INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Avalon HR 401(k) Plan
Pensacola, Florida

Opinion

We have audited the financial statements of the Avalon HR 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Avalon HR 401(k) Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Avalon HR 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Avalon HR 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Avalon HR 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Avalon HR 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year and the schedule of delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. AVALON HR 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Avalon HR 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's summary description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of participating clients of Avalon HR, LLC; and Avalon HR 2, LLC; (the Sponsor). The Plan qualifies as a multiple employer plan as described in Section 413(c) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and is administered by the Sponsor.

Eligibility

All employees who are 21 years of age, work for a participating client, and fulfill the participating client's service requirement are eligible to participate in the Plan. Participating clients may select from the following service requirements: (1) one year of service (1,000 hours of service in a consecutive twelve-month period), (2) one to eleven months of service or (3) immediate eligibility. Additionally, a participating client may elect to waive the age and service eligibility requirements for individuals who are performing services for a participating client as of a specified date or may elect an age requirement less than 21 years of age. Entry into the Plan occurs based on the provisions of the participating client's agreement.

Contributions

Each year, participants may contribute up to the maximum allowable by law of pretax annual compensation, as defined in the Plan. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make Roth deferral contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contribution into various investments offered by the Plan which include, but are not limited to, pre-allocated portfolio options.

Participating clients adopt one of several available options ranging from no participation to mandatory match based on the participant's compensation for the plan year. Participating clients may also elect to make discretionary profit-sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, allocations of the participating client's contributions on behalf of the participant, and investment earnings on the participant's account. Allocation of investment earnings is based on daily valuations of participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balances. Participants are charged with out of pocket costs associated with the loans. The loans are secured by the balances in the participants' accounts and bear interest at a rate established by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their salary deferred contributions, rollover contributions plus actual earnings therein. Vesting of participating client contributions is based on years of service beginning with the participant's day of hire.

The standard vesting schedule is as follows:

Completed Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

However, based upon the agreements of mergers with other plans, the vested schedule may vary among participating clients. Participants associated with safe harbor provisions have immediate vesting.

A year of service is defined as a Plan year in which a participant is credited with 1,000 hours of service. A participant is fully vested in all of his or her account under the Plan upon reaching the Plan's normal retirement age, disability or death.

Payment of Benefits

Participants are eligible to receive distributions of benefits at the age of 65 or upon death, disability, or termination of employment as defined under the plan. After age 59½, participants may elect to take distributions from any accounts that are 100% vested without being required to terminate employment. Participants entitled to receive a distribution of benefits shall be paid in a lump-sum payment. Hardship distributions are permitted by the Plan.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Transfers

Transfers into the Plan represent participant accounts related to new participating clients coming into the Plan and transfers out of the Plan represent monies related to participant accounts whose participating client are leaving the Plan.

Forfeited Accounts

Non-vested forfeiture accounts may be used to reduce any future employer contributions. The balance in the forfeitures account was \$11,071 and \$8,079 at December 31, 2023 and 2022, respectively. No forfeitures were used during the year ended December 31, 2023 to reduce employer contributions.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. Upon termination all participants will become 100% vested in all amounts credited to their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The Plan's financial statements are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation

The plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - inputs consist of unadjusted quoted prices in active markets for identical assets and has the highest priority.

Level 2 - inputs are based on observable inputs corroborated by market data but not quoted on active markets.

Level 3 - inputs are based on unobservable inputs and include situations where there is little, if any, market activity for the assets or liabilities and have the lowest priority.

The Plan used appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments at fair value within the fair value hierarchy by level were classified as follows as of December 31, 2023 and 2022:

December 31, 2023	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,093,751	\$ -	\$ -	\$ 8,093,751
December 31, 2022	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,061,780	\$ -	\$ -	\$ 6,061,780

AVALON HR 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include mutual funds managed by Fidelity. Fidelity is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Investments managed by Fidelity totaled \$848,115, as of December 31, 2023. In addition, all notes receivable from participants and activity therein are considered to be balances and transactions with parties-in-interest.

NOTE 5 – TAX STATUS AND UNCERTAIN TAX POSITIONS

Effective January 1, 2022, the Plan was restated through the adoption of a pre-approved plan document provided by Slavic Integrated Administration, Inc. (Slavic). Slavic received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020 which states that the pre-approved plan document satisfied the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has been amended since receiving the opinion letter. However, the plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2020 through December 31, 2023, the years that remain subject to examination by major tax jurisdictions as of December 31, 2023.

NOTE 6 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2023, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$99,134.

NOTE 7 – PROHIBITED TRANSACTIONS

During 2023, the plan sponsor failed to remit all employee contributions to the Plan on a timely basis, which is a prohibited transaction under ERISA. The plan sponsor is in the process of calculating the lost earnings to the participants and will contribute that amount to the Plan in order to correct the prohibited transactions.

NOTE 8 – SUBSEQUENT EVENTS

The Plan has evaluated events and transactions subsequent to December 31, 2023, through April 29, 2025, (the date the financial statements were available to be issued), for potential recognition or disclosure in the financial statements.

Beginning in 2024, new clients adopting the Plan were provided the option of choosing auto-enrollment whereby all eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate.

During 2025 through the date of financial statements, there has been significant volatility in most major indices that measure market performance. As such, the Plan has experienced similar volatility in the fair value of the Plan's investments.
