INDEPENDENT AUDITORS' REPORT

Benefits Committee
Blattner Holding Company Health Reimbursement Arrangement
Avon, Minnesota

We have audited the financial statements of Blattner Holding Company Health Reimbursement Arrangement (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 (in liquidation) and year ended December 31, 2023 (ongoing), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Blattner Holding Company Health Reimbursement Arrangement as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 (in liquidation) and year ended December 31, 2023 (ongoing), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Blattner Holding Company Health Reimbursement Arrangement and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination

As discussed in Notes 1, 2 and 5 to the financial statements, the Employer signed an amendment to terminate the Plan effective July 31, 2024, and management determined liquidation is imminent during the Plan year ended December 31, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Blattner Holding Company Health Reimbursement Arrangement's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 DESCRIPTION OF PLAN

The following description of Blattner Holding Company Health Reimbursement Arrangement (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on September 1, 2013. The Plan was amended and restated effective January 1, 2017, to no longer allow new participants into the Plan. The Plan was last amended effective July 31, 2024, to terminate the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is sponsored by Blattner Holding Company, and participating employers include Blattner Energy, Inc. and D.H. Blattner & Sons, Inc. (collectively the Employer). The Plan covers former employees of the Employer who have been separated from service for at least one year.

The Plan is a health reimbursement arrangement (HRA). The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses that are not covered by insurance or other group benefits. Amounts remaining at the end of the year are carried over to the next year. The Employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses. The custodian is Vermillion Bank and the trustee and recordkeeper are Formula Corporation and Formula Benefits, respectively.

Contributions

Contributions to the Plan were from premium rebates received from the former employees' previous health plan that were deposited into the Plan. Effective January 1, 2017, the Plan was amended to discontinue contributions to the Plan.

Benefits

To be eligible for the Plan, a participant must have been a past participant in the Blattner Health & Welfare Plan prior to January 1, 2017. Through 2016, a participant in the Blattner Health & Welfare Plan accumulated a balance of funds that could be used for qualified medical expenses. The funds remained in the Blattner Health & Welfare Plan bank account until the participant had been terminated from employment from the Employer for at least one year. At that time, funds were transferred to the HRA. Funds could also be transferred to the HRA if the individual could provide proof of other group coverage. Once the funds are in the HRA, they can be used for qualified medical expenses, as determined by the Plan document. Effective January 1, 2017, with the amendment to discontinue contributions to the Plan, no further transfers will be made. The Employer intends to maintain the Plan until all participant's HRA balances are paid out with qualifying medical claims and the monthly administrative fees.

The Employer has contracted with a third-party administrator to provide administrative claims payment services for qualified medical expenses for the years ended December 31, 2024 and 2023.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Funding Policy

Prior to 2016, the Plan was funded by transfers from former employees' previous health plan bank account, as well as health insurance premium rebates. Such contributions provide for the payment of claims and administrative costs. No further contributions will be made to the Plan. The Plan is fully funded to meet the benefit obligations.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note 1 and 5 to the financial statements, the Employer authorized the termination of the Plan effective July 31, 2024, and it was determined by management liquidation was imminent for the year ended December 31, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing accrual basis used in presenting the 2023 financial statements to liquidation basis used in presenting the 2024 financial statements.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting which would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan maintains its cash balances in high credit quality financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At certain times, the Plan's cash balances have been in excess of the insurance limit.

Administrative Expenses

The Plan pays administrative expenses that consist of fees relating to third-party claim administration of \$8 per participant per month. These expenses are charged to participant accounts and reported on the statements of changes in net assets available for benefits as Administrative Expense. All other administrative expenses, such as professional fees, are paid by the Employer on behalf of the Plan.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor.

**BLATTNER HOLDING COMPANY HEALTH REIMBURSEMENT ARRANGEMENT
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 (IN LIQUIDATION) AND DECEMBER 31, 2023 (ONGOING)**

NOTE 3 BENEFIT OBLIGATIONS

The Plan is a defined contribution health and welfare plan. As such, the benefits are limited to amounts accumulated in the participants' accounts. The Plan reimburses participants for qualified medical expenses. There were no claims incurred before the Plan year-end that were submitted after the Plan year-ends relating to 2024 and 2023.

NOTE 4 TAX STATUS

The trust is a taxable trust. As a result, the Plan is subject to income taxes. Although the trust is subject to income taxes, it had no taxable income for the years ended December 31, 2024 and 2023. In addition, the Plan and trust are required to operate in conformity with the Internal Revenue Code (IRC) to maintain the tax status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 PLAN TERMINATION

The Employer has the right under the Plan to modify the benefits provided, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. As of July 31, 2024, the plan was amended to terminate the Plan. Final disbursements were made from the Plan during December 2024.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

The custodian is Vermillion Bank, and the trustee and recordkeeper are Formula Corporation and Formula Benefits, respectively. Therefore, these transactions are party-in-interest transactions under ERISA.
