Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance
Employee Benefit Plan of The Arc of Palm Beach County, Inc.
Riviera Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Employee Benefit Plan of The Arc of Palm Beach County, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of September 30, 2024 and 2023, and for the year ended September 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4i – schedule of assets (held at end of year), as of September 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEE BENEFIT PLAN OF THE ARC OF PALM BEACH COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Employee Benefit Plan of The Arc of Palm Beach County, Inc. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on October 1, 2002, as a defined contribution plan, and was amended and restated through the years to comply with certain tax legislation. The Plan covers all full-time employees of The Arc of Palm Beach County, Inc. and Palm Beach Habilitation Center, Inc. (collectively, the Employers or Plan Sponsor). Eligible employees may enter the Plan monthly after completing three months of credited service and reaching the age of twenty-one (21), as defined in the Plan document. The Plan Sponsor is the Plan Administrator. The Plan's management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

ADP Retirement Services (ADP) provides recordkeeping and third party administrative services to the Plan. Reliance Trust Company (RTC or the Trustee) serves as the Trustee of the Plan, holds the Plan's investment assets, and executes investment transactions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 90% of their annual compensation, as defined, and within the limits prescribed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Roth 401(k) deferrals are allowed under the Plan's provisions.

The Plan includes an auto enrollment provision whereby all newly hired employees are automatically enrolled in the Plan after meeting the Plan's service requirement unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of their eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employers may make a discretionary matching and profit-sharing contributions. Participants must complete 1 year of credited service to be eligible for the Employers' discretionary matching contribution and profit-sharing contributions. Participants must be employed on the last day of the Plan year to receive the Employers' profit-sharing contributions. Employers profit-sharing contributions are allocated to all eligible employees based on eligible compensation, as defined. For the year ended September 30, 2024, the Employers did not make any discretionary matching or profit-sharing contributions. The Employers' contributions are invested in the Plan's investment options at the participant's direction and the Plan's provisions. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, and an allocation of (a) Employers' contributions, if any, and (b) Plan earnings or losses thereon. Participants are charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant contributions are participant-directed and may be invested in one fund or allocated among different funds. Participants may change the allocation of contributions among funds pursuant to Plan provisions.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Vesting

Participants are immediately vested in their individual voluntary contributions, plus actual earnings or losses thereon. Vesting in the Employers' contribution portion of their individual accounts, plus earnings or losses thereon, is based on years of credited service. A participant is 100% vested in their Employers' contributions after 6 years of credited service, based on a graded vesting schedule.

Participants become fully vested upon reaching normal retirement age (65), death, disability, or Plan termination. Participants who terminate for any other reason are entitled to the vested amount of their accounts.

Forfeitures

Forfeited nonvested accounts are used to reduce future Employers contributions or pay Plan administrative expenses. No forfeitures were utilized to reduce Employers contributions or pay Plan administrative expenses for the year ended September 30, 2024. As of September 30, 2024 and 2023, available forfeited nonvested balances amounted to \$8,290 and \$7,124, respectively.

Payment of benefits

On termination of service due to death, disability, or normal retirement age (65), a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in monthly installments or a rollover into another qualified plan. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$5,000 or elect a lump-sum distribution. Participants with vested amounts less than \$5,000 must elect a lump-sum distribution. Participants may elect to receive an in-service distribution of vested funds if they meet certain defined requirements, including becoming disabled, reaching age 59½ or for a qualifying financial hardship, as defined.

Notes receivable from participants

Plan participants may borrow from their account from \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan terms range from one to five years unless the loan is used to acquire the principal residence of the participant which must be repaid in a reasonable period of time, not to exceed thirty years. The loans are secured by the vested account balance in a participant's account, and bear interest at the prime rate plus 1%, determined as of the date of the loan request, as defined. A participant may only have one (1) loan outstanding at any time. Principal and interest are paid through regular payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

SECURE Act 2.0

In December 2022, the Securing a Strong Retirement Act (SECURE Act 2.0) was passed into law. The provisions of SECURE Act 2.0 continue the reforms that began with the 2019 SECURE Act. Most of the SECURE Act 2.0 provisions will become effective in 2024 and thereafter, therefore, there was no impact to the Plan during 2023. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional SECURE Act 2.0 provisions to elect.

Plan administration

The Employers are the Plan Administrator, and as such, controls and manages the operations of the Plan. Plan management has contracted with ADP to provide recordkeeping and third party administrative services to the Plan.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Plan administration, continued

RTC (the Trustee) maintains the records of the participants' data and invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants). Fees from covered service providers of the Plan are in compliance with the Department of Labor's (DOL) regulations regarding ERISA Section 408(b)(2).

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan investment assets. Certain administrative expenses are paid by the Plan Sponsor and are not reflected in these financial statements.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and the Plan's Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences could be material.

Contributions

Contributions from the Plan Sponsor and participants are accrued as they become obligations of the Plan Sponsor, in the period in which they are deducted, in accordance with salary and wage deferral agreements.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the high level of risk associated with certain investment securities, including the uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in such risks in the near-term would materially affect participant account balances and the amounts reported in the financial statements.

EMPLOYEE BENEFIT PLAN OF THE ARC OF PALM BEACH COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded as of September 30, 2024 and 2023. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits

The Plan records benefits when paid.

Uncertain tax positions

U.S. GAAP requires Plan management to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan has determined it does not have any positions at September 30, 2024 that it would be unable to substantiate.

Note 3 – Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of September 30, 2024 and 2023;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended September 30, 2024; and
- Investment information included in the Schedule H, line 4i – schedule of assets (held at end of year) as of September 30, 2024, as shown on the ERISA-required supplemental schedule.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, including the disclosures related to the investments, to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

EMPLOYEE BENEFIT PLAN OF THE ARC OF PALM BEACH COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The three levels of the fair value hierarchy are described as follows:

| | |
|---------|---|
| Level 1 | Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access. |
| Level 2 | Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities. |
| Level 3 | Significant unobservable inputs. |

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at September 30, 2024 and 2023. During the year ended September 30, 2024, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – measured at fair value based on quoted market prices in active markets and classified as Level 1. The mutual funds are required to publish their daily net asset value and to transact at that price.

Stable value account – The Invesco Stable Value is a separate account composed primarily of investment contracts. The Stable Value fund is valued daily at the net asset value (NAV). The NAV, with no advance notice, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell for an amount different from the reported NAV. There are no unfunded commitments related to these investments. Participant transactions (purchases and sales) may occur daily at NAV with no advance notice. If the Plan initiates a full redemption of the Stable Value Fund, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner. This is a direct filing entity.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2024 and 2023:

| | Fair Value Measurements as of September 30, 2024 | | | |
|----------------------------|--|-------------|-------------|---------------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | \$ 1,486,115 | \$ - | \$ - | \$ 1,486,115 |

| | Fair Value Measurements as of September 30, 2023 | | | |
|----------------------------|--|-------------|-------------|---------------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | \$ 1,224,387 | \$ - | \$ - | \$ 1,224,387 |

| Investments, at fair value | <u>\$ 1,224,387</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 1,402,900</u> |

*Certain investments that were measured at NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for benefits.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 6 – Tax Status

The prototype non-standardized profit-sharing plan with CODA that the Plan adopted received a favorable opinion letter from the IRS on October 6, 2020, stating that the form of the non-standardized pre-approved profit-sharing plan with CODA was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel, believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 7 – Party-In-Interest Transactions and Related Parties

Parties-in-interest are defined under the DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employers and certain others. The Plan's investments are maintained and managed by RTC which serves as the Plan's Trustee and, therefore, these transactions qualify as party-in-interest transactions. ADP is the Plan's recordkeeper. Fees charged by ADP for these services qualify as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules under ERISA.

Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee receives compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Note 8 – Subsequent Events

Effective January 1, 2025, the Plan was amended to change the Plan's Trustee from Reliance Trust Company to ADP Retirement Trust Services, LLC.

The Plan evaluated events occurring subsequent to September 30, 2024 through April 17, 2025, the date the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the notes thereto.
