Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Kentucky Association of Manufacturers Group Insurance Trust (the Trust), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits and benefit obligations as of August 31, 2024 and 2023, and the related statement of changes in net assets available for benefits and benefit obligations for the year ended, August 31, 2024 and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Trust as of August 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the year ended August 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

KENTUCKY ASSOCIATION OF MANUFACTURERS GROUP INSURANCE TRUST
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF TRUST

The following description of Kentucky Association of Manufacturers Group Insurance Trust (the Trust) provides only general information. Participants should refer to the Trust document for a more complete description of the Trust's provisions.

General

The Trust was established on July 1, 2021, to provide health and other benefits to eligible employees and covered dependents of participating member employers of the Kentucky Association of Manufacturers by issuance of one or more fully insured insurance policies. Certain Trust assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Trust is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Trust began providing benefits to member employers on September 1, 2021, and member employers began to enroll at that time. The Trustees are responsible for the oversight of the Trust.

In general, all employees of participating member employers scheduled to work at least 30 hours per week on a regular basis are eligible to participate.

Contributions

Participating member employers contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Employers may elect to withhold amounts from each participating employee's compensation based on applicable monthly premiums for their respective benefit elections to share in the cost of coverage. Cost-sharing by participating member employers, other than for separated participants, is not readily available information supplied to the Trust office and, therefore, such contributions are included in Member Employer Contributions in the statement of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America require separate disclosure of employer and employee contributions. Each employer determines the cost allocation between employee and employer to provide benefits. Based on how the Trust is administered, it is not feasible to segregate between the source of the contributions and, consequently, that information is not disclosed in the accompanying financial statements.

Benefits

The Trust provides benefits for full-time employees of participating member employers. Eligibility and enrollment of participating employees is the responsibility of the participating member employers. Each participating employer determines their employee probationary period (up to 90 days) upon electing a participating plan. Each full-time employee must satisfy their employer's probation period before becoming eligible for benefits. The Trust provides health benefits (medical, vision, dental, and prescription drugs), life insurance, short and long-term disability benefits, and accidental death and dismemberment benefits to eligible members and to their beneficiaries and dependents. The Trust also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF TRUST (CONTINUED)

Insured Benefits

The Trust fully insures health insurance benefits (medical, prescription drugs, vision, and dental), life insurance benefits (basic and dependent), short and long-term disability benefits, and accidental death and dismemberment benefits. The Trust purchases annual insurance contracts for these insured benefits. Premiums for all insured benefits are paid from the assets of the VEBA trust.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Trust are prepared on the accrual basis of accounting.

Change in Accounting Policy

The Plan has adopted FASB ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, effective January 1, 2023, utilizing the modified retrospective transition method. The accounting standard modifies the method for estimating credit losses on financial assets from probable or incurred credit losses to lifetime expected future credit losses (CECL). No cumulative effect adjustment to net assets available for benefits as of September 1, 2023 was necessary upon adoption.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Trust administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Administrative Expenses

The Trust pays administrative expenses that consist primarily of outsourced accounting fees and consulting fees. These expenses are reported on the statement of changes in net assets available for benefits as Administrative Expenses.

Employer Contributions Received in Advance

Employer contributions received in advance represent amounts received by the Trust from participating member employers for the following month's premium that were received prior to year-end.

Payment of Benefits

Premiums paid by the VEBA trust are recorded as insurance premiums in the accompanying statement of changes in net assets available for benefits. Premiums due and not paid before year-end are recorded as insurance premiums payable in the accompanying statements of benefit obligations.

NOTE 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Experience-Rated Contracts

For experience-rated contracts, premium surpluses are recorded as a receivable from the insurance company. If the insurance company requires payment of additional premiums due to a premium deficit, an obligation for the additional premiums is included in benefit obligations.

Subsequent Events

The Trust has evaluated subsequent events through April 10, 2025, the date the financial statements were available to be issued.

NOTE 4 TAX STATUS

The VEBA trust funding certain benefits of the Trust received an exemption letter from the Internal Revenue Service (IRS) dated November 29, 2022, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC) effective as of July 1, 2021. As a result of the Trust's funding policy, from time to time the Trust may be subject to income taxes. No federal or state income taxes have been recorded for the year ended August 31, 2024, for unrelated business taxable income.

In addition, the Trust and the VEBA trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Trust administrator believes that the Trust is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related VEBA trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Trust management to evaluate tax positions taken by the Trust and recognize a tax liability (or asset) if the Trust has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Trust is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 TRUST TERMINATION

The Board of Trustees of the Trust has the right to amend, in whole or in part, any or all of the provisions of the Trust at any time. No modification or amendment shall divest a participant of a right to which he or she is entitled under the Trust. Additionally, the Board of Trustees of the Trust also retains the right to terminate the Trust at any time, although it has no intention to do so. Upon such termination of the Trust, the assets will be used to pay benefits and expenses until exhausted. No assets will revert to the participating member employers.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain Trust assets are invested in an insured deposit account managed by the custodian of the Trust. As described in Notes 1 and 2, the Trust has several arrangements with service providers. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

NOTE 7 RISKS AND UNCERTAINTIES

The Trust maintains its checking account with a financial institution. The balance is insured by the Federal Deposit Insurance Corporation (FDIC) up to specified limits. On a regular basis throughout the year, the Trust's cash balance may exceed this FDIC insurance coverage limit; however, management does not anticipate nonperformance by the institution.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the Trust's financial statements to Form 5500 as of August 31:

	<u>2024</u>	<u>2023</u>
Net Assets Available for Benefits per the Financial Statements	\$ 555,234	\$ 587,612
Insurance Premiums Payable	<u>(461,188)</u>	<u>(490,734)</u>
Net Assets Available for Benefits per Form 5500	<u><u>\$ 94,046</u></u>	<u><u>\$ 96,878</u></u>

The following is a reconciliation of the change in net assets available for benefits per the Trust's financial statements to Form 5500 for the year ended August 31, 2024:

Increase in Net Assets Available for Benefits per the Financial Statements	\$ 32,378
Change in Insurance Premiums Payable	<u>29,546</u>
Net Income per Form 5500	<u><u>\$ 2,832</u></u>

Insurance premiums payable are not considered liabilities under accounting principles generally accepted in the United States of America and, therefore, are not presented as liabilities in the accompanying financial statements; they are recorded on Form 5500 as a liability.
