Independent Auditor's Report

To the Officers of the S & B Metal Products, Inc. Compensation Deferral Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the S & B Metal Products, Inc. Compensation Deferral Thrift Plan, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the S & B Metal Products, Inc. Compensation Deferral Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 1899, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the S & B Metal Products, Inc. Compensation Deferral Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets Held at Year-End and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes To Financial Statements

NOTE 1. PLAN DESCRIPTION

The following description of the S & B Metal Products, Inc. Compensation Deferral Thrift Plan. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), was restated effective July 1, 2015, and is a defined contribution benefit plan covering the employees of the following affiliates of S & B Metal Products, Inc. (Company):

Affiliate	Original Effective Date
S & B Metal Products, Inc.	October 1, 1982
S & B Metal Products of South Florida, Inc.	October 1, 1991
S & B Metal Products of East Florida, Inc.	May 13, 2012
Group One, LLC	January 25, 2007
S & B Metal Products of Central Florida, Inc.	March 1, 2019

Eligibility

Eligibility is earned by employees who have one year of service, are age eighteen or older, and have worked 1,000 or more hours during their initial plan year.

Contributions

- Elective Deferrals – Participants may contribute pretax compensation or make Roth contributions to their account each payday, subject to the annual limitations imposed by the Internal Revenue Code.
- Employer Matching Contribution – During 2023 and 2022, the Company contributed 25% of the first 5% of the compensation that a participant contributes to the Plan.
- Nonelective Contribution – The Plan permits for a discretionary contribution to be made to all eligible employees which is allocated as a uniform percentage of participant compensation. In 2023 and 2022, a nonelective contribution was not made.
- Rollover Contributions – Participants may contribute amounts that represent distributions from other qualified plans.

Funding Policy

The Plan's funding policy is that elective deferrals are posted to participant accounts as soon as reasonably segregated from Company assets. The employer matching contribution is made simultaneously.

Participant Investment Account Options

Participants may invest their deferrals and matching contributions into any combination of mutual funds and a common collective fund and may change their allocation daily. If a participant does not direct their investment allocation, their account is automatically invested in a Target fund based on their birth year.

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's elective deferral contribution, the Company's matching contribution and Plan earnings. The Plan earnings, which are allocated, are reduced by certain investment, trustee, and recordkeeping fees, and are based on the number of shares held in each investment option.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, including both elective deferrals and matching contributions.

At the time of termination not due to death, disability, or retirement, a participant may elect to have their entire vested balance distributed to them regardless of the account balance except for employer monies if those monies exceed \$5,000.

In the event that the vested employer balance (disregarding rollover contribution) exceeds \$5,000, the participant may not withdraw any part of the balance resulting from employer matching or nonelective contributions. Effective August 1, 2023, this provision was eliminated from the Plan.

Vesting

Participants are immediately vested in their contributions together with the actual earnings thereon. Vesting in the employer matching contribution is based on years of continuous service. A participant is vested 20% after 2 years, 40% after 3 years, 60% after 4 years, 80% after 5 years, and 100% after 6 years.

Forfeitures

Amounts forfeited are returned to a forfeiture account that is available for withdrawal by the Company to use against other plan expenses. The forfeiture account may also be credited with excess earnings accumulated as a result of excess revenue-sharing fees.

- Amounts forfeited in 2023 and 2022 were \$7,891 and \$686, respectively.
- The balance in the forfeiture account at December 31, 2023 and 2022 was \$21,610 and \$14,301, respectively.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. All loans are covered by demand notes and are payable through payroll withholdings. The loans bear interest at the rate of prime plus 1% at the time the loan is issued. Participant loans are charged an \$85 fee upon origination, and a \$50 annual maintenance fee.

Administrative Expenses

Some administrative expenses, such as audit and consulting costs, may be paid by the Company. If not paid by the Company, these expenses become liabilities of the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are 100% participant-directed and are carried on the books at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants (Note 4). Purchases and sales of shares are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through April 23, 2025 which is the date the financial statements were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Capital Bank & Trust Company, the custodian of the Plan, except for comparing such amounts to information included in the Plan's financial statements and supplemental schedules.

The Plan Administrator has obtained certifications from the custodian that the following information is complete and accurate:

	2023	2022
Statements of net assets available for benefits:		
Investments at fair value	\$ 7,005,737	\$ 6,521,834
Investments at net asset value	868,504	266,757
Notes receivable from participants	251,486	124,972
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	\$ 983,797	
Dividends and interest	196,496	
Interest income on notes receivable from participants	13,153	

Supplemental schedule: All investment balances and information in the supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held at Year-End).

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are actively traded.

Common collective fund: Valued daily at the net asset value (NAV) as reported by the Fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2023 and 2022:

2023					
	Investments Measured at Fair Value			Investments Measured at	Total
	Level 1	Level 2	Level 3	Net Asset Value	
Mutual funds	\$ 7,005,737	\$ -	\$ -	\$ -	\$ 7,005,737
Common collective trust	-	-	-	868,504	868,504
Total investments at fair value	<u>\$ 7,005,737</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 868,504</u>	<u>\$ 7,874,241</u>

Total investments at fair value	<u>\$ 6,521,834</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 266,757</u>	<u>\$ 6,788,591</u>

The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of December 31, 2023 and 2022.

	December 31, 2023 Fair Value	December 31, 2022 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Federated Hermes Capital Preservation Fund	<u>\$ 868,504</u>	<u>\$ 266,757</u>	None	Daily; if bona fide benefit payments to plan participants	None; if bona fide benefit payments to plan participants

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, a money market fund, and a guaranteed interest account managed by Capital Group. Capital Group is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in administrative expenses and net appreciation in fair value of investments. The Organization pays directly any other fees related to the Plan's operations.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31 2023 and 2022 to Form 5500:

	2023	2022
Net assets available per the financial statements	\$ 8,131,738	\$ 6,913,563
Contribution receivables, employee and employer	(6,011)	-
Participant loans	(1,056)	-
Other	(1)	-
Net assets available per Form 5500	<u>\$ 8,124,670</u>	<u>\$ 6,913,563</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements during the year ended December 31, 2023 to Form 5500:

Net increase per the financial statements	\$ 1,218,175
Change in contribution receivables	(6,011)
Deemed distributions	(1,056)
Miscellaneous	<u>(1)</u>
Net increase in plan benefits per the Form 5500	<u>\$ 1,211,107</u>

NOTE 8. TAX STATUS

The Plan operates under a non-standardized adoption agreement in connection with a prototype 401(a) defined contribution plan sponsored by American Fund Distributors, Inc. The Plan has not applied to the Internal Revenue Service (IRS) for an individual determination letter as the non-standardized prototype document has received a favorable opinion letter from the IRS dated March 31, 2014. The Plan adopted an amended and restated Plan document effective July 1, 2015. The IRS has changed its determination process to only issue determination letters for new or terminated plans. Therefore, the Plan will not apply for a determination letter with the new basic plan document. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan Administrator believes that the Plan and related trust are qualified and tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
