|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditor's Report

To the Plan Administrator  
Radiology Regional Center, PA Profit Sharing/401(k) Plan  
Fort Myers, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audit of the financial statements of Radiology Regional Center, PA Profit Sharing/401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2023 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

***Other Matter - Report on the 2022 Financial Statements***

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated February 15, 2024 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to the Financial Statements**

---

### **1. Description of Plan**

The following description of the Radiology Regional Center, PA Profit Sharing/401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a 401(k) defined contribution plan originating on September 4, 1991 and most recently amended effective January 1, 2023. Radiology Regional Center, PA (the Company) is the sponsor of the Plan. The Plan covers certain employees of the Company, as defined below.

Eligible employees may enter the Plan at any time after attaining 21 years of age. The Plan's eligibility requirements exclude contingent, part-time, temporary and seasonal employees who have not completed 1,000 hours of service during a plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### ***Trustee and Administration of the Plan***

Empower Trust Company ("Empower") served as the record-keeper and trustee of the Plan assets until the transition to Milliman on June 30, 2023. From June 30, 2023 until July 19, 2023, the Plan entered a blackout period to allow plan assets and records to transfer to Milliman. Effective July 19, 2023, except for benefit responsive investment contracts that remained with Empower as trustee until the account closure redemption period had lapsed, which occurred subsequent to year-end on April 18, 2024, Milliman serves as the Plan's record-keeper and TPA and acts on behalf of Matrix Trust Company to provide certain administrative services, invest all contributions, and allocate to each participant account its proportionate share of the funds' investment earnings.

#### ***Contributions***

Each year, participants may make contributions based on their annual base compensation, as defined in the Plan document, subject to certain dollar limits established by the Internal Revenue Code (IRC). The Plan allows for pre-tax and Roth contributions. Participants may choose to deduct an amount equivalent to a percentage of earnings or a flat dollar amount.

Additional profit-sharing amounts may be contributed at the option of the plan sponsor's board of directors. The plan sponsor did not make any profit-sharing contributions for the years ended December 31, 2023 and 2022. Certain other discretionary contributions called "Qualified Nonelective Contributions" (QNECs), may be made by the Company, and allocated on a per capita basis among non-highly compensated employees who are participants in the Plan. Each of these employees will receive the same amount of QNECs. There were no such QNEC contributions for the years ended December 31, 2023 and 2022.

Effective January 1, 2023, the Plan was amended to: (1) change discretionary employer matching to 3% safe-harbor employer matching; and (2) changes allocation conditions for participants to receive an allocation of employer contributions to be employed on the last day of the plan year and be credited with at least 1,000 hours of service during the plan year.

### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, allocations of the Plan's earnings, and Company contributions, and charged with benefit payments and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Payment of Benefits***

The participant's account becomes payable upon death, disability, or normal retirement. Participants will receive account balances in a lump sum payment or in monthly installments. In-service withdrawals are permitted for participants who have reached age 59 and ½.

Immediate lump-sum distributions may be made to terminated participants if the participant's vested account balance is \$5,000 or less.

### ***Financial Hardship Withdrawals***

Financial hardship withdrawals of a participant's deferral contributions are permitted in certain circumstances of immediate and heavy financial need, in accordance with provisions specified in the Plan.

### ***Vesting***

Upon participation in the Plan, all participants are 100% vested in deferral contributions plus actual earnings thereon. Vesting in the Company's discretionary employer contribution and profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The Plan's vesting schedule allows for vesting of participant balances at the rate of 20% per year beginning after the second year of employment. A participant will be 100% vested after six years of credited service or upon retirement on or after a participant's 65th birthday, permanent disability, or death regardless of years of service.

### ***Forfeitures***

Forfeitures may be reallocated to participant accounts or used to reduce the subsequent employer contribution. During the year ended December 31, 2023, \$48,097 of forfeitures were used to reduce the 2022 employer contribution. At December 31, 2023 and 2022, forfeitures held in the Plan totaled \$766 and \$51,293, respectively.

### ***Note Receivable***

Note receivable represents a loan to a participant from their vested account balance. Currently, new loans are not permitted under the Plan. The existing loan will continue to be administered until fully repaid. Loan terms cannot exceed beyond five years unless the loan is for the purchase of a primary residence.

The loan is collateralized by the balance in the participant's account and bears interest at a rate of 5.75%, which is commensurate with the local prevailing rate as determined by the plan administrator, but not less than the prime lending rate. Repayments of principal and interest are

credited back to the participant's account through payroll deductions and must be done at least quarterly.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

### ***Investment Valuation and Income Recognition***

Investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value of a financial instrument is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts. The contract value is the relevant measurement since it represents the amount that the participant would receive if they were to initiate permitted withdrawal transactions under the terms of the plan. The Plan's fully benefit-responsive investment contract (see Note 4) is valued at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Contribution Receivable***

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective/Profit sharing contributions are recorded in the relevant period in accordance with the terms in the Plan document.

### ***Note Receivable***

Notes receivable from participant are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. A delinquent note receivable is recorded as a distribution based on the terms of the Plan document.

### ***Payment of Benefits***

Benefits are recorded when paid.

# **Radiology Regional Center, PA Profit Sharing/401(k) Plan**

## **Notes to the Financial Statements**

### ***Plan Expenses***

Direct Plan expenses such as trustee, recordkeeping, and investment management fees and certain administrative expenses are paid from Plan assets. For the plan years ended 2023 and 2022, management fees and operating expenses charged to the Plan for benefits paid and investments in mutual funds and the collective trust are deducted from income earned on a daily basis and not separately charged to an expense. Consequently, management fees and operating expenses are reflected as a reduction of benefits paid and investment return for such investments. Other administrative costs such as auditing fees are paid by the Sponsor.

### ***Plan Termination***

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participant's right to their accrued benefit is 100% nonforfeitable, irrespective of the nonforfeitable percentage that would otherwise apply under the Plan.

### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### ***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, and disclosures. Accordingly, actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

### ***Subsequent Events***

The Plan has evaluated events and transactions that occurred between January 1, 2024 and April 30, 2025, which is the date that the financial statements were available to be issued for possible recognition or disclosure in the financial statements.

## **3. Certification of Investment Information**

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company for the period from July 19, 2023 to December 31, 2023, and Empower at December 31, 2023 and 2022 and for the years then ended. Matrix Trust Company and Empower are qualified institutions.

### 4. Guaranteed Interest Fund with Insurance Company

The Plan has entered into a benefit-responsive guaranteed interest fund contract with Empower Annuity Insurance Company of America (EAIC) (formerly Great-West). EAIC maintains the contributions in a general account. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and the prevailing market conditions. Interest crediting rate is reset at least quarterly. As described in Note 2, because the guaranteed interest fund is fully-benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest fund contract. Contract value represents the sum of contributions and deposits made by and on behalf of participants, alternate payees and beneficiaries allocated to the guaranteed interest fund plus interest credited to the contract holder's assets in the guaranteed interest fund less the sum of amounts distributed plus any amounts transferred from the guaranteed interest fund, as well as charges and fees and applicable taxes, if any.

Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment fund at December 31, 2023 and 2022 was \$1,824,369 and \$2,618,375, respectively. The crediting interest is based on a formula agreed upon with the issuer as stated above. Such interest rates are reviewed on a quarterly basis for resetting.

The average yield earned by the Plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the Fund over the year. The average for 2023 and 2022 is 1.48% and 1.18%. The actual average yield earned by the Plan for the benefit responsive fund can be derived by averaging the Plan's quarterly interest rates. That average for 2023 and 2022 is 1.48% and 1.16%.

The Plan must notify EAIC at least thirty days in advance of a plan sponsor-initiated event. A plan sponsor-initiated event is an action that materially impacts assets in the guaranteed interest fund as it relates to the Plan, including but not limited to a, spin-off, sale, merger, full, or partial plan termination, including distribution of assets performed by a qualified termination administrator, as defined under Federal Law and regulations. If the plan sponsor-initiated event causes EAIC to require the Plan to make an election of contract termination, the Plan must notify EAIC of its selection of predefined contract termination options. The Plan notified EAIC of the termination of contract and the contract was fully terminated in 2023. The funds within the contract were remitted to Matrix on April 18, 2024.

### 5. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, are described as follows.

# Radiology Regional Center, PA Profit Sharing/401(k) Plan

## Notes to the Financial Statements

---

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023 and 2022. Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds and money market funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

*Self-directed brokerage accounts - other:* Accounts consist primarily of mutual funds, common stocks, exchange traded funds, and money market funds that are valued on the basis of readily determinable market prices.

*Collective funds:* These investments are valued at net asset value (NAV) of unit's collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment shelf by the fund less liabilities. Participants transactions (purchases and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

### **6. Party-in-Interest Transactions**

The Plan assets were held and managed by Empower Annuity Insurance Company of America (formerly Great-West) and Empower Trust Company, LLC which invests cash received, interest and dividend income, and makes distributions and loans to participants. Empower Annuity Insurance Company of America (formerly Great-West) and Empower Trust Company, LLC were contract holder and trustee, respectively, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping fees were \$28,986 and \$38,219 for the years ended December 31, 2023 and 2022, respectively. As noted in Note 1, Matrix Trust Company became trustee of the Plan effective June 30, 2024. Indirect fees were paid to Matrix Trust Company by the Plan and are included with net appreciation on the Statement of Changes in Net Assets Available for Benefits.

The plan paid investment advisor fees to Kestra Advisory Services for the years ended December 31, 2023 and 2022, in the amount of \$18,339 and \$31,486, respectively.

### **7. Income Tax Status**

The Plan uses a pre-approved plan document sponsored by Robert S. Forman PLLC. An opinion letter was received from the Internal Revenue Service (IRS), dated June 7, 2021, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.
