Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **CBIZ CPAS P.C.**

(2) EIN: **43-1947695**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	423222

TERROS 401(k) PLAN

MEMORANDUM ON INTERNAL CONTROL

Year Ended December 31, 2023

To the Plan Administrator of

TERROS 401(k) PLAN

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the **TERROS 401(k) Plan** (the "Plan") for the year ended December 31, 2023 in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to conduct an ERISA Section 103(a)(3)(C) audit of the financial statements pursuant to 23 CFR 2520.103-108 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 5 to those financial statements.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and, therefore, material weaknesses may exist that were not identified.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal control to be a significant deficiency:

Timeliness of contributions

During our audit, we noted that sufficient controls are not in place to ensure participant contributions are remitted to the trust in a timely manner. Management identified three instances of late contributions during the year ended December 31, 2023 which were corrected by management in 2025 and eight instances of late contributions in 2022 and 2021 which were all corrected by management in 2023. Department of Labor (DOL) Regulation 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the company's general assets, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. Failure to remit participant contributions to the Plan in a timely manner results in prohibited transactions which must be separately reported to the DOL and may result in lost earnings for the Plan and penalties to the Plan Sponsor. The Plan has reported late remittances in three consecutive years suggesting that controls are not operating effectively. We recommend that the Plan Sponsor review the procedures involved in remittance of participant contributions to the Plan and institute the necessary controls to ensure participant contributions are remitted timely. A written remittance policy should be created and followed.

This information is intended solely for the use of the plan administrator and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of

Terros 401(k) Plan

Report on the Financial Statements

We have performed the audits of the financial statements of **TERROS 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and supplemental schedule of delinquent participant contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of Plan

The following brief description of the **TERROS 401(k) Plan** (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a defined contribution plan covering qualified employees of Terros, Inc. ("Company"). The Plan was established January 1, 1998 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Document was amended and restated effective January 1, 2022. The restatement was completed in conjunction with the Plan being fully integrated onto the Empower Retirement platform, with minor changes to certain Plan provisions. Effective with the restatement, Reliance Trust Company no longer provides direct trustee services and is replaced as Plan trustee by Empower Trust Company.
- B. **Eligibility** – Employees are eligible to participate in the Plan immediately upon their hire date, except for certain excluded employee groups according to the Plan Document. Employees may enter the Plan immediately, and after meeting the eligibility requirements will receive safe harbor matching contributions on the first day of the month coinciding with or following the date on which the employee meets the requirements. Employees become eligible for safe harbor matching contributions and non-elective contributions (profit sharing) after they have completed 6 months of service from their hire date.
- C. **Contributions** – The participant's contributions are made through a salary reduction under which the participant may defer a percentage of pretax annual compensation or after-tax annual compensation into a Roth 401(k), as defined in the Plan. The minimum deferral percentage is 1% of eligible compensation. Contributions are subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for safe harbor Company contributions of 100% of the first 3% of the participant's eligible compensation deferred into the Plan plus 50% of a participant's deferrals after that but not to exceed a total of 5% of the participant's eligible compensation. The Company, at its sole discretion, may also make a non-elective contribution for any Plan year. No non-elective contribution was made during the year ended December 31, 2023. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans.
- D. **Participant accounts** – Each participant's account is credited with the participant's contribution, the Company's matching contribution and non-elective contribution, and allocations of Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant's compensation, earnings, or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. **Investment options** – Upon enrollment to the Plan, a participant may direct employee and employer contributions in any of the funds offered by the Plan. Participants may change their investment options daily.
- F. **Vesting** – Participants are immediately vested in their contributions and all Company contributions plus actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of Plan (continued)

- G. **Forfeitures** – At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$22,536 and \$17,941, respectively. These accounts will be used to reduce future administrative expenses or employer contributions. During the year ended December 31, 2023, no forfeitures were used to reduce plan administrative expenses and employer contributions.
- H. **Notes receivable from participants** – Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate. Interest rates on all outstanding loans range from 3.25% to 8.50%. Principal and interest is paid ratably through remittance to the custodian over a period not to exceed five years, unless the proceeds of the loan were used to acquire the participant's residence, in which case the loan may be repaid over a reasonable period of time that exceeds five years. Upon termination of employment, notes receivable are due in full.
- I. **Payment of benefits** – Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the Plan document upon retirement, termination, death or disability. A terminated employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59½ or hardship as defined in the Plan document.
- J. **Death benefits** – The designated beneficiary is entitled to a death benefit distribution equal to 100% of participant's account balance.
- K. **Termination of the Plan** – Although it has not expressed an intention to do so, the Employer has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants shall become 100% vested in their account balances.
- L. **Administrative expenses** – Certain administrative expenses are paid by the Plan as provided in the Plan document. Loan administration fees are charged directly to the participant's account and are included in administrative fees.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting – The financial statements of the Plan are prepared on the accrual method of accounting. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Management's use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of net assets and the reported amounts of additions to and deductions from net assets. Actual results may differ from those estimates.

TERROS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(2) Significant accounting policies (continued)

Investment valuation and income recognition – Investments are reported at fair value (except for the guaranteed interest account, which is reported at contract value). Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Delinquent notes receivables are reclassified as distributions based upon the terms of the Plan document.

Risks and uncertainties – The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits – Payment of benefits are recorded when paid.

Subsequent events – Plan management has evaluated subsequent events through April 4, 2025, which is the date the financial statements of the Plan were available to be issued.

(3) Fair value measurements

FASB ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TERROS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(3) Fair value measurements (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used as of December 31, 2023 and 2022.

Common/collective trusts: The Plan's investments in common/collective trusts are stated at unit value, or the equivalent of NAV, which is a practical expedient for estimating the fair values of those investments. The common/collective trusts have no unfunded commitments and can be redeemed daily with no redemption notice period or other redemption restrictions.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

2023				
	Level 1	Level 2	Level 3	Total
Common/collective trusts*	\$ -	\$ -	\$ -	\$ 19,087,119
Total investments at fair value	\$ -	\$ -	\$ -	\$ 19,087,119

2022				
	Level 1	Level 2	Level 3	Total
Common/collective trusts*	\$ -	\$ -	\$ -	\$ 15,053,377
Total investments at fair value	\$ -	\$ -	\$ -	\$ 15,053,377

* In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(4) Investment contract with insurance company

As of December 31, 2023 and 2022, the Plan invests in a fully benefit responsive guaranteed interest account with MassMutual. The principal and interest is maintained in a general account and are backed by the general account assets of Empower Annuity Insurance Company of America. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest account is included in investments in the financial statements at contract value as reported to the Plan by Empower Annuity Insurance Company of America. Contract value represents contributions made under the guaranteed interest account, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed interest account is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to these investments. There are no reserves against contract value for credit risk or the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Employer or other Employer events that cause a significant withdrawal from the Plan, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

(5) Information certified by the Plan's custodians

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC and Empower Annuity Insurance Company of America, have certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments
- Notes receivable from participants
- Interest income on notes receivable from participants
- Interest and dividends on investments
- Net appreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(6) Related party and party-in-interest transactions

Certain Plan investments as of December 31, 2023 are managed by Empower, the Plan's recordkeeper, therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodian and recordkeeper totaled approximately \$134,000 for the year ended December 31, 2023.

(7) Tax status

The Plan has adopted a pre-approved defined contribution plan developed by Empower Retirement, LLC. As such, the Plan can rely on the opinion letter, dated November 14, 2022, issued by the IRS for this volume submitter plan. The letter stated that the Plan, as designed, was in compliance with the applicable requirements of the IRS. Management has not obtained an individual determination letter for the Plan. Management and the Plan administrator believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and that the Plan was qualified and the related trust remains tax-exempt at December 31, 2023. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

(8) Nonexempt transactions

The DOL's regulations require defined contribution plans to remit participant contributions and loan repayments to the Plan as soon as they can be reasonably segregated from the employer's general assets, but not later than the 15th business day of the month following the month in which the participant contributions and loan repayments are withheld by the employer. For the year ended December 31, 2023, the Company failed to remit certain participant contributions to the Plan in a timely manner constituting a technical lending of such monies to the Company. The late contributions not corrected prior to 2023 totaled \$89,979. As such, these transactions represented nonexempt transactions between the Company and the Plan as identified in Schedule H, Line 4(a), Schedule of Delinquent Participant Contributions, in the Plan's Form 5500 for the year ended December 31, 2023. Late contributions totaling \$89,712 were remitted to the Plan in 2023 and the lost earnings associated with the contributions were remitted in 2025. Late contributions totaling \$267 were remitted to the Plan in 2025 along with the associated lost earnings.

For the year ended December 31, 2022, the Company failed to remit certain participant contributions to the Plan in a timely manner constituting a technical lending of such monies to the Company. These late contributions totaled \$333,167. As such, these transactions represented nonexempt transactions between the Company and the Plan as identified in Schedule H, Line 4(a), Schedule of Delinquent Participant Contributions, in the Plan's Form 5500 for the year ended December 31, 2022. These late contributions were remitted to the Plan in 2022 and 2023, and the lost earnings associated with the contributions were remitted in 2023.

For the year ended December 31, 2021, the Company failed to remit certain participant contributions to the Plan in a timely manner constituting a technical lending of such monies to the Company. These late contributions totaled \$76. As such, these transactions represented nonexempt transactions between the Company and the Plan as identified in Schedule H, Line 4(a), Schedule of Delinquent Participant Contributions, in the Plan's Form 5500 for the year ended December 31, 2022. The late contributions were remitted to the Plan in 2021 and the lost earnings associated with the contributions were remitted in 2023.

Total lost earnings estimated by the Company were not material to the Plan's financial statements.
