INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Enrichment Services Program 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of *Enrichment Services Program 401(k) Profit Sharing Plan*, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of March 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended March 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of *Enrichment Services Program 401(k) Profit Sharing Plan*'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended March 31, 2024 and 2023, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of *Enrichment Services Program 401(k) Profit Sharing Plan* and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *Enrichment Services Program 401(k) Profit Sharing Plan*'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *Enrichment Services Program 401(k) Profit Sharing Plan*'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *Enrichment Services Program 401(k) Profit Sharing Plan*'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes and the schedule of Delinquent Participant Contributions as of and for the year ended March 31, 2024, are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan

Notes to Financial Statements

March 31, 2024 and 2023

NOTE A - **DESCRIPTION OF PLAN**

The following description of the *Enrichment Services Program, Inc. 401(k) Profit Sharing Plan (the Plan)* provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan document governs the Plan.

1. **General** - The Plan is a single-employer defined contribution plan covering all full-time employees of the Company who have completed ninety days of service and are age eighteen or older. The Plan was established on April 1, 2000 (amended with restatement April 1, 2015) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan was adopted under the provisions of the Internal Revenue Code (IRC) Section 401(a), with a cash or deferred arrangement qualified under IRC Section 401(k). Pursuant to the requirements of IRC Section 401(a)(27), the Plan is also a profit sharing plan. The Trustee and Plan Administrator are responsible for oversight of the Plan, and assets are held by an insurance company as custodian and record keeper. Some of the investments are held in a group annuity contract with an insurance company.
2. **Contributions** - Each year, participants may contribute up to 15% of pre-tax compensation as defined in the Plan, not to exceed IRS limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Currently, the Plan offers mutual funds and an unallocated general or guaranteed account through an insurance investment contract. The Sponsor contributes a discretionary 50% of up to the first 4% of each participant's deferrals to the Plan (matching contribution). Participants who do not have at least 500 hours of service and are not employed on the last day of the plan year are generally not eligible for a Sponsor contribution. Contributions are subject to certain IRS limitations.
3. **Amendment and Termination of the Plan** - The Plan may be amended or terminated by the Company at any time subject to the provisions of ERISA. Termination is not contemplated. In the event that the Plan elect's termination, 1) no portion of the plan assets will revert to the Sponsor and, 2) participants will become fully vested in the accounts and assets of the Plan will be used to provide for all obligations of the Plan.
4. **Participant Accounts** - Individual accounts are maintained for each participant and each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings or losses, and charged with an allocation of Plan administrative expenses. Allocations are based on participant earnings or account balances or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each account is charged for withdrawals.
5. **Vesting** - All participants are immediately 100% vested with respect to participant contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The vesting schedule is as follows:

<i>Years of Service</i>	<i>Percent Vested</i>

2	40%
3	60%
4	80%
5 or More	100%

6. **Payment of Benefits** - On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in the account as soon as administratively feasible. Rollovers are also available. Partial installments are permitted for required minimum distributions. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution subject to the qualified joint survivor rules. In-service distributions to participants starting at age 59.5 are also available. Distributable balances over \$5,000 require participant consent. Participants may also be eligible to receive a hardship withdrawal from their account if an immediate and heavy financial need exists. Effective January 2020, a participant in the plan is no longer suspended for 6 months from contributing to the Plan after a receipt of a hardship withdrawal. If married, the participant's spouse's consent is necessary for distribution.
7. **Participant Investment Rollovers** - Participants are allowed to transfer or rollover funds into the Plan from another qualified retirement plan or IRA. Participants are 100% vested in all rollover amounts. Rollover contributions will be affected by any investment gains or losses under the Plan.
8. **Forfeited Accounts** - The Plan allows forfeited non-vested accounts to be used for administrative expenses or used to reduce employer contribution. During the Plan year ended March 31, 2024, and 2023, the Plan incurred \$463 and \$1,355 respectively in forfeitures and applied \$463 and \$1,355, respectively to offset the sponsor contributions, Plan fees and expenses during the Plan year.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. **Basis of Accounting** - The financial statements of the Plan are prepared using the accrual basis of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value or contract value for fully benefit-responsive contracts. The Statement of Net Assets Available for Benefits presents the fair value of investments held as mutual funds in the insurance company investment contract and contract value for the portion of the insurance company investment contract held in the general account.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Mid Atlantic Trust Company (MATC) and American United Life Insurance Company, as sole custodians have certified values as presented in the Statements of Net Assets Available for Benefits.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

2. **Investment Valuation and Income Recognition** - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
3. **Basis of Presentation** - U.S. Department of Labor (DOL) regulations and IRS Form 5500 require a comparative Statement of Net Assets Available for Benefits, but only require that the current year's Statement of Changes in Net Assets Available for Benefits be presented in the Form and also attached to it. The financial statements have been prepared to meet DOL and IRS requirements. The activity recorded in the 2023 column in the statement of changes in net assets available for benefits has been included for presentation purposes only and is not required by GAAP, the DOL, or the IRS.
4. **Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
5. **Payment of Benefits** - Benefits are recorded when paid.
6. **Date of Management's Review** - The Plan has evaluated subsequent events through April 30, 2025, the date the financial statements were available to be issued.
7. **Plan Expenses** - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses paid by the Plan are paid from forfeited balances and some by the sponsor if forfeited amounts are not sufficient. Some expenses related to distributions are allocated to participant accounts. Some investment related expenses are included in the net appreciation or depreciation of fair value of investments.
8. **Third-Party Administrator** - The Plan Sponsor has engaged a third party, Mutual of America, to remit contributions, prepare financial statements, perform compliance testing, and prepare the annual information return.
9. **Participant Contributions** - Participant contributions are recorded when withheld from participant's earnings.
10. **New Accounting Pronouncements** - In June 2016, the FASB issued ASU 2016-13 (Topic 326) *Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The new accounting standard is effective for private entities with fiscal years beginning after December 15, 2022. Upon implementation, an entity may utilize the modified retrospective transition method, which changes how the allowance for credit loss is determined. For the year ended March 31, 2024 and 2023, the Plan adopted the standard utilizing the modified retrospective transition method. The adoption of this new standard did not result in a material impact on the Plan reporting.

NOTE C - TAX STATUS

A determination letter dated March 31, 2014 from the Internal Revenue Service regarding the Volume Submitter Profit Sharing Plan with a cash-on deferred arrangement (CODA) utilized by the Plan states that the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and currently being operated, in compliance with the applicable requirements of the IRC. The Company has properly executed an Adoption Agreement for OneAmerica Financial Partners, Inc. Volume Submitter 401(k) Profit Sharing Plan dated July 27, 2015. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 401.

The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trusts are tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service or Georgia Department of Revenue. The Plan has taken no uncertain tax positions that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan was audited by the Internal Revenue Service for the plan year ended March 31, 2013, and this audit resulted in a no-change determination.

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodologies include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and/or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ENRICHMENT SERVICES PROGRAM, INC.

401(k) Profit Sharing Plan

Notes to Financial Statements

March 31, 2024 and 2023

NOTE D - FAIR VALUE MEASUREMENTS – CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mid Atlantic Trust Company certified the mutual funds to be complete and accurate.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of, March 31, 2024, and March 31, 2023:

<i>Assets at Fair Value as of March 31, 2024</i>				
Description	Level 1	Level 2	Level 3	Total
Mutual Funds	-	\$890,216	-	\$890,216
Total Investments at Fair Value	-	\$890,216	-	\$890,216

<i>Assets at Fair Value as of March 31, 2023</i>				
Description	Level 1	Level 2	Level 3	Total
Mutual Funds	-	\$630,141	-	\$630,141
Total Investments at Fair Value	-	\$630,141	-	\$630,141

NOTE E - CERTIFICATION OF PLAN ASSETS

ERISA Section 103(a)(3)(c) - Unaudited information certified by the Plan Custodians

The Plan's investments were held by Mid Atlantic Trust Company as custodian for the year ended March 31, 2024, and by American United Life Insurance Company for the year ended March 31, 2023. The following investment balances and investment income included in the accompanying financial statements, notes and supplemental schedules were obtained from data that has been certified by the Custodians in accordance with 29 CFR 2520.10 3-8 of the Department of Labor's rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Total	\$890,216

<i>Investments as of March 31, 2023</i>	
Mutual Funds	\$630,141

Total	\$737,904

Net appreciation or loss on investment income, for the years ended March 31, 2024, and 2023 totaled \$86,647 and (\$79,823), respectively and interest income for March 31, 2024, and 2023 totaled \$-0- and \$2,744 respectively.

NOTE F - **RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities, principally mutual funds. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE G - **INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In the current year, the Plan does not hold any benefit-responsive investment contracts with the new investment manager, Mutual of America Life Insurance Company. However, in 2023, the Plan maintained a traditional benefit-responsive investment contract with the previous investment manager, American United Life Insurance Company (AUL). This contract, entered into in 2020, provided a guaranteed repayment of principal and a specified interest rate, as outlined in the terms of the agreement.

In 2020, the Plan entered into a traditional benefit-responsive investment contract with American United Life Insurance Company. The contract totaled \$107,763 for 2023. AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The objective of that investment policy is to maximize long-term, risk-adjusted returns. AUL's general account assets are predominantly fixed-income investments. The quality of these investments is high. Interest rates are established and declared for new contributions that will be received that calendar quarter. The rate is based on the return AUL expects on new investments made by it and held within AUL's general account, and it will always equal or exceed the contractually guaranteed rate.

NOTE G -

INVESTMENT CONTRACT WITH INSURANCE COMPANY – CONTINUED

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The average interest rate being credited to assets in this investment as of the last day of 2023 plan year was 2%.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented at contract value on the face of the Statement of Net Assets Available for Benefits. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract with AUL contains a clause stating that "The withdrawal charge and minimum market value adjustment will not be applied to benefit payments or annuities."

All benefit-responsive Plan benefit payments (as outlined in the Contract) made prior to Contract liquidation are made at book value (principal invested plus interest earned).

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

ENRICHMENT SERVICES PROGRAM, INC.

401(k) Profit Sharing Plan

Notes to Financial Statements

March 31, 2024 and 2023

NOTE H - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

During the year, the Company transitioned its investment management services from American United Life Insurance Company (AUL) in 2023 to Mutual of America Life Insurance Company in 2024. Certain Plan investments consist of shares in mutual funds, which are managed by Mutual of America Life Insurance Company, serving as the Plan's custodian and record keeper.

Fees for investment management services are included in the net appreciation/depreciation of investment value, as they are paid through revenue sharing and indirect expenses. Indirect and direct expenses for the years ended March 31, 2024, and 2023 were \$11,353 and \$11,109, respectively. Administrative fees paid to Mutual of America from Plan forfeitures amounted to \$463 for the year ended March 31, 2024, and \$1,862 for the year ended March 31, 2023.

In 2023, the general account was managed and guaranteed by American United Life Insurance Company. Refer to Note G for additional details.

The above transactions qualify as party in interest transactions. Enrichment Services Program, Inc., the Plan Sponsor, provides and pay certain accounting and administrative services to the Plan for which no fees are charged to the Plan.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE J - SUBSEQUENT EVENT AND COVID-19

The Company evaluated subsequent events and transactions that occurred after the Statement of Net Assets Available for Benefits up to the date that the financial statements were issued. Management is currently evaluating the impact of the COVID-19 pandemic on the Company and its funding sources and the impact on the Plan and has concluded that while it is reasonably possible that the virus could have a negative effect on the Company's financial position and the valuation of the net assets available (investments of the Plan), the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of the uncertainty.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and the Setting Every Community Aid, Relief, and Economic Act of 2019 and amendments thereto (the Secure Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distribution, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Net Assets per Form 5500 - Schedule H	(890,216)
Difference	\$ -

NOTE L - DELINQUENT CONTRIBUTIONS AND LOSS EARNINGS

As reported in the current year Schedule of Delinquent Participant Contributions, the Plan reported a total of \$8,066 in late contributions during the year. The contributions were paid late into the Plan upon discovery by the Plan Sponsor. The Plan has applied, under the Voluntary Fiduciary Correction Program, to correct loss earnings for such contributions. The loss earnings will be restored to each participant's account balance as soon as practically possible and in accordance with the provisions as set forth under the Voluntary Fiduciary Correction Program.
