INDEPENDENT AUDITOR'S REPORT

To the Arlington Orthopedic Associates, P.A.
401(k) Savings Plan and Participants:

Scope and Nature of the ERISA Section 103 (a) (3) (C) Audit

We have performed audits of the accompanying financial statements of Arlington Orthopedic Associates, P.A. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103 (a) (3) (C) (ERISA Section 103 (a) (3) (C) audit). The financial statements comprise the statements of net assets available for benefits as of January 31, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the one month ended January 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Arlington Orthopedic Associates, P.A. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103 (a) (3) (C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a) (3) (C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 31, 2024 and December 31, 2023 and for the one month ended January 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

1. The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

2. The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a) (3) (C).

2170 West Interstate 20 • Arlington, Texas 76017 • 817-274-1700 • FAX 817-261-0119

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arlington Orthopedic Associates, P.A. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103 (a) (3) (C) audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of American, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103 (a) (3) (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events , considered in the aggregate, that raise substantial doubt about Arlington Orthopedic Associates, P.A. 401(k) Savings Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103 (a) (3) (C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

1. Exercise professional judgement and maintain professional skepticism through the audit.

2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

3. Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of Arlington Orthopedic Associates, P.A. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.

4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

5. Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arlington Orthopedic Associates, P.A. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objectives of an ERISA 103 (a) (3) (C) audit is not to express and opinion about whether the financial statements as whole are present fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of (1) Schedule H, line 4i – Schedule of Assets Held (At End of Year) as of January 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than the agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

1. The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA.

2. The information in the supplemental schedules related to assts held by Fidelity Management Trust and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a) (3) (C).

NOTE (1) – DESCRIPTION OF PLAN:

The following description of Arlington Orthopedic Associates, P.A. "Company" 401(k) Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General –

The Plan is a defined contribution plan covering all full time employees of the Company who have one year of service and are twenty-one or older. The plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC). The financial statements have been prepared in compliance with accounting principles generally accepted in the United States of America (U.S. GAAP) and with ERISA. The Plan merged with the United Musculoskeletal Partners, LLC 401(k) Plan in January 2024. All the assets were transferred out of the Plan in January 2024 and transferred into the United Musculoskeletal Partners, LLC 401(k) Plan.

Contributions –

Participants may make deductible contributions to the Plan up to the maximum percentage allowable under the Internal Revenue Code. The plan has an employer match feature under which the employer may contribute a discretionary percentage of the participant's elective contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Beginning January 1, 2021, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they specifically elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. The matching Company contribution is invested directly into various options offered by the Plan as designated by the participants. Participants elect the allocation in which their account balances are to be invested in the investment funds offered by the Plan. Total contributions are subject to statutory limitations.

Participant Accounts –

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expense. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting –

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous services. Beginning January 1, 2021, a participant is 100% vested after two years of credited services.

NOTE (1) – DESCRIPTION OF PLAN (Continued):

Forfeited Accounts –

At January 31, 2024 and December 31, 2023, forfeited non-vested accounts totaled $0 and $15,016, respectively. During January 2024 $6,900 of these amounts were used to reduce future employer contributions.

Payment of Benefits –

On termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Notes receivable from participants –

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 5.25-10.5%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. The Plan management reviews the notes receivable from participants for collectability based on prior experience, review of individual accounts, employment status and management's evaluation of other pertinent factors. The notes receivable from participants that are deemed in default are recognized as distributions to the plan participant. Accordingly, management has determined that the remaining notes receivable from participants are totally collectable.

NOTE (2) – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting –

The Plan's financial statements are prepared on the accrual method of accounting.

Use of Estimates –

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of disclosures. Accordingly, actual results could differ from these estimates.

Investment Valuation and Income Recognition –

The Plan's investments are stated at fair value based on the hierarchy established by generally accepted accounting principles effective for financial statements issued for years beginning after November 17, 2007.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded as received.

Payment of Benefits –

Benefits are recorded when paid.

Operating Expenses –

All expenses of maintaining the Plan are paid by the Company.

NOTE (3) – INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEE:

The Plan Administrator has elected the method of annual reporting compliance in accordance with ERISA Section 103 (a) (3) (c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan Administrator and was certified as complete and accurate by Fidelity Management Trust Company:

	January 31, 2024	December 31, 2023
Investments at fair value	$ 0	$ 14,018,489
	0	0
Notes receivable from participants	0	96,836
	$ 0	$ 14,115,325
Investment (gain):		
Net investment gain from pooled separate accounts	$ 44,288	
Interest	7,019	
Net investment (loss)	$ 51,307	

NOTE (4) – FAIR VALUE MEASUREMENTS:

FASB ASC 820, *Fair Value Measurement and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds and Unitized Assets: Valued at the net asset value of shares held by the plan at year end.

Pooled Separate Accounts: Valued calculated based on the net assets of the underlying pool of assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE (4) – FAIR VALUE MEASUREMENTS (Continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 31, 2024:

	Assets at Fair Value as of January 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 0	$ 0	$ 0	$ 0
Investments at Fair Value	0	0	0	0
Investments measured at NAV as practical expedient				0
Total investments				$ 0

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 13,536,415	$ 0	$ 0	$ 13,536,415
Investments at Fair Value	13,536,415	0	0	13,536,415
Investments measured at NAV as practical expedient				482,074
Total investments				$ 14,018,489

NOTE (5) – NOTES RECEIVABLE FROM PARTICIPANTS:

The FASB issued guidance clarifying the classification and measurement of participant loans. That guidance required that participant loans be classified as notes receivable from participants and measured at their unpaid principal balance, plus any accrued by unpaid interest.

NOTE (6) – PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE (7) – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	January 31, 2024	December 31, 2023
Net assets available for benefits per Form 5500 Schedule H	$ 0	$ 14,115,325
Receivable for employer's contribution	0	6,900
Receivable for participants' contribution	0	16,031
Net assets available for benefits per the financial statements	$ 0	$ 14,138,256

NOTE (8) – TAX STATUS:

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE (9) – ADMINISTRATION OF PLAN ASSETS:

Certain administrative functions are performed by employees of the Plan Sponsor. No such employees receive compensation from the Plan. The Plan Sponsor paid certain administrative expenses of the Plan for the one month ended January 31, 2024.

NOTE (10) – RISKS AND UNCERTAINTIES:

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE (11) – SECURE AND CARES ACTS:

Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2020 and SECURE Act 2.0 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act 2.0 are effective on January 1, 2023 and required significant changes to plan administration and recordkeeping. The Plan must be amended before December 31, 2025.

On March 27, 2020, the Coronavirus Aid Relief and Economic Security (CARES) Act was signed into law, and as a result , the Plan must be amended for qualified individuals before December 31, 2025. The Company will amend the Plan by the set deadline. Qualified individuals are those diagnosed with COVID-19 or have a spouse or dependent who has been diagnosed or who experiences "adverse financial consequences" as a result of a quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of child care, or other factors due to the COVID-19 pandemic. Section 2202(a) of the CARES Act allows for qualified individuals to take up to $100,000 in coronavirus related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the cares act was applicable from May 15, 2020 to December 31, 2020.

Pursuant to the CARES Act qualified individuals who were currently receiving required minimum distributions were offered the option to waive their 2020 payments and participants who were due to receive their first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions and delay note repayments under the CARES Act ceased December 31, 2020.

NOTE (14) – SUBSEQUENT EVENTS:

The management of the Plan evaluated subsequent events are the statement of net assets available for benefits of January 31, 2024 through April 24, 2025 which is the date the financial statements were issued, and concluded that no additional disclosures are required.
