Independent Auditor's Report

To the Administrative Committee of the
Senior Living Communities 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Senior Living Communities 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (the Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Senior Living Communities 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical

requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Senior Living Communities 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Senior Living Communities 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Senior Living Communities 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent contributions and assets (held at end of year) as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

SENIOR LIVING COMMUNITIES 401(k) PLAN
Notes to Financial Statements
December 31, 2023 and 2022

NOTE A - PLAN DESCRIPTION

The following description of the Senior Living Communities 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan covering all non-“PRN” employees who are at least 21 years of age of BrightWater Retirement, LLC; Cascades Retirement, LLC; Cascades Nursing, LLC; Charlotte Assisted Living, LLC; Evergreen Woods Retirement, LLC; Homestead Hill Retirement, L.P.; Litchfield Retirement, LLC; Live Long Well Care, LLC; Marsh’s Edge, LLC; Maxwell Group, Inc.; Osprey Village at Amelia Island, Ltd.; Ridgecrest Retirement, LLC; Stratford Retirement, LLC; Summit Hills, LLC; Wellmore of Daniel Island, LLC; Wellmore of Lexington, LLC; Wellmore of Tega Cay, LLC and Wildewood Retirement, LLC.

Coronavirus Aid, Relief and Economic Security Act - On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES” Act) was signed into law. The CARES Act provided relief provisions for retirement plan sponsors and their participants. As permitted by the CARES Act, the Plan implemented the following provisions in 2020:

- Coronavirus-related distributions: Qualified individuals were permitted to take penalty-free distributions in amounts up to \$100,000, which may be repaid within three years.
- Participant loans: The Plan permitted loans to qualified participants in the amount of the lesser of \$100,000 or 100% of the participant’s vested account balance from March 27, 2020, through September 22, 2020. The CARES Act also allowed for the suspension of loan payments due from March 27, 2020, through December 31, 2020.
- Required minimum distributions: Required minimum distributions were temporarily suspended in 2020.

Written amendments to the Plan to reflect these operational changes were adopted effective July 31, 2022.

Contributions - The Plan allows participants to contribute between 1% and 90% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Roth elective deferrals are permitted under the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trust funds and a self-directed brokerage account as investment options for participants. After 60 days of service, each eligible participant is automatically enrolled in the Plan as a participant with a pre-tax elective deferral into a target date retirement fund based on the participant’s age, unless the employee chooses to “opt out” or makes alternate contribution elections. Automatically enrolled participants initial deferral rate is set at 5% of eligible compensation with an automatic annual increase of 1% until the contribution rate equals 8%.

The employer’s contribution to the Plan equals 20% of up to 5% of a participant’s eligible compensation for the Plan years ended December 31, 2023, and 2022.

Participant Accounts - Each participant’s account is credited with the participant’s contributions and employer matching contributions, and the earnings on their investments, and is charged with an allocation of administration expenses that are paid by the Plan. Allocations are based on participant compensation, account balances, or specific participant transactions as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SENIOR LIVING COMMUNITIES 401(k) PLAN
Notes to Financial Statements (Continued)
December 31, 2023 and 2022

NOTE A - PLAN DESCRIPTION (continued)

Investment Options - Upon enrollment in the Plan, participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a money market fund and self-directed brokerage accounts. If a participant does not make an investment election, the participant's contributions will be invested in the Target Retirement Date Fund that corresponds with the participant's birth date and assumes a retirement date an account distribution at age 65. Each participant has the option to direct their contributions into any of the separate investment options and may change the allocation daily.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 and up to a maximum equal to the lesser of \$100,000 or 50% of their vested account balance. Loan transactions are treated as transfers between the investment fund and the Participant Loan Fund and are considered participant directed investments. Loans are secured by the balance in the participant's account. Loans issued bear interest based on rates available for similar loans from commercial lending institutions. The loan administrator periodically examines the rates such lenders are using. Principal and interest is paid ratably through payroll deduction.

Outstanding notes receivable from participants at December 31, 2023 and 2022 were \$734,779 and \$527,207, respectively.

Vesting - Participants are immediately vested in their voluntary contributions and earnings thereon. A participant becomes 100% vested in the employer's matching and profit-sharing contributions plus actual earnings thereon after completing one year of service.

Payment of Benefits - Upon retirement, disability or death, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in annual installments. Upon termination, other than by retirement, disability or death, a participant becomes eligible to receive the current value of the participant's vested account in accordance with the Plan document. A participant may also receive a distribution in the event of financial hardship as defined by the Plan.

Forfeited Accounts - Forfeitures consist of employer contributions that are forfeited by withdrawing participants who are not fully vested. As provided by the Plan agreement, forfeitures are accumulated and used to reduce employer matching contributions or non-elective contributions or to pay Plan expenses. During 2023, employer contributions were reduced by \$48,041, and the Plan used \$0 to pay administrative fees. During 2022, employer contributions were reduced by \$43,736, and the Plan used \$0 to pay administrative fees. Forfeited non-vested accounts totaled \$512 and \$372 at December 31, 2023 and 2022, respectively.

Accounting Records - The accounting records for the Plan with respect to investment transactions are maintained by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Plan's trustee and third-party administrator, which also holds the Plan's assets.

Basis of Accounting - The accompanying financial statements of the Plan are maintained on the accrual basis in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to plan participants are recorded on the cash basis.

Use of Estimates - The preparation of financial statements requires the Plan to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

SENIOR LIVING COMMUNITIES 401(k) PLAN
Notes to Financial Statements (Continued)
December 31, 2023 and 2022

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Valuation of Investments and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's trustee. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Mutual company management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, these fees and operating expenses are reflected as a reduction of net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to participant contributions. For 2023, the Plan distributed \$57,605 after March 15, 2024. For 2022, the Plan distributed \$77,611 to the applicable participants prior to March 13, 2023.

Contributions - Contributions from employees are recorded as they are withheld from the participant's wages. Contributions from the employer are recorded in the period in which the related participant contributions are due.

Payment of Benefits - Benefits are recorded when paid. There are no benefits payable to persons who have terminated service due to death, disability, retirement, or other reasons, since all continue to participate in the earnings of the Plan until such time as a distribution is made. At December 31, 2023 and 2022 there were no benefits processed and approved for payment but not paid.

Administrative Expenses - Administrative expenses of the Plan are paid by the Plan or by the Plan sponsor, as provided in the Plan document. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

NOTE C - PLAN AMENDMENTS

Effective July 31, 2022, the Plan was amended to comply with the requirements of certain provisions of the Bipartisan Budget Act of 2018 and final regulations that amend the rules relating to hardship distributions. The definitions of Qualified Matching Contributions and Qualified Nonelective Contributions were modified to remove the distribution restriction applicable to hardships. Also effective July 31, 2022, the Plan sponsor adopted the non-standardized pre-approved profit-sharing plan with CODA provided by Principal Life Insurance Company, which the IRS has informed Principal Life Insurance Company by a letter dated June 30, 2020, is designed to be in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since Principal Life Insurance Company received the determination letter, the Plan believes that it is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE D - INVESTMENTS (UNAUDITED)

Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the current trustee of the Plan's assets, administers the Plan's investments. All investment information disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Wells Fargo Bank, N.A.

	<u>2023</u>	<u>2022</u>
Investments	<u>\$ 26,731,175</u>	<u>\$ 21,192,429</u>
Net appreciation (depreciation) in fair value of investments	<u>\$ 3,198,420</u>	<u>(\$ 4,331,768)</u>
Dividends and interest	<u>\$ 615,234</u>	<u>\$ 422,905</u>

NOTE E - FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurement*, defines fair value and establishes a three-level valuation framework and hierarchy for disclosure of fair value measurements. That framework prioritizes the inputs to valuation used to measure fair value of an asset or liability as of the measurement date. The hierarchy gives the highest priority to the lowest level of input that is significant to the fair value measurement. The three levels are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted market prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SENIOR LIVING COMMUNITIES 401(k) PLAN
Notes to Financial Statements (Continued)
December 31, 2023 and 2022

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: Valued at the closing prices reported on the active market in which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies:				
Mutual Funds	\$ 25,249,531	\$ -	\$ -	\$ 25,249,531

SENIOR LIVING COMMUNITIES 401(k) PLAN
Notes to Financial Statements (Continued)
December 31, 2023 and 2022

NOTE F - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Galliard Stable Return Fund holdings include guaranteed investment contracts comprised of investments in fixed income portfolios that are wrapped by stable value contracts. The wrapper agreements are issued by financial institutions, and the contracts guarantee to provide a specific interest rate to be credited to the contract plus provide for participant liquidity at contract value in certain situations.

The Stable Return Fund's wrapper contracts are benefit-responsive in that they provide that participants may execute transactions from the Stable Return Fund according to Plan provisions at contract value. Contract value represents contributions made to the Stable Return Fund, plus earnings, less participant withdrawals. The interest rates in the wrapper contracts are reset periodically, based on market rates of similar investments, the current yield of the underlying investments, the spread between the market value and contract value of the investments held by the contract, and the financial duration of the contract investments.

SEI Trust Company, the manager of the fund, determines the purchase price and redemption price of the units, which is generally equal to the total value of each asset held by the fund, less any liabilities, divided by the total number of units outstanding at the valuation date. Redemptions of units are redeemed at the Unit Value at contract value. As a benefit-responsive fund, this fund generally permits plan participant redemptions daily.

NOTE G - TRANSACTIONS WITH RELATED PARTIES AND PARTIES-IN-INTEREST

Certain Plan investments are managed by the trustee as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. Fees related to the administration of the Plan by the record-keeper and the trustee are paid by the Plan and qualify as exempt party-in-interest transactions. Other administrative fees are paid by the Plan sponsor on behalf of the Plan.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE I - TAX STATUS

The Plan sponsor has adopted a non-standardized pre-approved profit sharing plan with CODA provided by Principal Life Insurance Company, which the IRS has informed Principal Life Insurance Company by a letter dated June 30, 2020, is designed to be in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements (Continued)

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE K - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:

NOTE L - DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS

There were participant contributions and loan repayments related to the plan year ending December 31, 2023 and 2022, that were identified as delinquent totaling \$97 and \$85, respectively. These amounts have been reported on the Supplemental Schedule of Delinquent Participant Contributions accordingly.

NOTE M - SUBSEQUENT EVENTS

Effective January 1, 2024, the Plan has been amended to change the automatic enrollment percentage from 5% to 6% and to allow “PRN” employees who otherwise meet the eligibility requirements of the Plan to participate in the Plan.

Plan management has evaluated transactions occurring after December 31, 2023, in accordance with ASC 855 - *Subsequent Events* through April 22, 2025, which is the date the financial statements were available for issuance.
