## **INDEPENDENT AUDITORS' REPORT**

### **Opinion**

We have audited the accompanying financial statements of the East Bay/North Bay Roofers Vacation Trust Fund, which comprise the statements of net assets as of July 31, 2024 and 2023, and the related statements of changes in net assets for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the East Bay/North Bay Roofers Vacation Trust Fund as of July 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the East Bay/North Bay Roofers Vacation Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the East Bay/North Bay Roofers Vacation Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the East Bay/North Bay Roofers Vacation Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the East Bay/North Bay Roofers Vacation Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

EAST BAY/NORTH BAY ROOFERS  
VACATION TRUST FUND  
NOTES TO FINANCIAL STATEMENTS  
Years Ended July 31, 2024 and 2023

NOTE 1 - Description of the Trust Fund

The East Bay/North Bay Roofers Vacation Trust Fund was formed in 1973 under an agreement between Roofers Local Union No. 81 of the United Union of Roofers, Waterproofers, and Allied Workers, AFL-CIO, and the Associated Roofing Contractors of the Bay Area Counties, Inc. Among other things, the agreement provides for employer contributions for each qualified employee, based upon the hours worked at rates specified in the collective bargaining agreement.

Employer contributions received are credited to specific employee vacation accounts. Amounts accumulated are distributed to the members in June and December of each year.

Employer remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records by independent accountants under a separate payroll auditing program.

Amounts representing interest earnings and other return on contributions are used to defray administrative costs and, if not so used, may be distributed equitably to members at such times and amounts as determined by the Trustees. Any excess expenses can be offset against contributions.

The Trust Fund collects union dues and initiation fees on behalf of Roofers Local Union No. 81, if authorized by the participants to do so.

In the event of termination, any remaining money after expenses and obligations have been paid shall be distributed as benefits to those qualified to receive them.

NOTE 2 - Summary of Significant Accounting Policies

Accounting Method

The accounts of the Trust Fund are maintained on an accrual basis of accounting.

Income Taxes

The Trust Fund is exempt from Federal income and State of California franchise taxes.

NOTES TO FINANCIAL STATEMENTS  
Years Ended July 31, 2024 and 2023

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

In preparing the financial statements as of July 31, 2024, management considered the impact of subsequent events occurring through April 30, 2025, the date the financial statements were available to be issued, for potential recognition or disclosure in these financial statements.

NOTE 3 - Fair Value Measurement

In accordance with Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures, the Fund categorizes its financial instruments recorded at fair value into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Level 2 represents financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. The plan's money market accounts are considered level 2 investments.

Years Ended July 31, 2024 and 2023

NOTE 4 - Unclaimed or Unnegotiated Checks

Unclaimed or unnegotiated checks are void after 90 days. After two years, these funds are forfeited and revert to the Trust Fund. The composition of the unclaimed amount is as follows:

Scheduled Forfeitures During Fiscal Year Ending July 31	Amount of Checks
2025	\$ 146,635
2026	<u>62,287</u>
	<u>\$ 208,922</u>

## Independent Auditors' Report on Supplemental Schedules Required by the Department of Labor

Our audit of the financial statements of East Bay/North Bay Roofers Vacation Trust Fund (the Plan) for the year ended July 31, 2024 was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes (held at end of year) is for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
