interest transactions.

Note J - Plan Amendments

The Plan was amended for the following provision:

- Effective January 1, 2023, an Automatic Contribution Arrangement was added to the Plan which will automatically contribute 2% of an employee's eligible compensation to his or her pre-tax elective deferral contribution account for Participants who have not affirmatively elected a salary deferral as of the effective date of the amendment.

Note K - Subsequent Events

Subsequent events have been evaluated through April 08, 2025, the date the financial statements are available to be issued.
