Independent Auditor's Report

To the Plan Administrator and Participants
S.V. International Corp. 401(k) Profit Sharing Plan
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of S.V. International Corp. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

S.V. International Corp. 401(k) Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan

The following description of the S.V. International Corp. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to eligible employees of S.V. International Corp. (“SVI”) and two companies related through common ownership: Bernards, Inc. and Bauhaus Furniture Group, LLC (collectively, the “Company”). To be eligible to participate in the Plan, employees must have attained the age of 21. Employees may begin participation as of the first day of the plan year or the first day of the seventh month of the plan year coinciding with or following the date on which they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Participants may elect to contribute a percentage of their pre-tax compensation, as defined by the Plan, not to exceed the limits set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“rollovers”). The Company may make a discretionary matching contribution and a profit sharing contribution, each to be determined annually. No discretionary matching or profit sharing contributions were made for 2022.

Upon enrollment in the Plan, participants may direct their contributions into various investment options offered by the Plan. Participants may change their investment options and deferral percentages at any time.

Participant Accounts

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of the Plan’s net earnings and administrative expenses. Allocations are based on participant contributions, earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s contributions plus actual earnings thereon is based on years of continuous service according to the following vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation, participants may elect to receive a lump-sum or installment payments. In-service distributions may be made to participants who have reached age 59½. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

See accompanying independent auditor’s report.

S.V. International Corp. 401(k) Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan (Concluded)

Forfeitures

Forfeitures from non-vested matching participant accounts may be used to offset expenses or Company contributions. No forfeitures were utilized during 2022. The forfeitures balance was approximately \$1,800 as of December 31, 2022 and 2021.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Terms are generally up to five years and only one note may be outstanding at a time. The notes are secured by the vested account balance in the participant's account and bear interest at the prime rate plus 1% at the date of the application. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

The Company absorbs certain expenses incidental to the administration of the Plan, including internal administrative costs. Other fees, including custodian, recordkeeping, and asset fees, are paid by the Plan. Distribution and loan fees are paid from affected participant accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated events occurring subsequent to the date of the financial statements through April 7, 2025, the date the financial statements were available to be issued, and has determined that no additional events have occurred that require adjustments to or additional disclosure in the financial statements, other than as disclosed in Note 10.

See accompanying independent auditor's report.

S.V. International Corp. 401(k) Profit Sharing Plan

Notes to Financial Statements

3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (“John Hancock”), the custodian of the Plan.

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

5. Income Tax Status

The Plan has adopted a prototype plan document sponsored by Qualified Plan Administrators, Inc. (“QPA”). The IRS has determined and informed QPA by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants’ accounts will become fully vested and nonforfeitable.

7. Party-in-Interest Transactions

Certain plan investments are shares of funds managed by John Hancock. Fees paid to John Hancock by the Plan for certain administrative services were approximately \$14,400 for 2022. John Hancock serves as custodian and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan to QPA for administrative services were approximately \$1,600 for 2022.

See accompanying independent auditor’s report.

Notes to Financial Statements

8. Fair Value Measurements

The Plan has adopted Accounting Standards Codification 820, “Fair Value Measurements and Disclosures” (“ASC 820”) which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

Basis of Fair Value Measurement

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Registered separate accounts: These investments are based on the market value of the underlying investments minus its liabilities, and then divided by the number of shares outstanding, which represents the net asset value (“NAV”) provided by the administrator of the fund. As the value of these investments is readily determinable, these funds are classified within Level 2 of the valuation hierarchy.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no investments presented at fair value as of December 31, 2022. See Note 10.

The following table summarizes the investments by level as defined within the fair value hierarchy as of December 31, 2021.

	Investment Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Registered separate accounts	\$ -	\$ 2,195,736	\$ -	\$ 2,195,736
	\$ -	\$ 2,195,736	\$ -	\$ 2,195,736

9. Delinquent Participant Contributions

During the year ended December 31, 2022, participant elective deferrals of approximately \$19,600 and participant loan repayments of approximately \$400 were not remitted to the Plan within the appropriate time period by the Company. These transactions constitute prohibited transactions as defined by ERISA. As of the report date, the Company was in the process of completing the necessary corrective actions, including the calculation and remittance of lost earnings to the affected participants' accounts.

10. Subsequent Events

In January 2023, the Plan changed its recordkeeping service provider from John Hancock to ADP Retirement Services and changed its custodian from John Hancock to Reliance Trust Company. As of December 31, 2022, the Plan had liquidated its investments in preparation for this change.

In 2025, the Company sold one of its entities, Bauhaus Furniture Group, LLC. As an excess of 20% of plan participants were terminated with the sale, it constitutes a partial termination of the Plan. As a result of this, all affected participants became fully vested in their account balances.
