Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Growing Kids Learning Centers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of July 31, 2022, the related statement of changes in net assets available for benefits for the seven months ended July 31, 2022, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from qualified institution as of July 31, 2022, and for the seven months ended July 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2022 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2022 financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2022 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2022 financial statements.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements, continued

In performing an audit in accordance with GAAS, we, continued:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2022 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Growing Kids Learning Centers 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report, dated August 25, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA 103(a)(3)(C).

Participants should refer to the Plan document and applicable joinder agreement related to their employer for a more complete description of the Plan's provisions.

GENERAL

The Plan, established January 1, 2020, is a defined contribution employee benefit plan providing retirement benefits to eligible employees of Growing Kids Management Corp. (Employer) under section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the employer and any participating affiliates are eligible upon attainment of age 21 and 1,000 hours of service (within 12 months), excluding members of collective bargaining agreement, leased employees, and non-resident aliens. Upon satisfying the eligibility requirements, employees may participate in the Plan on the first day of the next month.

Effective July 31, 2022, the Plan merged into the KFG Financial Freedom Fund, a pooled employer plan.

CONTRIBUTIONS

Each year eligible participants may make pre-tax and Roth contributions of their eligible compensation, as defined by the Plan, subject to applicable limits established by law. Participants may make rollover contributions to the Plan representing distributions from other defined benefit or defined contribution plans. Participants direct their contributions into various investment options offered by the Plan.

The Employer has elected to operate the Plan as a safe harbor 401(k) plan, which makes the Plan exempt from certain compliance testing requirements. The Employer makes a safe harbor matching contribution of 100% of the participant's deferral up to 3% of compensation and then 50% up to 4% and 5% of their compensation.

The Employer may make discretionary matching and profit-sharing contributions which will be allocated in accordance with the plan document provisions. Participants must be employed on the last day of the plan year and have earned 1,000 hours of service to be eligible to receive discretionary matching and profit-sharing contributions. No discretionary matching or profit-sharing contributions were made during the seven months ended July 31, 2022.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, their employer's contribution, and an allocation of plan earnings. Plan earnings are allocated to each participant based on participant account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

VESTING

Employees are immediately vested in their elective deferrals and safe harbor contributions, including related earnings.

Notes to Financial Statements

July 31, 2022 and December 31, 2021

1. DESCRIPTION OF PLAN, continued:

FORFEITURES

Forfeited nonvested accounts can be used to pay administrative expenses, reduce future employer contributions, reallocate as employer contributions, or restore eligible rehire forfeiture account balances. There were no forfeited non-vested account balances or forfeitures used during the seven months ended July 31, 2022 or the year ended December 31, 2021.

BENEFIT PAYMENTS

The Plan provides that a participant may begin receiving normal retirement benefits upon termination of employment, death, or reaching age 59 1/2. Rollover balances may be withdrawn at any time. The Plan allows for hardship withdrawals if proper qualifications are met. Participants may elect a lump sum payment or partial payment of the vested interest in the participant's account.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Significant accounting policies adopted by the Plan are described below.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on the trade date. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

Notes to Financial Statements

July 31, 2022 and December 31, 2021

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

ADMINISTRATIVE EXPENSES

Certain expenses of maintenance and administration of the Plan are paid by the Employer. Certain investment related expenses are included in net depreciation of fair value of investments. Certain direct expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY THE QUALIFIED INSTITUTIONS:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, investments and related investment income included in the accompanying financial statements as of July 31, 2022 and December 31, 2021, and for the seven months ended July 31, 2022, have been compiled from statements certified as complete and accurate by Matrix Trust Company, the qualified institution, in accordance with DOL regulations.

4. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan measures fair value using Level 1 inputs because they generally provide the most evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. Fair values of assets measured on a recurring basis are as follows:

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Total				
As of July 31, 2022:				
Investments:				
Mutual funds	\$ -	\$ -	\$ -	\$ -
As of December 31, 2021:				
Investments:				
Mutual funds	\$ 890,781	\$ 890,781	\$ -	\$ -

GROWING KIDS LEARNING CENTERS 401(k) PLAN

Notes to Financial Statements

July 31, 2022 and December 31, 2021

4. FAIR VALUE MEASUREMENTS, continued:

VALUATION TECHNIQUES

Mutual funds are valued using Level 1 inputs and are primarily valued using market quotations.

Changes in valuation techniques: There were no changes in valuation techniques during the year.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan invests in the CMFG Life Stable Value Account, which is a fully benefit-responsive guaranteed investment contract (GIC). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the GIC held as of July 31, 2022 and December 31, 2021, was \$0 and \$35,208, respectively.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestiture or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

GROWING KIDS LEARNING CENTERS 401(k) PLAN

Notes to Financial Statements

July 31, 2022 and December 31, 2021

6. RISK AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will become fully vested. As described in Note 1, the Plan was not terminated, but merged into a pooled employer plan on July 31, 2022.

8. TAX STATUS:

The Plan has adopted a volume submitter plan document sponsored by CCH Incorporated, DBA ftwilliam.com. The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator timely adopted the volume submitter plan. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed, and is being operated, in compliance with the applicable requirements of the IRC.

9. PARTIES-IN-INTEREST:

Certain assets of the Plan are invested in funds managed by CMFG Life Insurance Company, a subsidiary of CUNA Mutual Group, the Plan recordkeeper. Such investments involving CMFG Life Insurance Company qualify as party-in-interest transactions and totaled \$0 and \$35,208, as of July 31, 2022 and December 31, 2021, respectively.

10. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through January 31, 2025, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
