To the Plan Administrator of the
Forrest Solutions, Inc. 401(k) Profit Sharing Plan & Trust
19 West 44th Street, 9th Floor
New York, NY 10036

Dear Plan Administrator:

We have audited the financial statements of the Forrest Solutions Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") as of December 31, 2023 and 2022, and for the year ended December 31, 2023, and we will issue our report thereon dated May 6, 2025. As permitted by ERISA Section 103(a)(3)(C), our audits did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Mutual of America Life Insurance Company, the investment custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 31, 2024. Professional standards also require that we communicate to you the following information related to our audit.

We are also required by Statement on Auditing Standards No. 114, "The Auditor's Communications with Those Charged with Governance," to communicate certain matters related to the performance of our audit to the Audit Committee, Board of Directors, or its equivalent. In discussions with management, we have jointly determined that in keeping with the spirit of this standard, these communications should occur with you as the key governing body for the Plan.

Our communication of matters below includes only those audit matters of governance and management interest that have come to our attention as a result of the performance of the audit. An audit of financial statements is not designed to identify all matters that may be relevant to those charged with governance. Accordingly, the audit does not ordinarily identify all such matters.

Significant Audit Findings

Qualitative Aspects of Accounting Practices
Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements are prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. No significant estimates were used in the preparation of the financial statements of the Plan.

The financial statement disclosures are neutral, consistent and clear.

Form 5500 Procedures
We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit
We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements
Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management
For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the

financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations
We have requested certain representations from management that are included in the management representation letter dated May 6, 2025.

Management Consultations with Other Independent Accountants
In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues
We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

The Plan has not complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets of the Plan and as such has disclosed those delinquencies in the supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2023.

Other Matters
Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of management of Forrest Solutions, Inc. (the "Company") and the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

We appreciate the courtesy and cooperation extended to us by the employees of the Company throughout the performance of our engagement. Please feel free to contact Robert Puerto or Boris Benic at (516) 248-7361 with any questions you may have.

Very truly yours,

Independent Auditors' Report

To the Participants and Administrator of the
Forrest Solutions, Inc. 401(k) Profit Sharing Plan & Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed an audit of the accompanying financial statements of the Forrest Solutions, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from a Qualified Institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

500 Old Country Road, Suite 311 Garden City, NY 11530 t 516.248.7361 f 516.248.7382 www.bbcpas.com

Independent Auditors' Report

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the

financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following is a brief description of the Forrest Solutions, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") and is provided for general information purposes only. The Plan document, related adoption agreement and individual statements provided to each Plan participant should be referred to for more complete information.

General

The Plan is a qualified defined contribution plan covering eligible employees who are members of a controlled group which includes Forrest Solutions, Inc., FSO Security Management, LLC, and Forrest Solutions Industrial, Inc. (collectively, the "Company"). The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan investments are administered and held in a trust by the Plan's investment custodian, Mutual of America Life Insurance Company (the "Investment Custodian"), which also serves as the record-keeper of the Plan. The Investment Custodian is qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. The Investment Custodian, record-keeper, and the Plan administrator are appointed by the Company.

Plan Amendments

The Plan has implemented certain requirements of the Consolidated Appropriations Act of 2023, which included retirement provisions referred to as the SECURE 2.0 Act ("SECURE 2.0"), which builds upon the Setting Every Community Up for Retirement Enhancement Act of 2019. SECURE 2.0 legislation required the Plan to, among others, delay the commencement date for required minimum distributions from 72 to 73, effective January 1, 2023. Written amendments to the Plan to reflect these operational changes are not required to be adopted until a later date in accordance with applicable laws and Internal Revenue Service ("IRS") guidance.

Eligibility

The Plan covers all eligible employees of the Company who have completed three months of service and have attained the age of 21. The Plan excludes those employees who are: (1) non-resident aliens, (2) independent contractors or other non-employees of the Company on its payroll records. Entrance in the Plan is the 1st day of the month coinciding with or next following the date eligibility requirements are met.

1. Description of the Plan

Participant Contributions

Participants may make pre-tax and Roth contributions to be placed into a trust fund for their benefits, generally not to exceed the Internal Revenue Service Code ("IRC") limits discussed below. Effective January 1, 2023, the Plan adopted an automatic enrollment feature and contribution arrangement. The automatic deferral amount is 2% of a participant's eligible compensation, as defined, and will increase by 1% of compensation per year up to 6%, unless the participants opt-out of the Plan or change the deferral percentage. Eligible compensation for Plan purposes includes income reported on form W-2 with all pre-tax contributions added back, and excludes expense reimbursements, expense allowances, fringe and welfare benefits, moving expenses and certain deferred compensation.

Total participant contributions are limited to a maximum of $22,500 for 2023. Additionally, individuals who are at least 50 years of age can make a "catch-up" contribution not to exceed $7,500 for 2023. The maximum amount of compensation that may be considered for deferral purposes was $330,000 for 2023. The maximum annual addition that may be contributed or allocated to a participant's account under the Plan shall not exceed the lesser of 100% of a participant's compensation or $66,000.

Employer contributions

The Plan does not provide for Company contributions.

Rollover Contributions

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants are 100% vested in their elective deferrals and rollover contributions.

Prior to the Plan amendment effective January 15, 2021, which removed Company contributions vesting in any Company's contributions plus actual earnings thereon were based on years of continuous service. Participants were 100% vested after three years of credited service. However, if a participant died or became disabled while an employee of the Company, the participant immediately became 100% vested in their accounts.

1. Description of the Plan

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, which is credited or debited for rollover and voluntary contributions the participants make, and Plan earnings and expenses. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balance in that investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the participant contributions account or (2) $50,000, reduced by the excess of (i) the largest unpaid note balance that the borrower owed the Plan at any time during the one-year period before the note was made, over (ii) the largest unpaid note balance owed to the Plan on the day the note is made. The notes are secured by the vested balance in the participant's account. No note receivable shall be less than $1,000 and only one note at a time is allowed. The interest rate on notes outstanding at December 31, 2023, ranged from 4.25% to 9.50% per annum.

Any such borrowings are to be repaid within five years, unless the note is for the purchase of a principal residence for which the repayment period cannot exceed ten years. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based upon the terms of the Plan document.

Forfeitures

Upon termination of employment participants forfeit their non-vested balances. These accounts may be used to reduce future Company contributions or to pay administrative expenses of the Plan. At December 31, 2023, and 2022, there was $37 of forfeited non-vested account balances. There were no forfeited amounts used to reduce Company contributions or to pay administrative expenses during the year ended December 31, 2023.

Retirement

The normal retirement age is defined as when the participant reaches the age of 65. At the normal retirement date, the participant is entitled to 100% of their account balance. The participant can elect late retirement after the age of 65. Early retirement age upon reaching the age of 55 is allowed. A participant, who becomes disabled, as defined in the Plan document, is eligible for a disability retirement.

1. Description of the Plan

Distribution of Benefits

Distributions to participants are available upon the following events: retirement, termination of employment, the attainment of age 59 ½, disability, hardship or death. A participant's benefit, consisting of his/her entire vested account balance, is paid in the form of either a lump sum distribution, on an installment basis, or in accordance with the Plan's cash-out provision, as defined in the Plan document. The Plan also provides for hardship withdrawals to participants meeting certain requirements as described in the Plan document. Participants must begin receiving Required Minimum Distributions, under IRS guidelines, upon reaching the age of 73.

Administrative Expenses

Administrative expenses may be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan's trust funds are allocated to all participants on a pro rata basis. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during the year ended December 31, 2023.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates and Assumptions

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except investment contracts with insurance companies which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Investment contracts with insurance companies are valued at contract value which represents the amount of contributions deposited, plus interest credited daily as determined by the contract, less any participant withdrawals and administrative expenses (see Note 7).

2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income are reflected when received. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023, or 2022.

2. Summary of Significant Accounting Policies

Excess Contributions Payable

Amounts payable for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants in March 2024.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks including but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Income Tax Status

The Company has adopted a non-standardized pre-approved plan document that received an IRS opinion letter dated November 30, 2020, in which the IRS stated that this non-standardized pre-approved plan was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a Plan qualified under Section 401(a) of the IRC. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualified status.

2. Summary of Significant Accounting Policies

Income Tax Status

The Plan administrator believes that currently the Plan is qualified. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and concluded that as of December 31, 2023, and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the DOL or the IRS, however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through May 6, 2025, which is the date the financial statements were available to be issued.

Effective October 2024, the Plan changed their investment custodian to Fidelity Management Trust Company.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

4. Investments

For the year ended December 31, 2023, the Plan's investments appreciated (including gains and losses on investments bought and sold, as well as held during the year) in value by $732,513.

5. Fair Value Measurements

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, and 2022:

5. Fair Value Measurements

Pooled separate account: The pooled separate account consists solely of investments in registered mutual funds. Valued at the net asset value ("NAV") of units of the underlying insurance company maintained pooled separate account. The NAV, as provided by the Investment Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participants transactions (purchases or sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments. The separate accounts have different investment objectives, investment policies, and risks. The name of each separate account corresponds to the name of the underlying fund in which it invests. The Plan's separate accounts include various asset classes which are: equity fund, fixed income funds, growth funds, money market funds, balanced funds, bond funds, asset allocation funds, and retirement funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2023			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments in the fair value hierarchy	$ -	$ -	$ -	$ -
Pooled separate accounts (a)				5,439,837
Investments, at fair value				$ 5,439,837

	2022			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments in the fair value hierarchy	$ -	$ -	$ -	$ -
Pooled separate accounts (a)				3,609,090
Investments, at fair value				$ 3,609,090

5. Fair Value Measurements

(a) In accordance with ASC subtopic 8210-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Changes in Fair Value Levels
The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2023, there were no purchases, issuances, transfers in, or transfers out of Level 3.

Fair Value of Investments in Entities that Use NAV
The following table summarizes investments and associated information for which fair value is measured using the NAV per share practical expedient as of December 31, 2023, and 2022:

	2023 Fair Value	2022 Fair Value	Unfunded Commitments	Redemption Frequency	Plan Level Redemption Notice Period
Pooled separate accounts	$ 5,439,837	$ 3,609,090	None	Daily	N/A

6. Related Party and Party-in-Interest Transactions

The investments in the pooled separate account are managed by the Investment Custodian. The Plan's administrative expenses for the year end December 31, 2023, are paid to the Plan's record-keeper. Transactions with the Plan's record-keeper and Investment Custodian qualify as party-in-interest transactions. Loans to Plan participants also qualify as party-in-interest transactions. The above transactions are not considered prohibited transactions under CFR 408 (b) of the ERISA regulations.

7. Unallocated Investment Contract with an Insurance Company

The Company entered into a group annuity insurance contract with the Investment Custodian, whose balance was $202,871 and $176,972 as of December 31, 2023, and 2022, respectively. The Investment Custodian maintains the contributions in its Interest Accumulation Account within its general account which it added interest at a predetermined rate of 1.60% for 2023. The NAIC minimum rate is determined in accordance with a formula and cannot be less than 0.15% or more than 3.00%. Investment Custodian determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for that calendar year. Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value within reasonable timeframes. The account is also charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as discussed in Note 2. The contract value represents the amount of contributions deposited, plus interest credited daily as determined by the contract, less any participant withdrawals and administrative expenses. The contract is affected directly between the trustee and their issuer. The repayment of principal and interest credited to participants is a financial obligation of the issuer.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. It is at least reasonably possible that changes in the value of the investment will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits. If the Plan were to initiate a full redemption of this investment contract, the Trustee reserves the right to temporarily delay withdrawal from this contract in order to ensure that the liquidation will be carried out in an orderly business manner.

8. Prohibited Transactions

The Company withheld from participants' pay certain contributions and loan repayments during the year ended December 31, 2023, which were not remitted to the Plan's trust within the time frame required by the DOL under the plan assets rules. These late remitted participant contributions constitute a loan from the Plan to the Company and was $790,812. Delays in remitting participant contributions and loan repayments to the Custodian were due to administrative errors, and lost earnings related to the late remittances are being determined by the Company as of the date of these financial statements were issued.

Previous late remitted participant contributions for the 2022 and 2021 Plan years in the amount of $438,247 and $168,796, respectively, were corrected in 2025 and 2022, respectively.

9. Unaudited Information Certified by the Plan's Investment Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the DOL's and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which was certified by the Investment Custodian, as complete and accurate, except for comparing such information certified by the Investment Custodian to information included in the Plan's financial statements and supplemental schedule:

As of December 31:	**2023**	**2022**
Investments, at fair value	$ 5,439,837	$ 3,609,090
Investments, at contract value	202,871	176,972
Total investments	$ 5,642,708	$ 3,786,062
Notes receivable from participants	$ 112,521	$ 86,423

For year ended December 31, 2023:	
Investment income:	
Net appreciation of the fair value on the investments	$ 732,513
Interest and dividends	3,017
Total investment income	$ 735,530
Interest income on notes receivable from participants	$ 5,425

In addition, the information in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, has been certified by the Investment Custodian to be complete and accurate.

10. Reconciliation to Form 5500

The following reconciles net assets available for benefits per the financial statements as of December 31, 2023, and 2022, to the Plan's Form 5500, respectively, as filed by the Company:

	2023	2022
Net assets available for benefits per financial statements	$ 5,827,086	$ 3,915,270
Contributions receivable adjustments resulting from US GAAP versus DOL definition of Plan year compensation	-	(22,634)
Net assets available for benefits per Form 5500	$ 5,827,086	$ 3,892,636

The following reconciles the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2023, to the Form 5500, as filed by the Company:

Net increase as reported per financial statements	$ 1,911,816
Minus, 2023 contributions receivable adjustments resulting from US GAAP versus DOL definition of Plan year compensation	22,634
Net increase as reported per Form 5500	$ 1,934,450
